**Message from His Worship
Mayor Bill Smith**

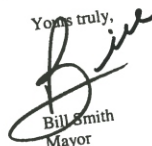

Welcome to the 14th anniversary of the Brick's Super Novice Ice Hockey Tournament!

The swish of skate blades on fresh ice and the crack of a well-timed wrist shot are always pleasing sounds in Edmonton. This tournament promotes a great tradition of sportsmanship and brings an exciting event into one of the city's greatest venues. The rink at West Edmonton Mall is sure to be crowded with spectators as teams from across North America face-off against one another. Wherever there is hockey in this city you are sure to find avid support from the community.

Play hard and have a memorable tournament.

Yours truly,

Bill Smith

THREE STAR AWARDS

The Three Star Awards are very popular among the players and each game will have these awards.

The criteria for selection of Three Star Awards are as follows:

1. Players who exhibit good sportsmanship.
2. Players who play well in both the offensive and defensive zones.
3. Players who contribute to the scoring with goals and assists.
4. Goalies should be recognized equally with the other players due to the uniqueness of their position, as well as their contributions to points 1, 2, and 3 above.

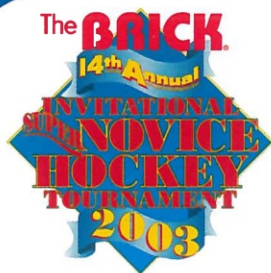

Sports celebrities, media celebrities and tournament sponsors will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

TOP SCORER

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

MOST VALUABLE PLAYER AWARD

The most valuable player for the tournament will be selected by the tournament committee based on the player's ability, scoring, sportsmanship and value to his team during the Round Robin play only. In the event that this player is also the top scorer for the tournament, the tournament committee shall declare their second choice as the Tournament M.V.P.

CONNECTICUT YANKEES

The mission of the Connecticut Yankees AAA Hockey Club is to enhance educational opportunities through the game of hockey. The Yankees are a spring/summer tournament bound hockey program. Our teams are organized by birth year, and we have teams for each birth year from 1988 to 1995. These teams are invited to compete in many of the most prestigious AAA ice hockey tournaments in the United States and Canada. Unlike other organizations, we do not recruit players. Instead, we hold a series of developmental clinics and programs at various rinks throughout the year that serve as a link between our organization and the interested players and families in our program. These non-profit clinics are open to all who love the game of hockey, and serve as a way for the organization to identify potential players for the upcoming season. We look forward to this year's tournament with the hope of defending last year's championship.

TIE - BREAKING PROCEDURES

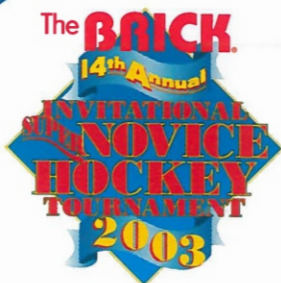

A. TIE - BREAKING - ROUND ROBIN PLAY

- ◆ In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:
 - a) most points in Round Robin play.
 - b) in case of a tie, the team having won the game between each other will advance.
 - c) if still tied, the team with the best +/- (goals for - goals against).
 - d) if still tied, the team with the fewest goals against will advance.
 - e) if still tied, the team with the most goals will advance.
 - f) if still tied, the team with the fewest minutes in penalties will advance.
 - g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

Note: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie, then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B. TIE - BREAKING - PLAY-OFF ROUND (SEMI-FINAL & FINAL)

- ◆ In the event of a tie after the end of regulation play, the teams will change ends and play one ten-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
- ◆ In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.
- ◆ In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.
- ◆ In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.
- ◆ In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.
- ◆ If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty shot until the complete team roster has been used.
