Message from the Mayor

On behalf of City Council and the citizens of Edmonton, welcome to the 13th Annual Brick Invitational Super Novice Hockey Tournament.

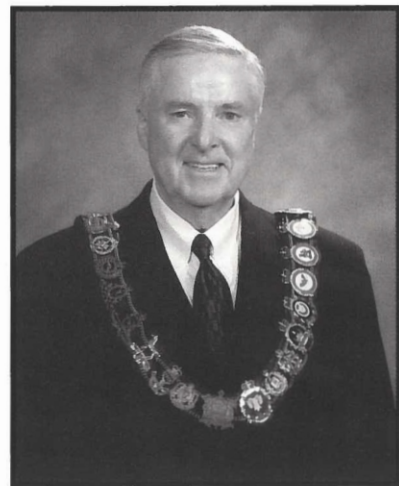

Past tournaments have provided spectators with some thrilling moments, and this year's event is sure to entertain as well. To the more than 220 athletes and coaches who have their sights set on becoming tournament champion, I hope you come away from the competition knowing you played hard and demonstrated good sportsmanship.

It takes a tremendous amount of hard work to stage an event of this magnitude. I salute The Brick, local organizers, coaches, parents and volunteers for arranging this great tournament. Your dedication and support have made this competition possible.

Best wishes to everyone for a memorable and exciting tournament.

Yours truly,

Bill Smith
Mayor

THE PREMIER OF ALBERTA

Message from Honourable Ralph Klein Premier of Alberta

On behalf of the Government of Alberta, I am pleased to welcome everyone taking part in the 13th annual Brick Super Novice Hockey Tournament.

This event brings young hockey talent to the West Edmonton Mall Ice Palace for a truly remarkable tournament. The opportunity to travel to Alberta also provides an excellent educational benefit for these young athletes, while teaching the concepts and value of competing in this prestigious competition.

As part of the positive sports experience that nurtures our youth and that plays a positive role in the lives of these young individuals, this tournament also provides them the opportunity to compete against their peers in pursuit of excellence.

I want to thank the many volunteers, coaches, referees, organizers, and parents who have helped in arranging and hosting this event. This province is indebted to Alberta's men and women who play the important role of guiding our young athletes, at every level of competition, in all sports, and in all seasons. Your tireless efforts behind the scenes are invaluable assets to the sports community.

Best wishes for another successful event. I hope that, as time passes by, you will remember it not only by the great hockey games played, but also by the friendships made and the wonderful memories that give true meaning to the value of participating in sports.

WINNIPEG JUNIOR JETS

Winnipeg Junior Jets are very excited to be invited back to participate in this prestigious tournament.

These players from the Winnipeg area have been working very hard over the past couple of months to prepare and have shown total commitment and effort.

We would like to thank the Brick Tournament for allowing the Winnipeg Junior Jets to participate for the 9th consecutive year. We wish all the participants the best of luck and have fun at the best tournament.

THREE STAR AWARDS

The Three Star Awards are very popular among the players and each game will have these awards.

The criteria for selection of Three Star Awards are as follows:

1. Players who exhibit good sportsmanship.
2. Players who play well in both the offensive and defensive zones.
3. Players who contribute to the scoring with goals and assists.
4. Goalies should be recognized equally with the other players due to the uniqueness of their position, as well as their contributions to points 1, 2, and 3 above.

Sports celebrities, media celebrities and tournament sponsors will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

TOP SCORER

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

MOST VALUABLE PLAYER AWARD

The most valuable player for the tournament will be selected by the tournament committee based on the player's ability, scoring, sportsmanship and value to his team during the Round Robin play only. In the event that this player is also the top scorer for the tournament, the tournament committee shall declare their second choice as the Tournament M.V.P.

TIE BREAKING PROCEDURES

A. TIE-BREAKING - ROUND ROBIN PLAY

In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:

- a) most points in Round Robin play.
- b) in case of a tie, the team having won the game between each other will advance.
- c) if still tied, the team with the best +/- (goals for - goals against).
- d) if still tied, the team with the fewest goals against will advance.
- e) if still tied, the team with the most goals will advance.
- f) if still tied, the team with the fewest minutes in penalties will advance.
- g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

Note: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie, then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B. TIE-BREAKING - PLAY-OFF ROUNDS (SEMI-FINAL & FINAL)

In the event of a tie after the end of regulation play, the teams will change ends and play one ten-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.

In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.

In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.

In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.

In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.

If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty shot until the complete team roster has been used.
