- The ORHL has chosen to be a school-friendly rep hockey league. As such, the only way to achieve a 28-game regular season schedule is to play 3 "Showcase Events" during the year.
- A "Showcase Event" is akin to a tournament atmosphere, where all teams will amass in a single location (London, Brampton, St Catharines in 2018-2019) to play 4 games each.
- Our first event is at the end of September and the ORHL Championship is at the end of March.
