World Class Investment Advice

HSBC 
HSBC Securities

HOW IT ALL STARTED...

In January of 1990, Bill Comrie met with a few of his executives at The Brick Warehouse Corporation and discussed a hockey tournament concept that would be both unique and beneficial to many people for years to come. Bill's vision was a hockey tournament for players nine and ten years of age that would be international in scope and personal in presentation. He recognized that this age category did not have national presence similar to the Québec Pee-Wee Tournament or the Max Midget Tournament.

"What if we held a summer tournament for this age group at West Edmonton Mall that would combine excellent hockey and a summer holiday for traveling teams?" With this concept in mind, a group of volunteers from The Brick Warehouse set out to organize teams, sponsorships, ice time, and expand upon Bill's idea to develop a new standard in hockey tournaments. The Brick Super Novice Invitational hockey tournament is recognized as Canada's foremost hockey tournament and its impact can be appreciated by all those who have attended.

Bill Comrie, although still a shareholder of The Brick Group Income Fund, is no longer involved in day to day operations. For those of us who have had the pleasure of working with Bill, this is yet another fine example of his foresight and entrepreneurial energy. The Brick Super Novice Hockey Tournament is a small part of Bill's legacy and we are committed to furthering his vision by making this tournament better and better in the years to come.

Hockey players aged nine and ten will benefit from the experience they gained in a world class tournament, and also many charities are the beneficiaries from funds that have been generously donated as a result of this tournament. The tournament began because of Bill Comrie and flourishes because of our incredible sponsors.

We will always endeavor to keep Bill's vision of providing athletes, nine and ten years of age, the best possible opportunity to display their hockey skills amongst the top athletes in the world, while at the same time sharing a summer holiday with their relatives and hopefully, new found friends.

From all of the volunteers and the Hockey Committee, including Andy Wigston, Debbie Heim, Trevor McGrandle, Russell Loga and Gene Loga, we wish you the very best of success in this World Class Hockey Tournament.

Craig R. Styles, *Tournament Chairman*

TIE-BREAKING PROCEDURES

A TIE-BREAKING - ROUND ROBIN PLAY

- In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:
 - a) most points in Round Robin play.
 - b) in case of a tie, the team having won the game between each other will advance.
 - c) if still tied, the team with the best +/- (goals for - goals against).
 - d) if still tied, the team with the fewest goals against will advance.
 - e) if still tied, the team with the most goals will advance.
 - f) if still tied, the team with the fewest minutes in penalties will advance.
 - g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

NOTE: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie, then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B TIE-BREAKING - PLAY-OFF ROUND (SEMI-FINAL & FINAL)

- In the event of a tie after the end of regulation play, the ice will be cleaned, the teams will change ends, and play one ten-minute sudden death overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
- In the event of a tie after the end of the sudden-death overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden death overtime.
- In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden death overtime period.
- In the event of a tie after this two minute sudden death overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-death overtime period.
- In the event of a tie after the end of this two minute sudden-death overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.
- If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player will come around a second time for a penalty shot until the complete team roster has been used.

In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.
