BEAUMONT DAY'S PARADE

Players and volunteers all had a great time at the Beaumont parade. There was plenty of candy handed out, and eye-catching posters helped promote football in Beaumont. It was a fantastic event that brought together players from all divisions, giving them a chance to connect, interact, and enjoy the day as a team.

COACHES SPOTLIGHT

BEN WOOD

Ben is the Head Coach of our U16 team and has coached with Beaumont Bears for the last seven years. We asked him a couple questions to find out why he coaches football.

What do you like about coaching football?

I enjoy coaching football because it allows me to help kids grow—not just as athletes, but as people. It's rewarding to see their confidence build, their teamwork improve, and their love for the game deepen. I remember the coaches who inspired me when I was younger, and I want to be that kind of role model for them. Teaching fundamentals, encouraging sportsmanship, and seeing their progress week to week is what keeps me motivated.

What do you hope to achieve this season?

This season I hope to help the players develop both their football skills and their character. To see them grow in confidence, understand the value of teamwork, and learn to handle both success and setbacks with a positive attitude. I want the players to enjoy the game, support each other, and leave the season with a sense of accomplishment and love for football.

If you could play any position what would it be and why?

I would play Line Backer because of my rugby experience it would have the most transferable skills.
