2024 CHAMPIONS DETROIT JR. RED WINGS

WELCOME TO THE 2025 EDITION OF THE BRICK INVITATIONAL

Since March of 1990 when Bill Comrie met with executives at the Brick Warehouse Corporation, we have taken to West Edmonton Mall to showcase the best hockey talent aged 9 to 10 in North America. The concept of a summer tournament for this age group was truly unique, and our goal was to create an event that would set the standard for hockey tournaments around the world.

We always strive to uphold Bill's vision of providing young athletes the best possible opportunity to display their skills amongst the top athletes in the world. We are overjoyed that these athletes are also able to share a summer holiday with their loved ones and that they can meet new friends from cities across North America. Several Hockey Committee members have seen our children grow into adults over the years that this tournament has taken place, and we look forward to more families joining this incredible event to make lasting memories year after year.

As volunteers, we thank our families for the support they have given us while we organize The Brick Invitational each year. Since 1990, our team has witnessed some of the best hockey players embark upon their future professional careers. We have seen hundreds of players go on to play in the NHL, PWHL Canadian Hockey League, for Canadian and American Colleges and Universities and also become outstanding citizens in their communities.

On behalf of our entire committee, including Andy Wigston, Trevor McGrandle, Russell Loga, Lauren Styles, Sonny Sekhon, Ken Thrasher, Zach Turner and Dion Dragich, we thank everyone for their support as volunteers, sponsors, players and coaches.

We have an outstanding group of volunteers ready to treat you to an experience of a lifetime. Enjoy everything this tournament has to offer and support these amazing athletes as they meet one of their biggest hockey challenges to date, The Brick Cup.

Kindest regards,

Craig Styles, Tournament Chairman

The Manitoba Jr Ice (Team Manitoba) are thrilled to be returning to the prestigious Brick Invitational Hockey Tournament in 2025! This incredible opportunity represents the culmination of many months of hard work, dedication, and a shared dream for this special group of young athletes born in 2015.

This year's team proudly represents communities from all across Manitoba, including Winnipeg, Brandon, Winkler, Stonewall, Pilot Mound, Dauphin, West St. Paul, Oakbank/Springfield, Zhoda, Headingley, and St. Andrews—along with Temiskaming Shores and Brantford, Ontario. These talented players have earned the privilege of wearing the MJJ jersey and competing against some of the best young talent in North America.

Our journey began in September 2024, and what followed was a remarkable display of effort and commitment, not only from the players but also from their families. We extend our sincere gratitude to the parents for your unwavering support throughout this journey. Your time, travel, and belief in this team have been invaluable.

A heartfelt thank you also goes to our dedicated coaching staff, led by Head Coach Troy Slater and Assistant Coach Curtis Menzul. We are also proud to have mentoring coaches Nick Edbom and Maddox Slater, a 2010 MJJ alumnus, on our team. Your leadership and guidance have been instrumental in preparing our players for this special moment.

We would also like to express our sincere appreciation to the entire Brick Tournament Organizing Committee for making this fantastic event possible—especially Craig and Andy, whose dedication continues to set a high standard for youth hockey experiences worldwide.

We also want to acknowledge and thank all the participating organizations, coaches, and volunteers from across North America who play a crucial role in creating an unforgettable experience for these young athletes. Your passion and commitment help make the Brick more than just a tournament—it creates lifelong memories. We wish all the teams the best of luck in this year's competition!

To our players—take a moment to truly appreciate this experience. The friendships you make, the level of competition, and the memories you create here will stay with you forever. Enjoy every second, and know that all of Manitoba is cheering you on.

The Saskatchewan Junior Pats are proud to represent Saskatchewan at the Brick Invitational. This year's team is looking to build on a strong showing last year. This year's team is the result of a two year process with our Pre-Brick program for the 2016s which started in the summer of 2023. There are 10 players from that original group that made their way to the final roster of this year's team. We would like to thank the Brick organization for the efforts they put in to making this the premier event for this age group and an event that these players will remember for the rest of their lives.

The 2025 edition of Team Brick Alberta features 17 exceptional athletes born in 2015, representing communities from across Alberta—and beyond. These young players have earned their place through hard work, resilience, and determination.

Their journey began in January at West Edmonton Mall, where the top 216 prospects were invited to our evaluation camp. Following that, the coaching staff selected 55 standout players to attend the final combine in April, also held in Edmonton. After comprehensive on- and off-ice assessments, including small area games, skill and positional practices, team practices, and team-building exercises, our staff engaged in extensive deliberations in the war room to finalize this elite group of 17.

This process was designed to assess players in all environments critical to team success—skill, strategy, character, and cohesion.

Today, we are proud to present this exceptional group, who have excelled at every stage of the process. Our team mantra, “Brick by Brick – One Goal, One Direction,” reflects the unity, effort, and purpose behind everything we do.

We wish all teams the best of luck in the 2025 Brick Invitational Tournament.

Team Brick Alberta's 17 rostered players hail from 11 towns and cities across Alberta, along with two outstanding players from outside the province, showing the wide-reaching talent and dedication that fuels this team.

IN LOVING MEMORY OF DICK LATHAM

Dick was a friend, co-worker at the Brick and a huge part of the early success of The Brick Invitational. Dick preceded Trevor McGrandle as treasurer and looked after all of our statistics, game sheets, beach party tickets, etc. in our Tournament office in the lower level of the Ice Palace. He and his wife Maureen would pack up their kettle and tea pot and begin everyday at the Brick Invitational at 7:30 am and leave at 9:30 or 10 pm. Dick passed away this January at the age of 82 while swimming one of the 40 laps he did at a local pool on several days of the week. We will miss Dick's great smile and quick wit and are very grateful for all he did for others during his time at The Brick Invitational.

PLAYER AND SPECTATOR CODE OF CONDUCT

The Brick Invitational Hockey Tournament prides itself in providing one of the most respected tournaments in the world and to do so, we hold ourselves to high standards of conduct and professional behaviour.

These standards of behaviour are the cornerstone for a respectful and inclusive environment that we believe can support all athletes in becoming the best they can be. It is our expectation that our committee members, officials, volunteers and vendors demonstrate these positive behaviours every day and we ask the same of our players, parents and team management.

Failure to adhere to the Tournament's Code of Conduct may result in the expulsion of players from the current year's tournament and may further include a formal team review prior to acceptance into the following years' tournament.

Player Code of Conduct (with parental support):

- I will adhere to the rules of hockey, and the rules and policies set by The Brick Invitational Hockey Tournament.
- I will follow and display the principles of good sportsmanship.
- I will behave in a respectful manner towards my teammates, my coaches, opposing players, opposing coaches, team officials, referees, and all participants of the Tournament and West Edmonton Mall.

ROUND ROBIN TIE BREAKING PROCEDURE

In the event of a two-way tie after completion of Round Robin play, the advancing team(s) shall be determined as follows:

- A. The team having won the game between each other will qualify for the playoff round.

In the event of a 3, 4 or 5 way tie at the end of round robin play, apply the following steps until one team advances. Continue with the head-to-head process with any remaining teams until all advancing teams are selected.

- A. Most head-to-head points among the tied teams shall determine which teams qualify for the playoff round;
- B. If still tied, the team with the higher goal differential (goals for minus goals against) will qualify for the playoff round;
- C. If still tied, the team with the higher goals for during full round robin play will qualify for the playoff round;
- D. If still tied, the team with the fewest penalty minutes during full round robin play will qualify for the playoff round;
- E. If still tied, then a single flip of a coin by the Tournament Director will determine which team will qualify for the playoff round.

PLAYOFF FORMAT

1. All Quarter-Final and Semi-Final games will be the same format as the Round Robin games except in the case of a tie.
2. In the event of a tie after the end of regulation play, one ten-minute sudden-victory overtime period will be played. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
3. In the event of a tie after the end of the sudden-victory overtime period, one player, not the goalkeeper, will be removed from each team and each team will play with five players for two minutes sudden-victory overtime.
4. In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden-victory overtime period.
5. In the event of a tie after this two minute sudden-victory overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-victory overtime period.
6. In the event of a tie after the end of this two minute sudden-victory overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot out, the team with the most goals wins.
7. If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player shall come around a second time for a penalty shot until the complete team roster excluding goalkeeper has been used.
8. **The Brick Cup Final game will consist of three (3) fifteen minute stop time periods. Overtime will be played in the event of a tie. For the final game the home team will be determined by a coin toss by the Tournament Chairman. Overtime will be played in the event of a tie, using the same format as all Quarter Final and Semi Final games.**

BRICKLEY'S SHOWDOWN

The Brickley's Showdown will be played on Sunday at 8:30 am and between a team made up of players from Canadian teams versus a team made up of players from American teams. Teams that are playing in the final will not participate.

The game will be marketed as a Canada versus USA event, so fans are encouraged to represent their country during the game! There will be small country flags available for distribution, but additional respectful representation of your country is welcomed.

SELECTION

- Teams will provide the names of two forwards, one defenceman, one alternate player, and one coach to your Team Representative by 5 pm on Thursday.
- The Hockey Committee will select the three goalies for each of the two teams and will inform them during the Beach Party on Saturday.
- In the event of two teams from the same country ending up in the final, the Hockey Committee will select players from the alternates to complete the rosters.
- The event requires four coaches from each team to be on the bench. The selection process for the coaching staff will be:
 - o Team Representatives will solicit coaches for volunteers (up to one per team).
 - o Remaining coaches will be randomly drawn from teams without a volunteer. Those teams selected will be required to provide one coach.
 - o The remaining two teams must have a coach available (e.g. sitting in the VIP section) to support their players.

GAME FORMAT

- Game will consist of three 20-minute run-time periods, with a flood at each intermission.
- Teams will play four-on-four.
- Scorekeepers and timekeepers will be provided.
- There will be no statistics available online.
- There will be streaming video and play-by-play.
- On-ice white suit video production during breaks of play.
- Each goalie will play one period and non-playing goalies must sit in the penalty boxes.
- No time will be served for penalties and instead, any penalties will result in an automatic penalty shot. (Note: time clock stops for penalty shots).
- Round-Robin overtime format, if applicable.
- All coaches must remain of the bench for the entire game.
