Edmonton Welcomes You

For the fifth year, our city has the pleasure of hosting the Super Novice Hockey Tournament. On behalf of the citizens of Edmonton, I welcome young hockey players once again to the City of Champions!

Whether you are from Calgary or Anchorage, Winnipeg or Boston, I hope you will find success on the ice. If that means winning the Tournament, you will have the satisfaction of being at the top of the heap. If it means just playing a good game, you will have the satisfaction of demonstrating your skill, sportsmanship and competitive spirit.

Congratulations to The Brick for bringing this international event to the West Edmonton Mall Ice Palace once again. It's a great venue with a built-in audience. Visitors will want to combine hockey-watching with all the interesting sights and sounds of the Mall. I hope you will also find time to enjoy Edmonton's other famous feature attractions. Fort Edmonton Park, the Muttart Conservatory and the Space and Science Centre are just a few of the adventures that await you. If you are in a play-going mood, the Fringe Theatre Festival is on in Old Strathcona. Stay awhile and see our city!

Best of luck to all the novice teams. Enjoy your Tournament and come again next year!

Yours truly,

Jan Reimer

THE PREMIER OF ALBERTA

MESSAGE FROM PREMIER KLEIN

A hearty welcome to Alberta! I am pleased to join with the Brick Warehouse Corporation in welcoming the teams, coaches, and officials to our province for the 1994 Super Novice Hockey Tournament.

I understand teams from Los Angeles, Seattle, Anchorage, Boston, Detroit, Vancouver, Calgary, Winnipeg, Saskatoon, and Edmonton are participating in this year's competition. No doubt the Edmonton team will be working hard to maintain their place as champions for a third year in a row.

I know it takes a great deal of individual and team effort to excel in your sport. A favourite activity of many young people, hockey provides the opportunity to make new friends, learn new skills, and develop team spirit.

A big thank you to the many volunteers and supporters who have played a key role in organizing this prestigious event. You are to be commended for your commitment and hard work.

Congratulations and best wishes to everyone for a successful and exciting tournament. Do your best and don't forget to have fun on the ice!

This team is made up of the best major novice and minor novice hockey players in Winnipeg. The majority of players on this team travelled to Vancouver this spring and went undefeated with victories over Vancouver hockey futures, Kelowna hockey futures and a team from the Seattle area. The coaches, parents and players are very excited to play in this tournament and would like to thank The Brick for allowing us to participate. Our players have worked hard all year long and started practicing together towards the end of April. The coaching staff feels the players are ready to play in this prestigious tournament and will be very competitive.

THREE STAR AWARDS

The Three Star Awards are very popular among the players and each game will have these awards.

The criteria for selection of Three Star Awards are as follows:

1. Players who exhibit good sportsmanship.
2. Players who play well in both the offensive and defensive zones.
3. Players who contribute to the scoring with goals and assists.
4. Goalies should be recognized equally with the other players due to the uniqueness of their position as well as their contributions to points 1, 2, and 3 above.

Sports celebrities, media celebrities and tournament sponsors will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

TOP SCORER

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

MOST VALUABLE PLAYER AWARD

The most valuable player for the tournament will be selected by the tournament committee based on the player's ability, scoring, sportsmanship and his value to his team during the Round Robin play only. In the event that this player is also the top scorer for the tournament, the tournament committee shall declare their second choice as the Tournament M.V.P.

The Saskatoon Junior Blades is comprised of players from Saskatoon and the surrounding area. The team has been formed over the course of the past six months where players were evaluated based on regular league play. Players from Outlook, Martensville, Wilkie and as far as Sandy Lake were selected. The team has been playing together since June 5th and have had a number of exhibition games with teams of Super Novice and Atom calibre. Teamwork rather than individual strengths has been the direction of our coaching efforts, knowing full well the level of hockey required to play in this tournament. Both the parents and the coaching staff are excited about the tournament and the experience that the players will gain from it. We would like to express our sincere appreciation to The Brick for the opportunity to be a part of a tournament of this calibre and for their support toward Minor Hockey.

TIE BREAKING PROCEDURES

A. TIE-BREAKING - ROUND ROBIN PLAY

In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:

- a) most points in Round Robin play.
- b) in case of a tie, the team having won the game between each other will advance.
- c) if still tied, the team with the best +/- (goals for - goals against).
- d) if still tied, the team with the fewest goals against will advance.
- e) if still tied, the team with the most goals will advance.
- f) if still tied, the team with the fewest minutes in penalties will advance.
- g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

Note: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B. TIE-BREAKING - PLAY-OFF ROUNDS (SEMI-FINAL & FINAL)

In the event of a tie after the end of regulation play, the teams will change ends and play one five-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.

In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.

In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.

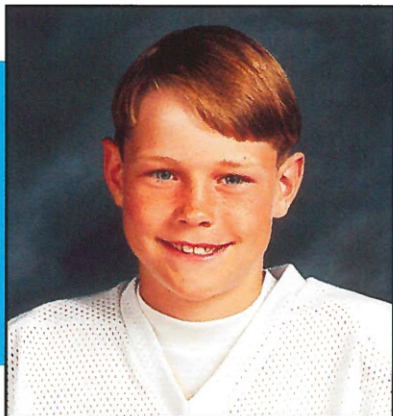

In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.

In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.

If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty shot until the complete team roster has been used.
