# HOW IT ALL STARTED...

In January of 1990, Bill Comrie met with a few of his executives at The Brick Warehouse Corporation and discussed a hockey tournament concept that would be both unique and beneficial to many people for years to come. Bill's vision was a hockey tournament for players nine and ten years of age that would be international in scope and personal in presentation. He recognized that this age category did not have national presence similar to the Québec Pee-Wee Tournament or the Macs Midget Tournament.

"What if we held a summer tournament for this age group at West Edmonton Mall that would combine excellent hockey and a summer holiday for traveling teams?" With this concept in mind, a group of volunteers from The Brick Warehouse set out to organize teams, sponsorships, ice time, and expand upon Bill's idea to develop a new standard in hockey tournaments. The Brick Super Novice Invitational hockey tournament is recognized as Canada's foremost hockey tournament and its impact can be appreciated by all those who have attended.

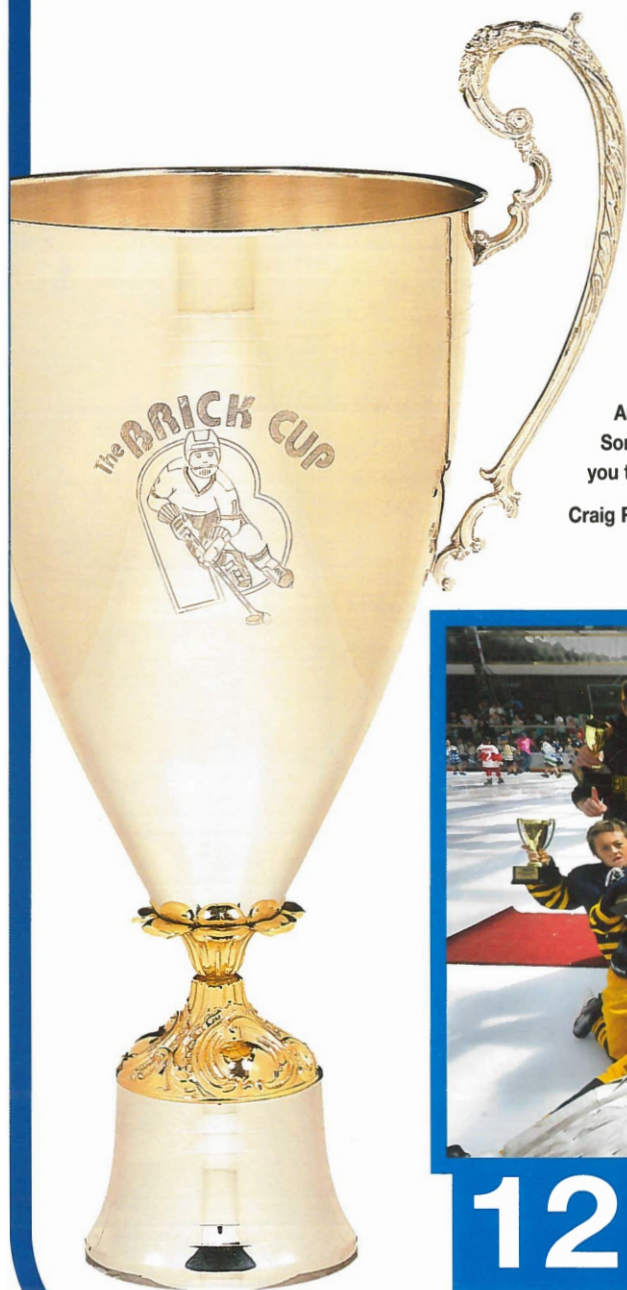

For those of us who have had the pleasure of working with Bill, this is yet another fine example of his foresight and entrepreneurial energy. The Brick Super Novice Hockey Tournament is a small part of Bill's legacy and we are committed to furthering his vision by making this tournament better and better in the years to come.

Hockey players aged nine and ten will benefit from the experience they gained in a world class tournament, and also many charities are the beneficiaries from funds that have been generously donated as a result of this tournament. The tournament began because of Bill Comrie and flourishes because of our incredible sponsors and volunteers.

We will always endeavor to keep Bill's vision of providing athletes, nine and ten years of age, the best possible opportunity to display their hockey skills amongst the top athletes in the world, while at the same time sharing a summer holiday with their relatives and hopefully, new found friends.

From all of the volunteers and the Hockey Committee, including Andy Wigston, Debbie Heim, Trevor McGrandle, Russell Loga, Gene Loga, Sonny Sekhon, Tracy Jansen, Dave Galeschuk and Dion Dragich, we wish you the very best of success in this World Class Hockey Tournament.

Craig R. Styles, *Tournament Chairman*

## TEAM PENNSYLVANIA

TEAM PENNSYLVANIA was selected in late May 2013. The roster is primarily comprised of players from Pennsylvania who participated in the Pittsburgh Penguins Selects and Philadelphia Flyers Selects spring teams. Throughout the winter and spring, both teams conducted practices and participated in Pre-Brick tournaments. The final roster, which also includes three import players from Nova Scotia, was determined at a selection camp in Pittsburgh. Team Pennsylvania-2003 went on to compete in the Ronald McDonald Tournament in Toronto, and a training camp weekend in Philadelphia prior to traveling to Edmonton for the Brick Invitational Tournament. We would like to thank our sponsors- the Pittsburgh Penguins, the Philadelphia Flyers and GNC - for providing us with this unique opportunity, and wish all of the teams competing in this year's tournament the best of luck!

## THREE STAR AWARDS

The Three Star Awards are very popular among the players and each game will have these awards. The criteria for selection of Three Star Awards are as follows:

- 1** Players who play well in both the offensive and defensive zones.
- 2** Players who contribute to the scoring with goals and assists.
- 3** Players who exhibit good sportsmanship.
- 4** Goalies should be recognized equally with the other players due to the uniqueness of their position, as well as their contributions to points 1, 2, and 3 above.

Sports celebrities, media celebrities and tournament sponsors will select the Three Stars from each game and present the trophies at centre ice at the completion of the game.

## TOP SCORER

The tournament top scorer award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win. If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

## MOST VALUABLE PLAYER AWARD

The most valuable player for the tournament will be selected by the tournament committee based on the player's ability, scoring, sportsmanship and value to his team during the Round Robin play only. The top scorer is not eligible for the tournament M.V.P.
