Stephen Mandel
Mayor

PREMIER OF ALBERTA

Message from Honourable Ralph Klein Premier of Alberta

On behalf of the Government of Alberta, welcome to The Brick's Super Novice Hockey Tournament.

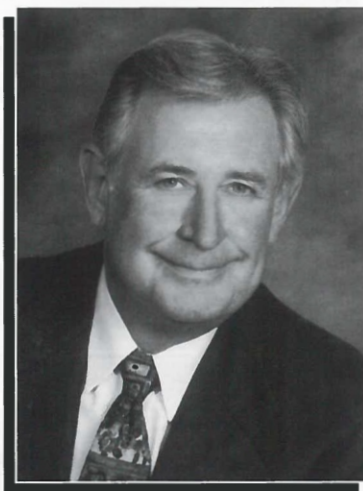

For 16 summers, The Brick has hosted the Super Novice Hockey Tournament which welcomes athletes to Edmonton from all over North America. The vision and spirit of this event is to be commended. It is an exciting and rewarding experience for young hockey players, a great competitive outlet, and a wonderful opportunity to meet and make new friends.

Alberta's Centennial in 2005 includes recognizing our sporting history and potential. This tournament is an excellent way to help pay tribute to our sporting legends and to our future heroes. The players of this tournament are part of a strong sporting community, and are examples of the active, dedicated, and healthy young people who live in Canada and the United States.

Thank you to the volunteers and sponsors for contributing to the success and longevity of this competition. Best wishes for an enjoyable event and congratulations to all athletes. You are role models to us all.

July 6 - 10, 2005

HOW IT ALL STARTED...

In January of 1990, Bill Comrie met with a few of his executives at The Brick Warehouse Corporation and discussed a hockey tournament concept that would be both unique and beneficial to many people for years to come. Bill's vision was a hockey tournament for players nine and ten years of age that would be international in scope and personal in presentation. He recognized that this age category did not have national presence similar to the Québec Pee-Wee Tournament or the Max Midget Tournament.

"What if we held a summer tournament for this age group at West Edmonton Mall that would combine excellent hockey and a summer holiday for traveling teams?" With this concept in mind, a group of volunteers from The Brick Warehouse set out to organize teams, sponsorships, ice time, and expand upon Bill's idea to develop a new standard in hockey tournaments. The Brick Super Novice Invitational hockey tournament is recognized as Canada's foremost hockey tournament and its impact can be appreciated by all those who have attended.

Bill Comrie, although still a shareholder of The Brick Group Income Fund, is no longer involved in day to day operations. For those of us who have had the pleasure of working with Bill, this is yet another fine example of his foresight and entrepreneurial energy. The Brick Super Novice Hockey Tournament is a small part of Bill's legacy and we are committed to furthering his vision by making this tournament better and better in the years to come.

Hockey players aged nine and ten will benefit from the experience they gained in a world class tournament, and also many charities are the beneficiaries from funds that have been generously donated as a result of this tournament. The tournament began because of Bill Comrie and flourishes because of our incredible sponsors.

We will always endeavor to keep Bill's vision of providing athletes, nine and ten years of age, the best possible opportunity to display their hockey skills amongst the top athletes in the world, while at the same time sharing a summer holiday with their relatives and hopefully, new found friends.

BOSTON ICEMEN

Founded in 1992, the Boston Icemen AAA Hockey Club has grown into one of the most well respected and competitive AAA hockey organizations in North America. This years "Brick Team" is made up of players who compete in the Eastern Hockey Federation, The Metropolitan Boston Hockey League, and the Massachusetts Tier I Select League. We are pleased to again represent the Boston Area and the time honored tradition of Massachusetts hockey excellence. The Icemen were founded for the sole purpose of providing elite players from across North America the opportunity to play with and against the best teams and organizations at their respective age levels. This is only made possible by the passion and dedication of our coaches, parents, and players. Without their timeless efforts, we would not have realized the success we have enjoyed over the past fourteen years. It is with sincere appreciation from the Boston Icemen family that we would like to thank all the people involved in making our program what it is today. Without their help, we wouldn't be able to present young players the opportunity to participate in the greatest game in the world while meeting and making friendships that will last a lifetime. Again, we at the Boston Icemen AAA Hockey Club would like to thank our supporters for making this possible. "It's a Great Day For Hockey" - Badger Bob Johnson, USA Hockey

MINNESOTA BLADES

The 1995 Minnesota Blades are proud to represent Minnesota in The Brick Hockey Tournament. We want to thank all of the volunteers and organizers that make The Brick Hockey Tournament one of the greatest tournaments in North America. This year's Brick team was selected from the best players in Minnesota and includes players from 12 different hockey communities. The 95 Blades got off to a great start in 2005 by going 5-0 and winning the Minnesota Meltdown Championship over teams from Minnesota, Wisconsin and Manitoba. We will be playing in the Toronto Prospects and at the '94 level in the Wisconsin Border Battle before entering The Brick Tournament. Good luck to all the 2005 Brick competitors.

THREE STAR AWARDS

The Three Star Awards are very popular among the players and each game will have these awards.

The criteria for selection of Three Star Awards are as follows:

- 1** Players who exhibit good sportsmanship.
- 2** Players who play well in both the offensive and defensive zones.
- 3** Players who contribute to the scoring with goals and assists.
- 4** Goalies should be recognized equally with the other players due to the uniqueness of their position, as well as their contributions to points 1, 2, and 3 above.

Sports celebrities, media celebrities and tournament sponsors will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

TOP SCORER

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

MOST VALUABLE PLAYER AWARD

The most valuable player for the tournament will be selected by the tournament committee based on the player's ability, scoring, sportsmanship and value to his team during the Round Robin play only. In the event that this player is also the top scorer for the tournament, the tournament committee shall declare their second choice as the Tournament M.V.P.

MONTREAL ICE STORM

This Montreal Ice Storm 95 Team was originally formed in 2003 by the founder and president Richard Rusk. He quickly transferred the team to who would become the Head Coach Matt Higgins and Assistant Coach and team Manager Rod Morrow. From that original team, there is still 4 team members who are still with the 2005 Brick team being Tyler Morrow, Tipper Higgins, Dylan McCrory, and Evan Fish. In that original season, the team won its first and only tournament in that season becoming the Quebec City 2003 Champions. It was just a start in what would become a fairytale season in 2004 having the club take 4 out of 6 possible championships and being a finalist in a fifth. This year's team will be the first team to represent Quebec in many years at the Brick. The Montreal Ice Storm started tryouts in January 2005. By April, the team was 66% complete as some of the top players in Quebec were also playing on other 95 teams. Our last 5 players joined us for the prestigious Ronald McDonald tournament in Toronto where 3 other Brick teams were to meet, and for the first time the Montreal Ice Storm team were to play as a team in its entirety. As 15 young men await anxiously to attend the famous Brick Tournament we can only think of what memories this trip will make. Not only will these young men from Quebec from both English and French backgrounds unite to represent Quebec, but they will bring back memories and stories that will last a lifetime. The parents and families are just as much grateful for this great opportunity and would like to thank everyone who made this trip possible, as well as the "Brick Tournament admin" for the invitation of a lifetime.

TORONTO BULLDOGS

The Toronto Bulldogs Hockey Club is very excited to send for the fifth year, another very talented group of 10 year olds from across Ontario to the Annual Brick Super Novice Tournament. After successfully winning back to back titles last year at the Brick Tournament, the boys and the coaching staff of this years 1995 team have dedicated themselves to working very hard to prepare to defend our title once again. These group of kids were very excited to win the OTTF Challenge, The Lakeshore Thunder and The Ronald McDonald AAA Toronto Tournaments, but these kids are quite aware that the Brick Tournament will be the most challenging for them and they must be prepared to face the excitement of competing against the best 10 year olds in North America. As last summer, this high level of competition will allow these young players to display their talents in a healthy and exciting atmosphere, which will improve their skills and confidence.

From the friendly staff, coaches, parents and players of our Club, we give special thanks to the Brick Tournament Staff for inviting The Toronto Bulldogs to participate in this great Hockey event. The Toronto Bulldogs Club wish good luck to all of you and remember every participant in this tournament is a winner!

TORONTO PRO HOCKEY

The Pro Hockey Development Brick Team truly represents the southwestern region of the province of Ontario with team members from Sarnia to Toronto and all points in between. This team was selected through an Invitational Summer Camp in 2004 as well as a Christmas Camp in December 2004 where the final team selections were made. As the members of this team have not played together prior to this spring season, these skilled young players are enjoying a spring season where the establishment of strong friendships and cohesive team-building have been the focus. The team has participated in the Prospects tournament – Finalists, OTTF tournament – Semi-finalists, Montreal Mission Cup – Champions. The team is scheduled to participate in Ronald McDonald Tournament and Collingwood Tournament prior to completing its spring season at the Brick tournament during the first week of July.

The players, their parents and the coaches are truly honored to represent the province of Ontario in The Brick Tournament and would like to thank The Brick for hosting perhaps the most impressive minor hockey tournament of its kind.

TIE-BREAKING PROCEDURES

A TIE-BREAKING - ROUND ROBIN PLAY

- ◆ In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:
 - a) most points in Round Robin play.
 - b) in case of a tie, the team having won the game between each other will advance.
 - c) if still tied, the team with the best +/- (goals for - goals against).
 - d) if still tied, the team with the fewest goals against will advance.
 - e) if still tied, the team with the most goals will advance.
 - f) if still tied, the team with the fewest minutes in penalties will advance.
 - g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

NOTE: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie, then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B TIE-BREAKING - PLAY-OFF ROUND (SEMI-FINAL & FINAL)

- ◆ In the event of a tie after the end of regulation play, the teams will change ends and play one ten-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
- ◆ In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.
- ◆ In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.
- ◆ In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.
- ◆ In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.
- ◆ If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty shot until the complete team roster has been used.
