SPONSORSHIP

Beaumont Minor Football Association are looking for new sponsors. We would like to extend an invitation to your company or companies you know, to sponsor our Minor Football program for the upcoming or occurring season.

We are a non-profit, volunteer run organization, which means a large percentage of our organization's success comes from community support.

Becoming a sponsor is easy, however, the benefits are far-reaching. With the ever-increasing costs of football, your generous donations be it monetary, gift card, or physical items help our kids play the sport they love. A sport which teaches discipline, teamwork, respect, and good sportsmanship - all essential tools for developing into fine adults. Funds received go towards hosting events for the players, upkeep of equipment, and providing a unique experience for the Beaumont football community. Monetary sponsorship is divided into three levels;

Bronze Sponsor \$250.00 to \$999.00 donation. A thank you letter, a Bronze post of company name and logo on our website & social media pages.

Silver Sponsor \$1,000.00 to \$2,499.00 donation. A thank you letter, a Silver post name and logo on our website & social media pages. Name and medium sized logo on a t-shirt provided to coaches at the beginning of the regular season.

Gold Sponsor \$2,500.00 and over donation. A thank you letter, Gold post name and logo on our website & social media page. Name and large sized logo on a t-shirt provided to coaches at the beginning of the regular season and Year End Gala Guest of Honor.

Without the continued support from our business community, many of our goals would be impossible. It is a rewarding feeling knowing that you have contributed to the development of our young athletes. BMFA greatly appreciates any consideration and assistance. If you would like to donate, please reach out to Davida Rogers the Fundraising and Sponsorship Director at [fundrasing@beaumontfootball.ca](mailto:fundraising@beaumontfootball.ca)

On behalf of this organization and our players, we thank you very much for your consideration.

TRAINERS

We are currently looking for Trainers at all levels for the upcoming season. The primary role of the Trainer involves the management of minor injuries among players. This entails providing immediate care for activity-related injuries to prevent them from escalating into major issues. Trainers are a crucial role on the team, without them practices and games may not go ahead which is why we would like to fill these volunteer roles prior to the season starting.

If you are interested in taking on the role as Trainer for your child's team please reach out to your division director;
