# PRESIDENTS MESSAGE

As we close out another exciting and successful year of football. I wanted to take a moment and say that as the president coming in half way through the season I noticed a lot. This year was filled with challenges, triumphs, and unforgettable moments that remind us how much we love the game.

The unbelievable dedication and passion displayed by our players, coaches, staff and the support from our families and sponsors made this season one of the best.

Looking to the future which is going to be a great one. I would like to welcome all our new board members. I am very excited to have them part of this amazing association and I know they're going to do great things. We are committed and ensure that this next season will be even better than the last, we will build on what we've learned. We will strengthen our teams, and we will continue to uphold the values that make our club successful in this sport.

I would like to express my heartfelt gratitude to each and every one of my board members from this season without you we would not gotten through the rest of the season. We came together and worked as a team and I couldn't of done it without each and everyone of you. To all our sponsors and to the city of Beaumont. Without you, we wouldn't have had a football season.

Let's continue to show the world true spirit of this amazing game.

Thank you again to each and every player, staff, coach, and everyone that made the season successful your loyalty will never go unnoticed. I can't wait to see you again as we kick off the new season.

Together, we are ready for what's ahead.

Tina Markwart  
President
