## What to watch for in 2024!

BMFA President - Anja Lewis

Welcome to the 2024 Bears Season! We are looking forward to another beautiful year with cleats on the field. I want to welcome our new 2024 Board members, who have graciously volunteered their time to keep this wonderful organization running. Although we are only one month into the year, the Board has worked hard on many projects and goals to make the season great for our Bears family. We begin with a Monthly Newsletter to start us off. If you follow us on Social Media, we continue to provide updates there, however, we wanted to reach everyone who may not use these platforms. If you wish to not receive this newsletter, please feel free to send an email, and we will remove you from the email list.

March is fast approaching with our highly anticipated Winter Camp, and we are excited to announce registration opening on Tues Feb 6. We still need coaches to step up and help run the Winter Camp program, as well as, our Spring and Fall seasons. This year, our focus is on coaching and player development. Prepare for new incentives, more education, and overall camaraderie for the 2024 season. Read further to see how to register to be a coach with BMFA. Our Board would like to thank the sponsors and businesses in the community and area working towards our goal of providing a fantastic football year! I look forward to seeing familiar faces and meeting new ones this year.

**GO BEARS!**

BEAUMONT SPORT AND RECREATION CENTRE FIELDHOUSE

and March 20th, 2024

## We are looking for Coaches!!

Beaumont Minor Football Association requires coaches for our upcoming Winter Camp, Spring Camp and 2024 Fall Season.

BMFA is committed to providing all our volunteer coaches with the necessary training and support they require to be successful each season.

Whether you have recently coached with our association, coached for us in the past, or never coached with us before, we are asking you to consider volunteering for the 2024 season! We understand that signing on as a youth sports coach is a huge commitment. You're likely to spend several evenings a week with the team, and your weekends are taken over with games and tournaments.

With all that in mind, how can we still ask you to volunteer?? The reason... there are so many rewarding benefits from becoming a volunteer coach!!

- Sharing Your Love of the Sport with Young Athletes
- Helping Kids Access the Life-Changing Benefits of Youth Sports
- Practicing Your Leadership Skills
- Spending Quality Time with Your Own Children

We are looking for coaches for all our divisions:

- Novice
- Atom
- Peewee
- Bantam

If you are interested, please fill out the coaching application via the google form (QR code below) or our website, and indicate which level you would be interested in coaching.

(Note: Returning coaches are also asked to fill out the application which should only take a few minutes on your phone.)

## 2023 Peewee 9/SIDE CDMFA Division Champions

After winning the 2023 9/Side CDMFA Division Championship, our Peewee team has its sights set on a repeat championship in 2024!
