Message from His Worship Mayor Stephen Mandel

On behalf of City Council and the citizens of Edmonton, Alberta's Capital City, I am pleased to welcome everyone to The Brick's Super Novice Hockey Tournament.

This exciting tournament features some of North America's most talented young hockey teams. All the teams participating in this event have earned a place at this tournament through hard work and sportsmanship, and I congratulate you all. Each of you has the skill and determination of a true champion.

It takes a community to support these young athletes. Parents, volunteers and officials play an integral role in the success of this event. Congratulations to everyone involved for putting on a great tournament and promoting the friendly spirit of the game.

Best wishes to all for a successful tournament and a great stay in Edmonton.

Yours truly,

Stephen Mandel
Mayor

THE PREMIER OF ALBERTA

Message from Honourable Ralph Klein Premier of Alberta

On behalf of the Province of Alberta, I am delighted to welcome everyone attending The Brick's Super Novice Hockey Tournament.

Alberta's capital city enjoys a rich history of sporting excellence. The Edmonton Oilers' Stanley Cup playoff success and the continuing excellence of The Brick's Super Novice Hockey Tournament brings Edmonton alive with the spirit of competition.

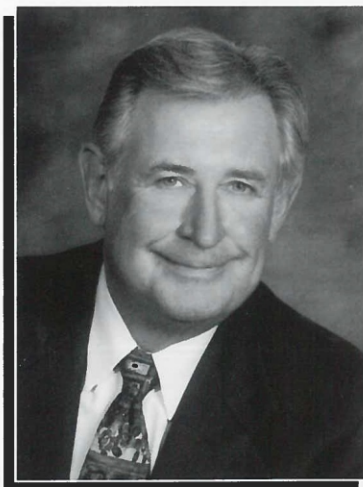

For 17 years, this tournament has been a much anticipated event on the summer calendar. It brings together thousands of participants and spectators from across Canada and the United States to celebrate the sport of hockey. It also provides our youth with an opportunity to participate in an event which promotes true sportsmanship, while teaching life skills and an understanding of what it means to be part of a team.

During a break in the hockey action, take a moment to express your appreciation to the people responsible for organizing this event. I would like to extend a special thanks to The Brick and the many volunteers for their hard work and commitment in making this tournament a tremendous success.

In the spirit of good sportsmanship and competition, best wishes to everyone participating in this exciting tournament!

Ralph Klein

July 5 - 9, 2006

HOW IT ALL STARTED...

In January of 1990, Bill Comrie met with a few of his executives at The Brick Warehouse Corporation and discussed a hockey tournament concept that would be both unique and beneficial to many people for years to come. Bill's vision was a hockey tournament for players nine and ten years of age that would be international in scope and personal in presentation. He recognized that this age category did not have national presence similar to the Québec Pee-Wee Tournament or the Max Midget Tournament.

"What if we held a summer tournament for this age group at West Edmonton Mall that would combine excellent hockey and a summer holiday for traveling teams?" With this concept in mind, a group of volunteers from The Brick Warehouse set out to organize teams, sponsorships, ice time, and expand upon Bill's idea to develop a new standard in hockey tournaments. The Brick Super Novice Invitational hockey tournament is recognized as Canada's foremost hockey tournament and its impact can be appreciated by all those who have attended.

Bill Comrie, although still a shareholder of The Brick Group Income Fund, is no longer involved in day to day operations. For those of us who have had the pleasure of working with Bill, this is yet another fine example of his foresight and entrepreneurial energy. The Brick Super Novice Hockey Tournament is a small part of Bill's legacy and we are committed to furthering his vision by making this tournament better and better in the years to come.

Hockey players aged nine and ten will benefit from the experience they gained in a world class tournament, and also many charities are the beneficiaries from funds that have been generously donated as a result of this tournament. The tournament began because of Bill Comrie and flourishes because of our incredible sponsors.

We will always endeavor to keep Bill's vision of providing athletes, nine and ten years of age, the best possible opportunity to display their hockey skills amongst the top athletes in the world, while at the same time sharing a summer holiday with their relatives and hopefully, new found friends.

ALBERTA TEAM BRICK

Over the Christmas break a one day camp was held in Calgary for the southern players and a three day camp in Edmonton for the northern players. Between the two camps approximately 60 players attended and 30 were invited to the next step in the process. The next step took place in central Alberta at Bowden. Two teams of 15 players were made up and players attended three skates that were structured as games. From the games the current team of eighteen players was selected. The team attended two skates in Red Deer Alberta for April and now alternates its skates between Calgary and Edmonton. The team has twelve players from Northern Alberta and six players from the south. "TEAM Brick 96"

MONTREAL ICE STORM

The Montreal Ice Storm is extremely proud to have the honour and privilege to be invited to the Brick Tournament and to represent Quebec in this very prestigious hockey event. The 96 team comes to the 2006 tournament to compete, to have fun, and to be good ambassadors of Quebec hockey. The 96 Montreal Ice Storm team was originally formed in the fall of 2002 when the boys were barely capable of skating straight, but Ice Storm Founder and President Richard J. Rusk knew he had found some very talented hockey players nonetheless. The core of this team has been together since: Captain Nathan Medeiros is joined by Daniel Sprong, who moved to Montreal from Amsterdam with his family in 2004, Ethan Bassile, Vimal Sukumaran, Gianni Paolo, and Beau Rusk as the veteran members of the team. Also on the team are forward Nick Marois from Blainville in his 1st full season the Ice Storm, goalie Antoine Dagenais from Rimouski, forward Samuel Blais from Montmagny and defenseman Alex Sanfaçon from Quebec City. At press time, a couple of roster spots remain open for the Edmonton bound team and coach Rusk will announce his final roster by the end of May. Among their many achievements of the past few years, Coach Rusk is particularly proud of the "Triple Crown" which the team earned in 2005. They were Champions at the OTTF Spring Classic in Toronto, the Mission Cup tournament in Montreal, and the Ronald McDonald tournament in Toronto. "We have a lot of talent on this team, but more importantly a lot of character. They play hard and compete in every game to the very end, and they should be a worthy opponent for the many great teams that will get together in Edmonton", said Coach Rusk. On behalf of the players, coaches and parents, we say "bonjour et bon match à tous", and let the tournament begin!

TIE-BREAKING PROCEDURES

A TIE-BREAKING - ROUND ROBIN PLAY

- ◆ In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:
 - a) most points in Round Robin play.
 - b) in case of a tie, the team having won the game between each other will advance.
 - c) if still tied, the team with the best +/- (goals for - goals against).
 - d) if still tied, the team with the fewest goals against will advance.
 - e) if still tied, the team with the most goals will advance.
 - f) if still tied, the team with the fewest minutes in penalties will advance.
 - g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

NOTE: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie, then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B TIE-BREAKING - PLAY-OFF ROUND (SEMI-FINAL & FINAL)

- ◆ In the event of a tie after the end of regulation play, the teams will change ends and play one ten-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
- ◆ In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.
- ◆ In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.
- ◆ In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.
- ◆ In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.
- ◆ If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty shot until the complete team roster has been used.
