

To Whom it may concern:

We are writing on behalf of the 2024/2025 U15B Barons Hockey Team. We are hosting a tournament on Dec 13 – 15th in North Battleford. We will have 6 teams (approx. 100 players) from around Saskatchewan and Alberta coming to play in our tournament. The success of this event is substantially attributed to the generous support from sponsors in and outside of the community.

We are looking for food, prize or monetary donations to help offset the costs of the tournament. All sponsors will have their name and logo displayed on the sponsor page in the printed and online tournament program.

Food Donations:

- Water, Gatorade, granola or protein bars, fruit, etc.

Prize Donations:

- All prizes will be displayed in the lobby for the whole duration of the tournament
- Gift cards or gift certificates, prizes suitable for a women's basket, men's basket and a youth basket
- Cooler (for an adult liquor basket)

Monetary donations of any amount are highly encouraged to help with ice fees, referees and any other tournament expenses. Cheques can be made out to **Battleford Barons U15B**

We are hoping that your business will be willing to supply us with a donation (in any form above) as we highly value your support within the community.

If you have any questions or are willing to donate and help our team please contact a member of our tournament committee. Thank you for your time and support.
