MESSAGE FROM PREMIER KLEIN

On behalf of the Province of Alberta, I am pleased to welcome the athletes, coaches, and officials of the **Super Novice Hockey Tournament** being held August 12 - 15, 1993 in Edmonton, Alberta.

As hosts, The Brick Warehouse Corporation will be welcoming teams from Los Angeles, Seattle, Phoenix, Anchorage, Boston, Detroit, Vancouver, Calgary, and Saskatoon, as well as our own team from Edmonton.

I understand the tournament will be held at the West Edmonton Mall Ice Palace. I am also aware that the Edmonton team won the tournament last year -- no doubt they will be working hard to maintain their place as champions.

Each team player will have spent many hours training for this tournament. It takes hard work and commitment to prepare for the challenge and I want to extend my best wishes to every team for a successful competition. I also want to convey my greetings to the volunteers, organizers and sponsors who have put so much effort into this event.

All the best for an exciting and enjoyable tournament!

MESSAGE FROM THE MAYOR

Welcome to the City of Champions!
Edmonton is proud to host The Brick Super Novice Invitational Hockey Tournament.
Enjoy your time here, on and off the ice.

Best wishes to each player and each team for a good performance and fun on the ice. Whether you win or not, enjoy the opportunity to make new friends and learn more about your favorite sport.

Between games I invite you to explore our city. Whatever your interests are, you will find something special in Edmonton. Look into the future at the Space Science Centre, or flash back to the past at Fort Edmonton. Relax in one of the parks in the beautiful river valley, or take in one of the festivals that keep Edmontonians laughing all summer.

Thank you to The Brick for sponsoring this event and to the many volunteers who contribute their time and energy to make this event a success year after year. Your dedication to helping our young people develop their skills is much appreciated.

And now, let the games begin!

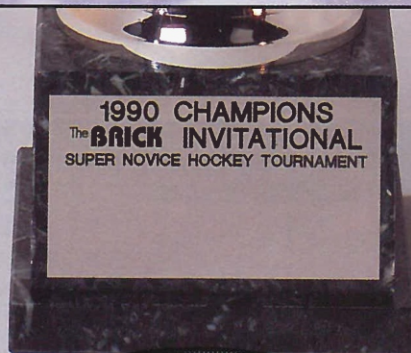

Yours truly,
Jan Reimer, Mayor

2. Players who play well in both the offensive and defensive zones.
3. Players who contribute to the scoring with goals and assists.
4. Goalies should be recognized equally with the other players due to the uniqueness of their position as well as their contributions to points 1, 2, and 3 above.

Sports celebrities, media celebrities and tournament sponsors will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

MOST VALUABLE PLAYER AWARD

The most valuable player for the tournament will be selected by the tournament committee based on the player's ability, scoring, sportsmanship and his value to his team during the Round Robin play only. TIE BREAKING PROCEDURES

A. TIE-BREAKING - ROUND ROBIN PLAY

In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:

- a) most points in Round Robin play.
- b) in case of a tie, the team having won the game between each other will advance.
- c) if still tied, the team with the best +/- (goals for - goals against).
- d) if still tied, the team with the fewest goals against will advance.
- e) if still tied, the team with the most goals will advance.
- f) if still tied, the team with the fewest minutes in penalties will advance.
- g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

Note: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B. TIE-BREAKING - PLAY-OFF ROUNDS (SEMI-FINAL & FINAL)

In the event of a tie after the end of regulation play, the teams will change ends and play one five-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.

In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.

In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.

In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.

In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.

If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty shot until the complete team roster has been used.
