

PROCEEDS TO SUPPORT THE TOURNAMENT

THANK YOU

It has been said that anything worth achieving does not come easily and the past several months have been no exception. The long hours and dedication from the many volunteers who helped put the tournament together has truly been outstanding. For these people our genuine "Thanks"!

It would have been impossible, however, if not for the support of our many sponsors. Companies and individuals from throughout Edmonton and Alberta, and indeed North America have generously given their support and we would like to once again applaud their efforts.

Finally, to the coaches, parents and especially the players who have all worked so hard to be here, we wish good luck and most of all *good fun!*

The Tournament Committee

"All of the glory that goes with winning — all of the turmoil — all of the winning — and all of the money — they don't last. But the spirit that it takes to try to get there — these are the things that really endure."

MESSAGE FROM PREMIER GETTY

Congratulations and best wishes to The Brick as you welcome competitors, coaches, officials and visitors alike to the Brick Super Novice Hockey Tournament.

For over 250 athletes, coaches and managers, from British Columbia, Ontario, Quebec, Los Angeles and across Alberta the tournament will represent the culmination of many hard months of preparation and training. As young participants in a sport such as hockey you will develop many individual qualities that can be used over the years - sportsmanship, cooperation and dedication. An extra benefit gained is the physical fitness obtained while providing spectators with the exciting action of keen competition.

This tournament would not have become a reality, however, without the individuals behind the scenes. The sponsor, organizers and volunteers are to be commended for their tremendous contribution and commitment in the staging of a successful event. Both athletes and community will benefit from the experiences gained and the camaraderie developed at this tournament.

On behalf of the Province of Alberta, it is my pleasure to welcome coaches and spectators and wish good luck to the atheletes in your pursuit to meet your goals.

THREE STAR AWARDS

The Three Star Awards are very popular among the players and each game will have these awards.

The criteria for selection of Three Star Awards are as follows:

- 1. Players who exhibit good sportsmanship.
- 2. Players who play well in both the offensive and defensive zones.
- 3. Players who contribute to the scoring with goals and assists.
- 4. Goalies should be recognized equally with other players due to the uniqueness of their position as well as their contributions to points 1, 2 and 3 above.

Sports and media celebrities will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

TOP SCORER

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

MOST VALUABLE PLAYER AWARD

Each team will be given a ballot for each game to select the two most valuable players on their opponent's team. This ballot must be submitted to the Tournament Director at the end of each game. The Tournament M.V.P. will be the player with the most points at the end of Round Robin play. In the event that this player is also the top scorer, then the Tournament Director shall declare the 2nd place M.V.P. the Tournament M.V.P.

PRESENTS... TORONTO TEAM PROFILE

The Creadis Raiders is a team of hockey players who reside in the Metropolitan Toronto area. During the past winter, most of these boys played for the Toronto Eastenders, playing underaged in the MTHL "AA" Novice division. This coming year the Creadis Raiders intend to stay together as a team playing for the Wexford Raiders organization in the novice "AAA" division.

This summer the team has played 15 games compiling a record of 14 wins and 1 loss. In two tournaments the Creadis Raiders won 1 tournament and made it to the finals in the other. They have played all-star teams from Montreal, Ottawa, Central Ontario, and Georgian Bay, among others.

The Raiders pride themselves on their integrated teamwork approach to hockey. This style combined with an aggressive, fast skating attack, has enabled the team to overcome its size disadvantage (as all boys are underage, i.e., born in 1981) and still realize a significant level of success.
