WELCOME TO THE 2024 EDITION OF THE BRICK INVITATIONAL

Since January of 1990 when Bill Comrie met with executives at the Brick Warehouse Corporation, we have taken to West Edmonton Mall to showcase the best hockey talent aged 9 to 10 in North America. The concept of a summer tournament for this age group was truly unique, and our goal was to create an event that would set the standard for hockey tournaments around the world.

We always strive to uphold Bill's vision of providing young athletes the best possible opportunity to display their skills amongst the top athletes in the world. We are overjoyed that these athletes are also able to share a summer holiday with their loved ones and that they can meet new friends from cities across North America. Several Hockey Committee members have seen our children grow into adults over the years that this tournament has taken place, and we look forward to more families joining this incredible event to make lasting memories year after year.

As volunteers, we thank our families for the support they have given us while we organize The Brick Invitational each year. Since 1990, our team has witnessed some of the best hockey players embark upon their future professional careers. We have seen hundreds of players go on to play in the Canadian Hockey League, for Canadian and American Colleges and Universities and also become outstanding citizens in their communities.

On behalf of our entire committee, including Andy Wigston, Trevor McGrandle, Russell Loga, Lauren Styles, Sonny Sekhon, Ken Thrasher, Zach Turner and Dion Dragich, we thank everyone for their support as volunteers, sponsors, players and coaches.

We have an outstanding group of volunteers ready to treat you to an experience of a lifetime. Enjoy everything this tournament has to offer and support these amazing athletes as they meet one of their biggest hockey challenges to date, The Brick Cup.

Kindest regards,
Craig Styles, Tournament Chairman

HOW IT ALL STARTED

TEAM BRICK ALBERTA

The 2024 edition of Team Brick Alberta is comprised of 18 exceptional 2014 birth year Athletes from all over Alberta. Their journey to get to this point started in January at West Edmonton Mall in Edmonton, Alberta where the top 120 prospects competed in an evaluation camp. The staff then compiled a list of the top 50 players for our final combine evaluation at West Edmonton Mall in March. After deep deliberation in the war room the staff identified the top 18 players to be part of Team Brick Alberta. The combine consisted of small area games, team practices skill practices, positional practices, team building and games. The combine gave the staff the ability to evaluate the players in all environments that we feel are conducive to build a successful team. That brings us to this exceptional group of athletes you see today that were successful through the process. Our team motto is Row the Boat (One Goal One Direction). We wish all the teams good luck in the 2024 Brick Invitational. Our 18 rostered players come from 14 different towns/cities throughout Alberta.

The Brick Invitational Hockey Tournament prides itself in providing one of the most respected tournaments in the world and to do so, we hold ourselves to high standards of conduct and professional behaviour.

These standards of behaviour are the cornerstone for a respectful and inclusive environment that we believe can support all athletes in becoming the best they can be. It is our expectation that our committee members, officials, volunteers and vendors demonstrate these positive behaviours every day and we ask the same of our players, parents and team management.

Failure to adhere to the Tournament's Code of Conduct may result in the expulsion of players from the current year's tournament and may further include a formal team review prior to acceptance into the following years' tournament.

- A. Most head-to-head points among the tied teams shall determine which teams qualify for the playoff round;
- B. If still tied, the team with the higher goal differential (goals for minus goals against) will qualify for the playoff round;
- C. If still tied, the team with the higher goals for during full round robin play will qualify for the playoff round;
- D. If still tied, the team with the fewest penalty minutes during full round robin play will qualify for the playoff round;
- E. If still tied, then a single flip of a coin by the tournament director will determine which team will qualify for the playoff round.

2. The Final game will consist of three (3) fifteen minute stop time periods. Overtime will be played in the event of a tie. For the final game the home team will be determined by a coin toss by the Tournament Chairman.
3. In the event of a tie after the end of regulation play, one ten-minute sudden-victory overtime period will be played. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
4. In the event of a tie after the end of the sudden-victory overtime period, one player, not the goalkeeper, will be removed from each team and each team will play with five players for two minutes sudden-victory overtime.
5. In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden-victory overtime period.
6. In the event of a tie after this two minute sudden-victory overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-victory overtime period.
7. In the event of a tie after the end of this two minute sudden-victory overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot out, the team with the most goals wins.
