## U9 BROCK

Brock shows consistency to play at a high level on either side of the ball. His ability to play in multiple positions, receiver, QB, RB or even in the secondary Brock is a great player all round.

## U16 PEITER KIRSTEN

Peiter is a pleasure to coach on and off the field. He shows up to practice and games with a smile on his face and leaves it all out on the field, his hard work was proven with his first TD of the season in out last game against Fort Mac.

# PLAYER OF THE MONTH

## U13 RYLAN DALY

Rylan in his first year with the Bears has shown heart, dedication and a willingness to learn. That, matched with his blazing speed makes him a force to be reckoned with on the field. He is willing to do whatever it takes to help his team win. He is a vital part of our success at the U13 level and will be heavily leaned on to bring the Championship home!

# SEASON OVERVIEW

## U9

The U9 Novice team started out the preseason with all new coaching staff and a lot of new talent rolling through the team.

The coaching staff went straight to work on key skills at the younger level and coming up with new plays to add to the playbook. Overall the team finished the season a massive 8 - 2, which is a massive milestone for the team.

If it wasn't for the kids putting in the hard work, time and effort to move forward this wouldn't have been achieve.

A big thank you goes to all the behind the scenes staff, parents, kids and coaching staff. Here's to next season! #gobears!

# U11

Our U11 Bears, both Orange and Navy, battled to defend Beaumont's home turf every weekend. Both as individuals and as team, our Bears challenged themselves and each other to put in the work it takes to succeed as a team. Our Bears absolutely embraced the idea of "Team Wins" and left it all out on the field, with established and new players alike, battling through the blood, bruises, sweat, heat, and cold to lay it on the line every day.

We started the season with three rules/goals for the year:

Be Safe

Be Respectful

Have Fun

The entire coaching staff is proud to be able to say that our Bears made and demonstrated a commitment to:

Learning to play the game with the safety of the themselves, their teammates, and their opponents in mind;

Showing respect to their opponents, officials, teammates, and coaches alike; and

(I hope) Having a ton of fun along the way.

The culmination of which was both Orange and Navy uniting at the year end Jamboree and playing together as united Bears.

A big thank you to everyone who supported our team this year, especially to my Assistant Coaches (Garry, Tony & Trent), Managers (Kim & Wanda), and the team of trainers who helped keep our Bears in the game.

Congratulations to all Beaumont Bears on a great year!

# U13

It is easy to look at the Undefeated Record, the 324 points scored vs 109 points allowed and think “That was easy” however, that was not the case. If you’ve heard the saying “Hard work beats talent when talent doesn’t work hard”, then you understand exactly why the U13 Bears had so much success this season. Not only did they have talent, but every single player on the team put in the work.

The team started off the year with a string of commanding victories 33 - 13 over the SCMFA Wolverines, 48 - 12 over Sherwood Park and shutting out Edmonton Chargers 62 - 0. We then went to Camrose to play an undefeated Buffaloes team. The Buffaloes came out strong scoring off their first couple of drives but the Bears clawed their way back to pull out a 56 - 19 victory. The closest game of the season was played at our home opener where the Bears fought tooth and nail to secure a 39 - 31 victory over the Wolverines.

The next 3 games was against Stony Plain Bombers due to an early season game cancellation. Game 1 the Bears came out flying with a commanding 46 - 14 victory. Game 2 saw the Bears winning 40 - 20 in a hard fought battle in enemy territory. Bringing us to the Semi Finals where we met 4th seed Stony Plain Bombers again. This game would end up a slug fest where both teams had big long drives and go back and forth TD for TD. The Bears ultimately showed why they were #1 seed and came away with a 26 - 14 victory securing a spot in the Championship game .

We could not be prouder of the effort and dedication these kids have put into this season. Congratulations Bears on all your success and let’s bring the Championship home!

## U16

The season was marked by hard-fought battles and close matches, with the team often finding themselves on the wrong side of the scoreboard. However, their unwavering spirit and commitment to the game never wavered. The trip to Fort Mac was a significant highlight, providing the players with valuable experience and the opportunity to bond as a team.

In a thrilling conclusion to the season, the team secured a well-deserved victory in their final game. This win was a testament to their perseverance and hard work, offering a glimmer of hope and a positive note to end on. The players and coaching staff celebrated the triumph, reflecting on the growth and lessons learned throughout the season.

As the team looks ahead to the next season, they carry with them the memories of their journey to Fort Mac and the satisfaction of finishing strong.

# AGM

The Annual Gental Meeting will be held Sunday 1st December, 6.30 - 9pm at the BSRC. Please join us to see what the organization is all about and have the opportunity to become more involved with this amazing association. This is a great chance to be a part of the sport your child loves and make a difference to the community sports team.

Please look out for an email explaining what positions on the board will be available and what the roles and responsibilities of each position entails.

## YEAR END GALAS

This year we will be holding two galas, one for our U 9 and U11 teams and one for the U13 and U16. Both being held at Beaumont Community Centre.

First the U9 and U11 teams will celebrate their fantastic seasons on Tuesday 19th November, with and awards presentations and a pizza dinner.

Next the U13 and U16 will celebrate with a sit down dinner followed by an awards presentation.

We encourage players from all divisions, parents and guests to come dressed in formal attire.

Tickets for each gala can now be purchased by emailing the president Tina [president@beaumontfootball.ca](mailto:president@beaumontfootball.ca)
