U9 NATE DANKO

Where ever he is on the field, whether it's running back and running the full field to score a touchdown. Playing man coverage and knocking the ball down to stop a completion or rushing the QB. He is everywhere making great plays. He is an absolute asset to BMFA and the coaches look forward to seeing his development in football.

U16 PRESTON BUCKLER

Teacher, leader and motivator. Preston is an outstanding defensive captain, ensures team mates know what is happening during practices and games. Assists coaches with organization of players whilst on the field. He has a great attitude both on and off the field. A senior U16 player that others should look up to.

PLAYER OF THE MONTH

U13 BRODY VAN LEEUVEN

Brody has exemplified excellent team leadership and plays the game with nothing but passion. He does anything he can for the team, from running 50+ yard touchdowns to hopping in at any position on defence to make a big stop. Brody's plays on game day is a direct representation of his hard work and dedication in practice!

SALUTE TO MINOR FOOTBALL

The past weekend was an exciting one for our Beaumont Bears! Our U13 team had the incredible opportunity to participate in the pre-game show at the Edmonton Elks, soaking in the atmosphere of a professional football stadium. The players showcased their skills and enthusias, representing our club with pride and energy in front of the crowd.

At halftime, our U11 team took to the field for an action packed scrimmag. The future stars played with heart, showing off their talent and teamwork to the cheers of the fans.

It was an unforgettable experience for both teams, getting a taste of the big stage and enjoying a day they'll remember for years to come! We're proud of all their hard work and dedication. Keep it up, future champions.
