Edmonton Welcomes You

On behalf of City Council, congratulations on the tenth anniversary of The Brick Super Novice Hockey Tournament. A special welcome to the teams who are coming from other provinces and from the United States.

Edmonton is very much a hockey city. We are enthusiastic fans of professional hockey. Children and adults alike participate in organized hockey leagues as well as informal skating-rink "just for fun" games. We are always delighted to welcome the hockey players, coaches and families who have worked so hard in their sport and have already achieved success.

Best wishes for an enjoyable and memorable tournament.

Yours truly,

Bill Smith
Mayor

THE PREMIER OF ALBERTA

MESSAGE FROM PREMIER RALPH KLEIN

It is a pleasure for me to welcome teams, coaches, officials, and supporters to The Brick's tenth annual Super Novice Hockey Tournament. I want to convey special greetings to the visiting teams from out-of-province - I hope your stay in Wild Rose Country is an enjoyable one.

Over the next few days, the West Edmonton Mall Ice Palace will be filled with excitement and anticipation as the teams battle it out on the ice. From the drop of the first puck to the final buzzer, the tournament is sure to be an exciting event for everyone.

Special thanks must go to the organizers and volunteers who have worked hard to ensure the success of this tournament. Your support for amateur hockey in Alberta is commendable.

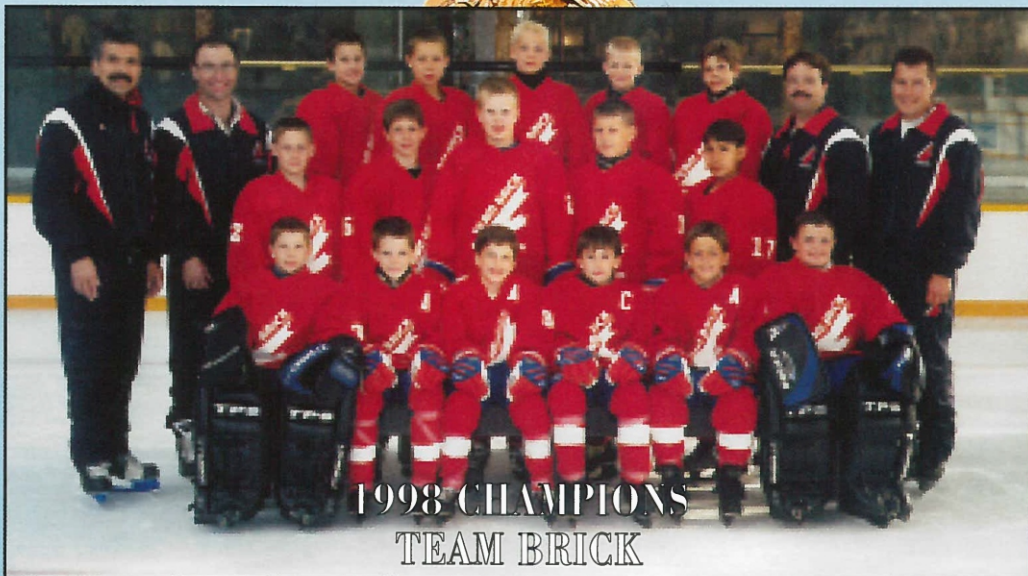

May the spirit of good sportsmanship prevail, and may everyone enjoy the experience of hockey being played at its best.

WINNIPEG JUNIOR JETS

The Winnipeg Junior Jets would like to wish all the participants good luck in the tournament. This is the 6th year the Jets are returning to the Brick Tournament, and we would like to thank the Brick Tournament Committee for this invitation. This team will participate in 3 tournaments this summer and has been working very hard. We hope to provide some good hockey action.

THREE STAR AWARDS

The Three Star Awards are very popular among the players and each game will have these awards.

The criteria for selection of Three Star Awards are as follows:

1. Players who exhibit good sportsmanship.
2. Players who play well in both the offensive and defensive zones.
3. Players who contribute to the scoring with goals and assists.
4. Goalies should be recognized equally with the other players due to the uniqueness of their position as well as their contributions to points 1, 2, and 3 above.

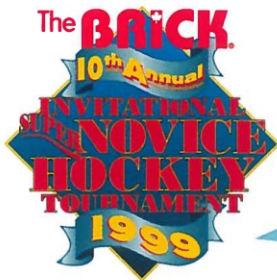

Sports celebrities, media celebrities and tournament sponsors will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

TOP SCORER

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

MOST VALUABLE PLAYER AWARD

The most valuable player for the tournament will be selected by the tournament committee based on the player's ability, scoring, sportsmanship and his value to his team during the Round Robin play only. In the event that this player is also the top scorer for the tournament, the tournament committee shall declare their second choice as the Tournament M.V.P.

TIE BREAKING PROCEDURES

A. TIE-BREAKING - ROUND ROBIN PLAY

In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:

- a) most points in Round Robin play.
- b) in case of a tie, the team having won the game between each other will advance.
- c) if still tied, the team with the best +/- (goals for - goals against).
- d) if still tied, the team with the fewest goals against will advance.
- e) if still tied, the team with the most goals will advance.
- f) if still tied, the team with the fewest minutes in penalties will advance.
- g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

Note: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B. TIE-BREAKING - PLAY-OFF ROUNDS (SEMI-FINAL & FINAL)

In the event of a tie after the end of regulation play, the teams will change ends and play one ten-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.

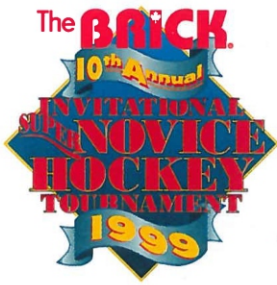

In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.

In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.

In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.

In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.

If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty shot until the complete team roster has been used.
