TRAINERS

We are currently looking for Trainers at all levels for the upcoming season. The primary role of the Trainer involves the management of minor injuries among players. This entails providing immediate care for activity-related injuries to prevent them from escalating into major issues. Trainers are a crucial role on the team, without them practices and games may not go ahead which is why we would like to fill these volunteer roles prior to the season starting.

If you are interested in taking on the role as Trainer for your child's team please reach out to your division director;

U13 and U16 Director - Jessica Robertson
u13u16@beaumontfootball.ca

U9 and U11 Director - Kim Van Leeuwen
u9u11@beaumontfootball.ca

Volunteers who take on the Trainer position and fulfill the season will have their fundraising commitment waived!
