

# **Battle River Minor Hockey Association**

## **Executive Meeting**

January 31, 2021

In Attendance: Eilish Morrison, Cory Gagnon, Janna Freadrich, Graham Galletly, Elyse Vanderkooi

- Teams that sold tickets on scoreboards need to call AGLC to ask for guidance as to how to proceed.
- Fundraised money - teams that fundraised money, what happens to that money? Cory made a motion that if parents gave money personally to their child's team, that money can be returned to them. If people sold something or fundraised on behalf of BRK, that money needs to be handed in to BRK. Those funds can be designated to be spent on something specific for the association. Eilish seconded. All in favor.
- A motion needs to be made at the AGM that all fundraising by teams needs to be approved by the Executive.
- Half of dues have been returned. After going through our finances, Elyse made a motion that we will not be refunding any more money. Janna and Elyse will work to prepare a spreadsheet to show where the dues were spent this year. Graham seconded the motion. All in favor.
- If anyone has sock money or team cheques, please get them to Elyse.
- Please get jerseys and scorebooks to Crystal.
- AGM is tentatively set for April 11th at 6:30 in Killam.
