Here are the teams and tryout times for Sept 10-11-12 weekend. Let me know if I have your daughters position wrong or if I missed anyone. I caught a couple mistakes when I got the registration list. I will be going on the ice for the first 3 skates so after the third skate I will have a quick meeting in the lobby to explain how the AA program works and explain how the remainder of tryouts will work for any parents that want to stick around.
