Edmonton Welcomes You

Edmonton is honoured to host talented hockey players from across Canada, the United States and Europe as you compete in The Brick Super Novice Hockey Tournament. Here's hoping each team plays at top form, adding to the excitement for players and fans alike.

A tournament of this magnitude presents a multitude of challenges – and those challenges can bring out the best in all participants, both on the ice and off. With the practices and planning behind, I hope the events of the coming days leave you satisfied that the time spent preparing was worthwhile.

Between events, check out the sports and culture that have earned Edmonton the title "City of Champions." Whether it's scanning the skies at the Space & Science Centre, experiencing history at Fort Edmonton Park or enjoying the sounds of top musicians at the Edmonton Folk Festival, there's something for everyone.

On behalf of City Council and the people of Edmonton, best wishes to all of the players and each of the teams. Champions come in all sizes; this tournament promises to prove that fact once again.

Yours truly,

Jan Reimer
Mayor

WINNIPEG JUNIOR JETS

This is the second year the Winnipeg Junior Jets are competing in The Brick Tournament. Last year our team lost in double overtime to the tournament champions Detroit Honeybaked, in the semi-finals. We have 5 returning players from last year's team and are looking forward to this year's tournament. In preparation for The Brick Tournament the team travelled to Toronto and Ottawa where they competed against some of the finest Novice teams in North America. In Toronto, we went 3-1-1 in the round robin and then travelled to the AAA Ottawa Capitals Tournament where we triumphed over teams from Boston, Laval, Minnesota, Toronto, Southern Ontario, Connecticut and the host team Ottawa to win the tournament. Players, parents and coaches would like to thank The Brick for this opportunity to participate.

THREE STAR AWARDS

The Three Star Awards are very popular among the players and each game will have these awards.

The criteria for selection of Three Star Awards are as follows:

1. Players who exhibit good sportsmanship.
2. Players who play well in both the offensive and defensive zones.
3. Players who contribute to the scoring with goals and assists.
4. Goalies should be recognized equally with the other players due to the uniqueness of their position as well as their contributions to points 1, 2, and 3 above.

Sports celebrities, media celebrities and tournament sponsors will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

TOP SCORER

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

MOST VALUABLE PLAYER AWARD

The most valuable player for the tournament will be selected by the tournament committee based on the player's ability, scoring, sportsmanship and his value to his team during the Round Robin play only. In the event that this player is also the top scorer for the tournament, the tournament committee shall declare their second choice as the Tournament M.V.P.

TIE BREAKING PROCEDURES

A. TIE-BREAKING - ROUND ROBIN PLAY

In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:

- a) most points in Round Robin play.
- b) in case of a tie, the team having won the game between each other will advance.
- c) if still tied, the team with the best +/- (goals for - goals against).
- d) if still tied, the team with the fewest goals against will advance.
- e) if still tied, the team with the most goals will advance.
- f) if still tied, the team with the fewest minutes in penalties will advance.
- g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

Note: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B. TIE-BREAKING - PLAY-OFF ROUNDS (SEMI-FINAL & FINAL)

In the event of a tie after the end of regulation play, the teams will change ends and play one five-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.

In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.

In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.

In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.

In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.

If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty shot until the complete team roster has been used.
