Friday Night Dance:

We invite all the players to attend our player dance sponsored by 'Walkn' on Water' Toy Store. Following game 1 and 2, the players are invited to head upstairs to the banquet room for some socializing, dancing and fun. We will also have supper provided for all the players (please let me know if you have a player with a gluten or dairy allergy). This will run until 7:30pm sharp so everyone can have a little fun and have lots of time to get a good sleep for the big day ahead. Hope to see you all there!

Game Information:

Half Ice with 5 on 5 format- 2- 24 minute periods of running time. A buzzer will go off every 3 minutes for a shift change (face off each time). There will be a 3 minute warm up and a 5 minute break in between periods.

All games will be played within HSA rules.

Should a minor penalty occur, player will go back to their bench until their next shift. In the event of an injury-clock will be stopped.

Opposing teams will share a bench on each "rink".

A Heart and Hustle Award will be given to 1 player on each team every game. The coach of the opposing team will pick the award winner (we will have coaches circle a player on a program to ensure no one gets picked twice). Players will shake hands at the end of their game and then both will line up on the blue line where they will tap sticks for the Heart and Hustle winners.

Medals will be given out directly after game 7, 8, and 9. Players will line up on the blue line and their names will be called out on the speakers to come up and receive their medals.
