Edmonton Welcomes You

Our city is proud to provide the backdrop as The Brick Super Novice Hockey Tournament takes to the ice. You are welcome here!

Given the success of previous tournaments, we have every reason to expect excitement for all as players from across Canada and the United States converge on our city. You can be sure of equally superb hosting in a city that has tackled events as major as the World Figure Skating Championships with great success.

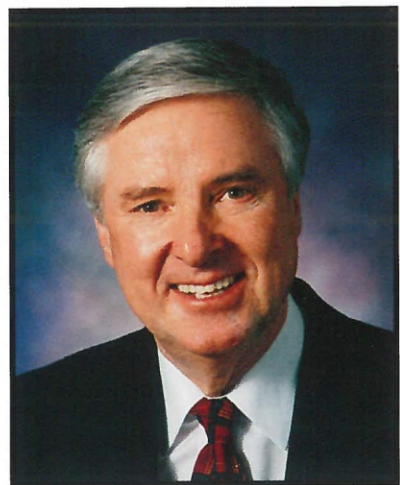

Between games, do take time to explore this capital city. West Edmonton Mall is a discovery in itself, but it's only the beginning. You'll find fun and action around every corner, not to mention great places to eat and mind-expanding sites such as the Edmonton Space & Science Centre. On top of that, you'll experience western hospitality that can't be beat.

On behalf of City Council and the people of Edmonton, best wishes to all players, and each team. May you return home with the satisfaction of knowing you've played your very best.

Yours truly,

Bill Smith
Mayor

DETROIT HONEYBAKED

The newly formed Detroit Honeybaked team finished first in their summer league with 11 wins and 1 tie. Over the summer the team also competed in the "Showdown in Motown" tournament and the "Lakeshore Thunder" tournament.

With 2 semi-final finishes, the players sucked it up and went into the "St. Thomas" tournament "Stars of Tomorrow" and put on an offensive clinic, winning this tournament hands down. Honeybaked is a new organization and with people like owner Lou Schmidt, who heads the organization and really does everything anyone could to benefit the players, it is bound to take over as the top organization in Michigan. Best of luck to everyone at The Brick.

Our team consists of (15) ten year old boys selected from 11 teams from the Winnipeg area. Drew McIvor will be returning for his third year and Darcy Zajac for his second year. In preparation for The Brick Tournament, the team travelled to Toronto and went 4 - 1 in the round robin and then attended a Tournament in Winnipeg in which they won. The team has worked very hard preparing for the best tournament in North America. The players, coaching staff and parents would like to thank The Brick for this opportunity and look forward once again show casing Winnipeg's finest up and coming hockey players.

THREE STAR AWARDS

The Three Star Awards are very popular among the players and each game will have these awards.

The criteria for selection of Three Star Awards are as follows:

1. Players who exhibit good sportsmanship.
2. Players who play well in both the offensive and defensive zones.
3. Players who contribute to the scoring with goals and assists.
4. Goalies should be recognized equally with the other players due to the uniqueness of their position as well as their contributions to points 1, 2, and 3 above.

Sports celebrities, media celebrities and tournament sponsors will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

TOP SCORER

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

MOST VALUABLE PLAYER AWARD

The most valuable player for the tournament will be selected by the tournament committee based on the player's ability, scoring, sportsmanship and his value to his team during the Round Robin play only. In the event that this player is also the top scorer for the tournament, the tournament committee shall declare their second choice as the Tournament M.V.P.

TIE BREAKING PROCEDURES

A. TIE-BREAKING - ROUND ROBIN PLAY

In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:

- a) most points in Round Robin play.
- b) in case of a tie, the team having won the game between each other will advance.
- c) if still tied, the team with the best +/- (goals for - goals against).
- d) if still tied, the team with the fewest goals against will advance.
- e) if still tied, the team with the most goals will advance.
- f) if still tied, the team with the fewest minutes in penalties will advance.
- g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

Note: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B. TIE-BREAKING - PLAY-OFF ROUNDS (SEMI-FINAL & FINAL)

In the event of a tie after the end of regulation play, the teams will change ends and play one ten-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.

In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.

In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.

In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.

In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.

If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty
