The Brick Invitational  
Hockey Tournament  
wishes to graciously thank  
these proud sponsors.

**WELCOME TO THE 2014 BRICK INVITATIONAL.** This year is a milestone for all of the volunteers, sponsors, coaches, players and parents that have attended our event at the unique West Edmonton Mall venue over the past 25 years.

If there was ever a truth to the saying that *"time flies"* this Tournament is living proof of that. Many of us have seen our little babies grow into adults during the time this amazing summer event has taken place. As volunteers, we thank our families for the support they have given us while we organize and plan each year for The Brick tournament.

It really has been an honor to be part of an event that has achieved the attention of people worldwide.

Over the past 25 years we have had the opportunity to meet countless wonderful people when they visited us in Edmonton. Many of us have made life long friendships with many of these people.

Looking back to our beginning in 1990 there are so many people to acknowledge for their contribution to the success of the Brick Invitational. However, without Bill Comrie, The Brick, the Ghermezian Family and Andy Wigston we could not have possibly achieved all that we have stood for over these 25 years. Thank you to them and all of you for your support.

Since 1990 we have witnessed some of the best hockey players in the world embark upon their future professional careers. We have also seen hundreds and hundreds of players play in the Canadian Hockey League, Canadian and American Colleges and Universities and become outstanding citizens and contributors to our society. One can only imagine how skilled and talented the players that will skate here in the future will be.

On behalf of our entire committee I thank everyone for their support as volunteers, sponsors, players and coaches. We have an outstanding group of volunteers ready, willing and able to keep this summer tradition going for another 25 years.

Your unwavering support is greatly appreciated as we all work towards continuing the outstanding tradition the Brick tournament has and always will be.

Kindest Regards,  
Craig Styles—Tournament Chairman

### JORDAN GUSTAFSON #7

Jordan was born January 20, 2004 in Edmonton, Alberta and was walking around the living room on skates before his first birthday. In the fall of 2006 his older brother Blake started playing hockey. That was a difficult year for Jordan and his family. He would watch each weekend and constantly say "I want to play hockey". This sentence was repeated dozens of times each game and Jordan was awarded several time outs when he wouldn't stop. By Christmas of that year, no matter the weather Grandpa was taking Jordan out on the outdoor ice daily and running drills until their nap time. Thankfully the Strathcona Minor Hockey Association allowed him to play the following season at the age of three. Since then Jordan's passion for the game has never wavered. He

keeps pucks in his desk at school and by his bed. While he enjoys skiing and swimming with his family, hockey remains his focus. He is thankful to coaches Steve, Travis, Sean and Dan as well as coach Gibson and Ron Hemmerling. Older brother Blake has fueled the fire and remains difficult to get around on the ODR. Mom, Dad, sister Megan, Granny and Grandma of course Grandpa all form his cheering section. Mostly Jordan enjoys his teammates and is very eager to fulfill his dream of playing for Team Brick Alberta.

### BEN HEMMERLING #9

Hi my name is Ben Hemmerling. I am 10 years old and I have been playing hockey for 6 years. I played Atom Tier 1 last year with the Strathcona Warriors. I can play center, wing and defense but I prefer center. The best part of hockey is going on tournaments and playing with my teammates. I am excited to be a part of The Brick experience as not many kids get this opportunity. I also enjoy playing baseball, football and golf. In the summer months we have a lake lot and I like to wakeboard, waterski,

tube and surf. I have an older brother named Jett who also plays hockey. I appreciate all the coaches that have helped me and my parents for all the time and effort it takes for me to play. Hockey is the best sport in the World!

### ERIC MARTIN #19

Growing up around five older hockey playing cousins, three of which played for Team Brick Alberta in the tournament over the years, there was never an issue about "if" he was going to play hockey it was "when". His main goal and focus was to make Team Brick Alberta. When Fuzz isn't at the rink, he enjoys time at the lake, fishing, wake boarding and golfing. Fuzz is thankful for the countless hours his family has dedicated to his

hockey life. He would especially like to thank all of the coaches at Serdachny Powerskating and Hockey that have supported, helped and pushed him to develop his game the past 5 years. ### CALE ASHCROFT #11

Cale was born August 5, 2004 in St. Albert Alberta. Cale loved all kinds of sports as a young boy and started playing organized hockey at age 5. He was not impressed with how hard it was to learn how to skate! He didn't give up though, and caught the hockey bug while playing pond hockey with older kids on his grandparent's lake in Calgary. He was quite a force in full hockey gear and his Timbits jersey! After that week of pond hockey Cale was determined to work hard, learn the game, and play his best so he could dangle and snipe like the big boys. Last season Cale played Atom AA with the St. Albert Lightning; his season highlights include earning MVP in the championship game at the Family Day Classic at West Edmonton Mall, winning Quickcard Minor Hockey Week, and winning Atom AA Provincials. Cale's favourite player (and whose game he tries to emulate) is Drew Doughty for his grit, smart defensive

play and offensive skills. Cale is also passionate about golf and spends most of his summer vacation in Kelowna at the course "smokin the ball". He also enjoys soccer, basketball and watersports. Since learning about Team Brick Alberta 3 years ago, Cale has never wavered in his drive and desire to "make the cut", and has worked very hard to achieve his goal. Cale is very honoured to be apart of Team Brick and would like to thank all his coaches, mentors and teammates who have helped him become the player he is today. Little Caesars the parent organization of the Detroit Red Wings, has supported AAA hockey since 1968, the year the LC AAA program was founded. The organization remains one of the most respected and competitive amateur hockey organizations in North America. Currently, over 50 Little Caesars AAA alumni are playing, or have played, in the NHL. Hundreds of others have established collegiate and/or pro hockey careers. It is from this foundation that this year's Detroit Red Wings Brick team is built. The 2014 team is mainly composed of players from Southeastern Michigan but we have welcomed two imports one from Chicago and one from Florida and we are coached by a non-parent staff. Since coming together as a team in early April the team has

participated in 3 tournaments in Toronto and have been working hard in preparation including a training camp in Detroit just before heading to Edmonton for this prestigious event. We would like to thank our sponsor Little Caesars Sports for providing us this unique opportunity.
