Edmonton Welcomes You

Welcome to the 11th anniversary of the Brick's Super Novice Hockey Tournament!

On behalf of Edmonton City Council and myself, I congratulate all participating teams, coaches, officials and supporters of this event for your hard work and dedication to the game of hockey. There is no doubt that you and this tournament are what hockey is meant to be.

Your tournament brings thousands of spectators to the city and to West Edmonton Mall. To say there is only elbowroom around the hockey rink at the Mall would be an understatement – your fans are everywhere. The excitement and anticipation of this competition are felt and recognized outside the rink, too, by the rest of Edmonton.

Play hard and have a wonderful and memorable tournament.

Yours truly,

Bill Smith
Mayor

THE PREMIER OF ALBERTA

The team is working hard to prepare for the tournament and hope to provide you with good hockey and fun competition. The Winnipeg Junior Jets wish all the participants the very best of luck!

THREE STAR AWARDS

The Three Star Awards are very popular among the players and each game will have these awards.

The criteria for selection of Three Star Awards are as follows:

1. Players who exhibit good sportsmanship.
2. Players who play well in both the offensive and defensive zones.
3. Players who contribute to the scoring with goals and assists.
4. Goalies should be recognized equally with the other players due to the uniqueness of their position as well as their contributions to points 1, 2, and 3 above.

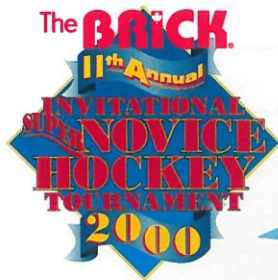

Sports celebrities, media celebrities and tournament sponsors will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

TOP SCORER

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

MOST VALUABLE PLAYER AWARD

The most valuable player for the tournament will be selected by the tournament committee based on the player's ability, scoring, sportsmanship and his value to his team during the Round Robin play only. In the event that this player is also the top scorer for the tournament, the tournament committee shall declare their second choice as the Tournament M.V.P.

TIE BREAKING PROCEDURES

A. TIE-BREAKING - ROUND ROBIN PLAY

In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:

- a) most points in Round Robin play.
- b) in case of a tie, the team having won the game between each other will advance.
- c) if still tied, the team with the best +/- (goals for - goals against).
- d) if still tied, the team with the fewest goals against will advance.
- e) if still tied, the team with the most goals will advance.
- f) if still tied, the team with the fewest minutes in penalties will advance.
- g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

Note: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B. TIE-BREAKING - PLAY-OFF ROUNDS (SEMI-FINAL & FINAL)

In the event of a tie after the end of regulation play, the teams will change ends and play one ten-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.

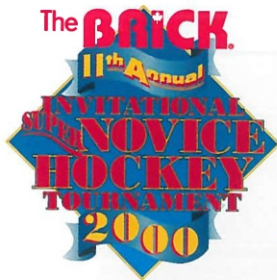

In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.

In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.

In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.

In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.

If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty shot until the complete team roster has been used.
