

U15 Battlefords Barons 2

Thank you to Donna and Russ Iverson for taking on the treasurer role for the team. I believe that not too many members understand how big the job is! Thank you to Coach Sean Fauchon and Coach Joel Bernier for volunteering countless hours to coach the U15 Barons 2 team!

We had a 5-10-1 record in the Step League West Division which meant we were 4/6 teams. We met up with Meadow Lake in playoffs and were eliminated in the first round.

We had a number of early season injuries which affected the team along with Covid positive and Covid related isolations.

For future years, I would like to see a concentrated effort put into the checking/body contact clinic facilitated by Noel Kingwell. This year the U15's were only given two 1-hour sessions and coaches were not mandated to be at either session.
