HOW IT ALL STARTED...

In January of 1990, Bill Comrie met with a few of his executives at The Brick Warehouse Corporation and discussed a hockey tournament concept that would be both unique and beneficial to many people for years to come. Bill's vision was a hockey tournament for players nine and ten years of age that would be international in scope and personal in presentation. He recognized that this age category did not have national presence similar to the Québec Pee-Wee Tournament or the Max Midget Tournament.

"What if we held a summer tournament for this age group at West Edmonton Mall that would combine excellent hockey and a summer holiday for traveling teams?" With this concept in mind, a group of volunteers from The Brick Warehouse set out to organize teams, sponsorships, ice time, and expand upon Bill's idea to develop a new standard in hockey tournaments. The Brick Super Novice Invitational hockey tournament is recognized as Canada's foremost hockey tournament and its impact can be appreciated by all those who have attended.

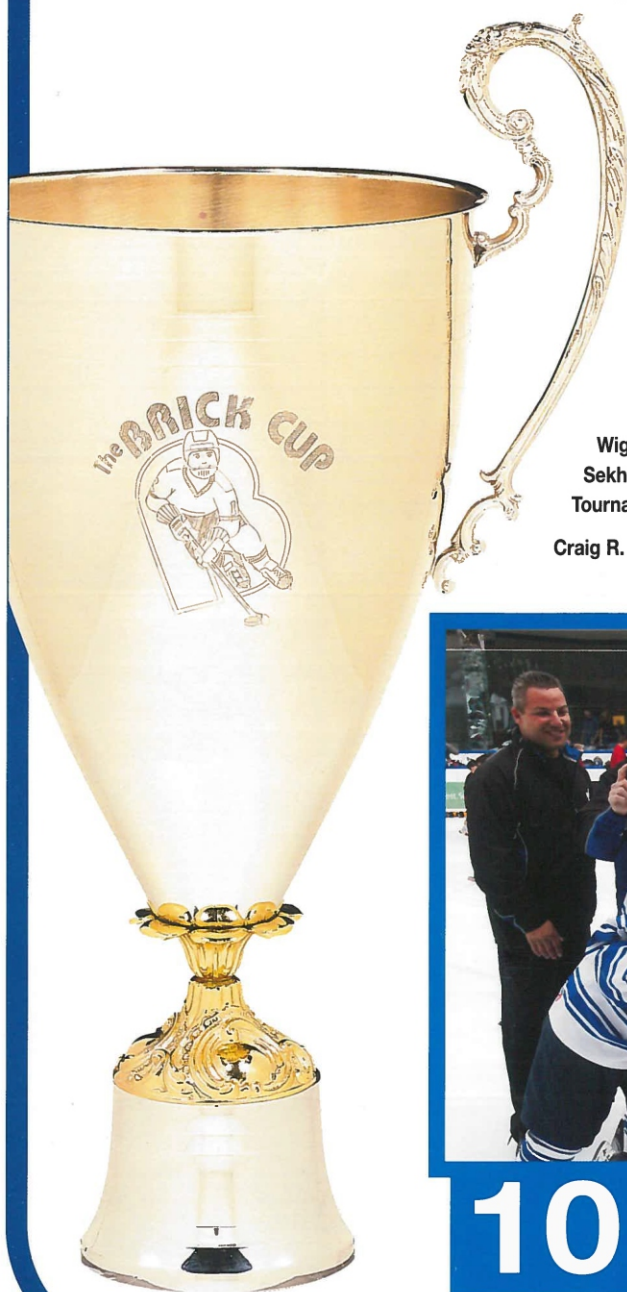

Bill Comrie, although still a shareholder of The Brick Ltd., is no longer involved in day to day operations. For those of us who have had the pleasure of working with Bill, this is yet another fine example of his foresight and entrepreneurial energy. The Brick Super Novice Hockey Tournament is a small part of Bill's legacy and we are committed to furthering his vision by making this tournament better and better in the years to come.

Hockey players aged nine and ten will benefit from the experience they gained in a world class tournament, and also many charities are the beneficiaries from funds that have been generously donated as a result of this tournament. The tournament began because of Bill Comrie and flourishes because of our incredible sponsors.

We will always endeavor to keep Bill's vision of providing athletes, nine and ten years of age, the best possible opportunity to display their hockey skills amongst the top athletes in the world, while at the same time sharing a summer holiday with their relatives and hopefully, new found friends.

From all of the volunteers and the Hockey Committee, including Andy Wigston, Debbie Heim, Trevor McGrandle, Russell Loga, Gene Loga and Sonny Sekhon, we wish you the very best of success in this World Class Hockey Tournament.

Craig R. Styles, *Tournament Chairman*

TIE-BREAKING PROCEDURES

A TIE-BREAKING - ROUND ROBIN PLAY

- In the event of a tie after completion of Round Robin play, the team(s) that will be declared the Division Winner(s) and advance to the playoffs shall be determined as follows:
 - a) most points in Round Robin play.
 - b) in case of a tie, the team having won the game between each other will advance.
 - c) if still tied, the team with the best +/- (goals for - goals against).
 - d) if still tied, the team with the fewest goals against will advance.
 - e) if still tied, the team with the most goals will advance.
 - f) if still tied, the team with the fewest minutes in penalties will advance.
 - g) if still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

NOTE: in any of the above possibilities, if the tie is a 3, 4, or 5 way tie, then once one team has been selected, all other teams will then go through the same tests once more to determine the second team to advance.

B TIE-BREAKING - PLAY-OFF ROUND (SEMI-FINAL & FINAL)

- In the event of a tie after the end of regulation play, the ice will be resurfaced, and play one ten-minute sudden-victory overtime period. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
- In the event of a tie after the end of the sudden-victory overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden-victory overtime.
- In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden-victory overtime period.
- In the event of a tie after this two minute sudden-victory overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-victory overtime period.
- In the event of a tie after the end of this two minute sudden-victory overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot-off, the team with the most goals wins.
- If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player shall come around a second time for a penalty shot until the complete team roster excluding goal tenders has been used.

The B's won their first tournament together, the Minuteman Flames Spring Classic, in early April. Coach Maniscalco is currently coaching at Avon Old Farms Prep School and has coached over 100 players who have advanced to play at the collegiate level and over 20 professional players. The players come from some of the top AAA Youth-Hockey organizations on the East Coast including the Mid Fairfield Blues, New Jersey Colonials, Westchester Express, Long Island Royals and Long Island Gulls. DETROIT LITTLE CAESARS RED WINGS

Little Caesars, the parent organization of the Detroit Red Wings, has supported AAA hockey since 1968, the year the Little Caesars AAA Hockey Club was founded. This organization remains one of the most respected and competitive amateur hockey organizations in North America. Currently, 29 Little Caesars AAA alumni are playing, or have played, in the National Hockey League. Hundreds of others have established collegiate and/or pro hockey careers. It is from this foundation that this year's Detroit Red Wings Brick Team is built. Our team is mainly composed of players from southeastern Michigan. Many of these players were part of the 2001 Little Caesars team that was the #1 ranked Squirt (Atom) Minor team in the U.S. during the 2010-2011 season. Since forming, the 2011 Detroit Red Wings Brick Team has competed in the Toronto Ronald McDonald tournament (semi-finalists) and played in numerous scrimmages vs. 2000 Peeewe Minor Teams in Michigan. Our players, coaches and parents wish everyone in this year's Brick Tournament the best of luck. We thank the organizers, sponsors and volunteers for their help in making this such a prestigious event.

TORONTO PRO HOCKEY

The selection process for this team began last year with a one week camp in Toronto in August and a final selection camp in December. When these kids first took the ice as a team, there was a sort of magic in the air that you could feel; the first practices were intense - as were the kids. Since that time the boys have grown as a team and as friends working hard at practices and tournaments preparing for the Brick Invitational, using each tournament and scrimmage before it as a chance to become better players, teammates and friends. All of us go through life setting goals and dreams but there are very few of us who accomplish either, what these boys have accomplished at just 10 years old, makes them winners already!

The players, parents and the coaches are honoured to represent British Columbia in The Brick Tournament and would like to thank The Brick for its great support, as well as the many volunteers, for their commitment to making this an experience to be remembered. Kyle would like to thank everyone who has helped him get to this point. Mom, Dad his sister Taylor, grandparents, teammates, volunteers and especially the coaches as without these people there would be no hockey. Away from the rink Kyle enjoys baseball, dirt biking, fishing and camping at the lake. His favorite NHL team is Pittsburgh Penguins and his favorite players are Alexander Ovechkin and Sydney Crosby.
