HOW IT ALL STARTED

Welcome to The 2016 edition of the Brick Invitational...

Ever since January of 1990 when Bill Comrie met with a few of his executives at the Brick Warehouse Corporation, we have been at West Edmonton Mall, showcasing the best hockey talent in North America for hockey players aged nine and ten. The concept of a summer tournament for this age group was truly unique and our goal was to create a Tournament in a venue that would set the standard for hockey tournaments around the world. We will always endeavor to keep Bill's vision of providing young athletes the best possible opportunity to display their skills amongst the top athletes in the world, while at the same time sharing a summer holiday with their relatives and hopefully gathering new friends from cities all over North America. Many of us on the Hockey Committee have seen our little babies grow into adults during the time this amazing summer event has taken place. As volunteers, we thank our families for the support they have given us while we organize and plan each year for The Brick Tournament. It really has been an honor to be part of an event that has achieved worldwide attention. Since 1990 we have witnessed some

of the best hockey players in the world embark upon their future professional careers. We have also seen hundreds and hundreds of players play in the Canadian Hockey League, Canadian and American Colleges and Universities and become outstanding citizens and contributors to our society. One can only imagine the future skill and talent of this year's players. On behalf of our entire committee including Andy Wigston, Trevor McGrandle, Tracy Jansen, Russell Loga, Dion Dragich, Dave Galeschuk, Lauren Styles, Sonny Sekhon and Gene Loga I thank everyone for their support as volunteers, sponsors, players and coaches. We have an outstanding group of volunteers ready to treat you to an experience of a life time. Enjoy everything this Tournament has to offer and support these amazing athletes as they meet one of their biggest hockey challenges to date... The Brick Cup

Kindest regards,
Craig R. Styles—Tournament Chairman

IAN GORDON Goalie Coach

In my 20 plus years of professional goaltending, in both North America and Europe, I have experienced significant and constant change in goaltending styles and philosophies. Having experienced NHL, AHL, and WHL training camps, regular season play and play-offs, I understand the pressure every goalie feels on a game to game basis. Throughout my career, I have been fortunate to learn from and work with numerous NHL goaltending coaches and have experience as an instructor at various goaltending schools. My life has

been goaltending and I am excited to share it with the goalies of Team Brick. Born and raised in Saskatchewan, I now reside in Edmonton with my wife Tara and our children Paige and Presley. Professional and International Experience:

WHL 1992-1995, AHL 1995-1997, IHL 1997-2000, German Elite League 2000-2013, DEL, Goalie Coach of the WHL, Seattle Thunderbirds, Hockey Canada U17 World Challenge, Owner of Ian Gordon Goaltending Brick Alberta.

CHARLIE ELICK #7

Born in Villach, Austria on January 17, 2006, Charlie, also known as 'Chuck' by most of his teammates and buddies, has shown a love for sports and outdoor activities since the age of two. He was born into the hockey culture amidst his dad's professional career in Europe, and spent countless hours at the rink, in the dressing room and on the ice with the guys, who always made it the most fun place to hang out and play. If not at the rink he'd be riding his bike or skiing in the Austrian mountains, where he was taking part in mini ski races before the age of 4. Charlie started school in Austria where the only language spoken was German, so he was forced into becoming bilingual and spoke only German with his teachers and friends. His family

moved back to Calgary in 2012 when he was 6 and he joined the Bow River Bruins association. The best part about moving to Calgary for him was that everyone speaks English and the unfinished basement where he could blast pucks all day long if he wanted. Charlie plays baseball for Bowridge, loves to golf, fish, camp and ride his quad in the spring and summer, but they all take a backseat to his real passion of playing hockey for Team Brick Alberta. He's a big, strong right shot D that also enjoys playing center. Charlie is very grateful to be teammates with so many fantastic players and coaches and is honoured to represent Alberta in the Brick Invitational Tournament.

COHEN DAoust #10

Cohen Daoust was born in Edmonton, Alberta on September 14, 2006. Since he was a young boy, he has been passionate about hockey and driven to excel in the sport. Cohen started playing hockey when he was 5 years old and most recently played for the St. Albert Atom AA Lightning team during the 2015-2016 winter season. During this past season, Cohen and his Lightning teammates won gold in the Edmonton city finals and silver in the Alberta Atom AA provincial finals. Cohen's proudest hockey achievement to date is scoring the game winning shootout goal in the semi final game of the Bauer Spring Shootout to beat out Toronto Pro Hockey and advance the Alberta Brick team to the gold medal final. Cohen is known

for his smiley disposition and the competitive spirit he brings to everything he does. Off ice, he loves to draw and play any type of sport. His favourite NHL team is the Pittsburgh Penguins and his favourite player is Sidney Crosby. A few years ago Cohen skipped school and stood outside in -25 degree weather for 7 hours to get a glimpse of his Pittsburgh idol and was lucky enough to get his autograph. Cohen's ultimate dream is to play in the NHL and for Team Canada. For now, he is proud to be representing Alberta as part of Team Brick Alberta in the 2016 Brick Tournament.

BROCK SOUCH #88

Brock was born on October 11, 2006 in Edmonton. The younger brother of a passionate hockey player, he learned to handle a hockey stick at a very young age so he could keep up with him. He learned to skate on the backyard rink at the age of 3 and started playing organized hockey at age 4 for SWAT Hockey. His favorite players are Connor McDavid and Sidney Crosby and his favorite team

is the Edmonton Oilers. He enjoys the outdoors including fishing, biking and golf. Brock is excited to follow in his older brother's footsteps and play in The Brick Invitational Hockey Tournament. He is looking forward to some great competition and creating lasting memories with his teammates.

HYDE DAVIDSON #19

From an early age, Hyde has been passionate about all sports. However, hockey quickly became the number one sport while living in Sweden and accompanying his dad to the rink. Whether on the ice or in the hallway, Hyde was always eager to play hockey and could always convince his dad's teammates to take on the little kid. Hyde's favourite hockey team is the Chicago Blackhawks and his favourite player is Patrick Kane. Hyde plays winter hockey with Whitemud West Hockey Association in

Edmonton, through which he has made many great friends. Born in Germany, Hyde is also committed to soccer and is a strong supporter of both Real Madrid and the German National team. Hyde also enjoys playing basketball, golf, and tennis. Hyde would like to thank the Team Alberta coaching staff for believing in his ability and supporting him in his on-ice development. He would also like to thank his teammates for all the fun and being such "awesome" guys.

BRENNER FYFE #35

Born in Lethbridge, Alberta on December 3, 2006, "Bren Beauty," has had a passion for goaltending since Timbits, where he could usually be found keeping the puck out of his net. To try to lessen his determination from becoming a goalie, his parents placed Brenner in his first goalie camp at age 5. Brenner faced shots by his brother, Kesler, and other Atom aged players. This strategy failed and just fueled his desire to continue to be the "Guardian of the Goal." Brenner has played in the CAHL, in both tier 1 and tier 2, for the past 3 years, representing The Lethbridge Hurricanes. Brenner's favourite NHL goalies are Carey Price and Jonathan Quick. He has appreciated his time with Team Brick Alberta, as he gets to play in rinks with "good creases."

When Brenner is not on the ice he enjoys baseball, soccer, snowboarding and playing mini sticks with his friends.

Brenner would like to thank all his coaches past and present, particularly, Coach Jeff from Pro Goal Development (who has spent many hours mentoring Brenner one-to-one), Coach Pete, Coach Brad, Coach Burt, Coach Dillon, Coach Dino and Coach Wade, who have encouraged him to work hard to achieve his goals. Brenner is excited to be a part of Team Brick Alberta and has truly enjoyed the time spent with his teammates (now life-long friends), Coach Ian, Coach Steve, Coach Dan and Coach Travis this spring. Thank-you Team Brick Alberta for this unforgettable experience!

ZANE SAAB #14

Zane was born in Edmonton on February 21, 2006. Zane started playing mini sticks at the age of two in the basement. Zane started skating and playing hockey at the age of three and let me tell you he did not find it easy at all. Zane has developed a strong work ethic and is very competitive.

He enjoys playing soccer, swimming, taekwondo and spending time with family and friends and has a great attitude. Zane has been playing hockey for seven years and thinks it is the greatest game in the world. Zane played novice for four years before moving on to Atom last year. He played Atom AA with the KC Icemen.

Zane's favourite moments in hockey besides winning hockey tournaments was winning minor hockey week. Zane's favourite NHL team is the Pittsburgh Penguins and his favourite players are Sidney Crosby and Pavel Datsyuk. Zane is excited and grateful for the wonderful opportunity to be playing for Team Brick Alberta. He would like to thank all his coaches and instructors for helping him better himself, his skills and skating. Zane is very proud to be part of this team and would like to thank his teammates and would also especially like to thank all the coaches and staff of Team Brick Alberta.

NICHOLAS ANISIMOVICZ #9

Born August 31, 2006, in the City of Calgary, Nicholas is the oldest of 4 siblings. Since 'Nick' could walk, you would continuously see him with a different hockey jersey on his back and stick in his hand ready to play. Nicholas has always been passionate about the sport he enjoys so much. After suffering a serious fracture in his leg while playing hockey at the age of 7, it was Nicholas' perseverance, focus, positive attitude, and work ethic that propelled him back even more determined than ever. When not on the ice, taking shots on the backyard sportcourt, or playing mini-sticks in the basement with his brother, friends or one of his sisters acting as a sacrificial goalie, Nicholas thoroughly enjoys soccer, golf, snowboarding & fishing. One of Nicholas' greatest interests is improving his culinary skills- specifically involving the BBQ Pit!

Nicholas and his family would like to thank everyone who has been instrumental in his hockey development as well as those who have encouraged and supported his aspirations on earning a spot to play in the 27th Annual Brick Invitational Tournament. Nicholas is extremely proud to be a member of the 2016 edition of Team Brick Alberta. A special thank-you to the Team Brick Alberta Coaches, Manager, Teammates and their families whose passion, attitude and commitment to the team have made this year such an enjoyable, positive and memorable experience.

Good Luck to all the participating teams, coaches & players.

REID VARKONYI #11

Reid's first hockey experience was at 5-months old in Anaheim, California cheering on the Edmonton Oilers as they defeated the Ducks on their way to the 2006 Stanley Cup Finals - he has had a passion for the game ever since. Born in Orange County, California, Reid and his family returned to Alberta where Strathcona County is now home. Reid started playing hockey at the age of 4 and spends endless hours on the backyard rink with his two younger brothers, neighbors and friends. During the winter season, Reid is proud to be a Strathcona Warrior. When Reid is not on the ice, he plays baseball and golf, enjoys the skate

park, football and dirt biking and loves time at the lake boating and wakesurfing. Reid is grateful for the love and encouragement he has received from his family, the 223 family, friends and his proudest fan, Great Grandpa Frank. Reid is honored to have the opportunity to play alongside his teammates and represent Team Brick Alberta. Thank you to all of Reid's coaches and instructors for developing his playing skills and game knowledge and pushing him to be the best he can be.

RYAN SEELEY #8

Ryan Corbet Seeley was born on March 27, 2006 in Olds, Alberta. He is the 4th out of 5 children, with an older brother and 3 sisters. Growing up in a hockey playing family, he had little option but to play hockey as well! As the 3 older kids all play D, it was a natural choice for Ryan. We are lucky to have a strong winter hockey program in Olds, and Ryan has been fortunate to win a Novice

league championship as well as atom provincials. Ryan enjoys skating on our backyard rink in the winter, and playing tennis and badminton. His favorite players are Duncan Keith and Drew Doughty.

I am so excited to have my whole family watch me at the Brick

Tournament, my Grandma Vienna, Grandma Margaret and my Papa. I am very thankful for the Serdachny Group and for this opportunity, the friends I have already made and the development I have and will receive being a part of the 2016 Alberta Brick Team! One of my coaches plays Pro Hockey and he has really helped me with my game and so I am wearing his number, #93. I am so thankful for my coaches along the way, Byron Ritchie, Shea Sanche, Jason Tansem just to name a few of my BCIS coaches. I am very grateful for this opportunity to have the Serdachny Group coach and develop me!

JASON HUANG #91

Jason Huang was born in Qingdao, China on April 18, 2006. He then moved to Edmonton, Alberta when he was 14 months old. Jason tried different sports at early ages while he started to learn skating at 4, and later became the first ever person to know how to skate in his family tree. Jason started to play organized hockey as a forward at age of 5, he quickly fell in love with the game and the hockey stick has been his favourite toy, even at home, ever since. favorite toy even at home ever since. He then played one year underage Novice before becoming a proud member of the SWAT Hockey Association where he played his recent years of winter hockey, winning the Stollery tournament with final MVP and reaching the city playoff final. Last year his Atom team represented the SWAT Hockey in the AA Provincials.

Jason was an alumni of Team Alberta Jr. Brick where coach Steve, Dan and Travis discovered his defense potential and helped him quickly pick up a whole new role on the blueline. Jason always works hard on or off ice with a positive attitude and smile on his face. His role model is Jonathan Toews of the Chicago Blackhawks. Beside hockey, Jason is also a competitive swimmer and elite soccer player. Jason would like to thank all the coaches he met in the past, and present, for helping him become the player he is today. He would also like to thank his family for all their support and love. Jason is very honored to be part of Team Brick Alberta and is grateful to be given such an awesome experience to represent Alberta in the 2016 Brick Tournament.

ESCALUS BURLOCK #71

Escalus ("Esc") was born on April 11, 2006 in Saskatchewan where he quickly began to develop his passion for hockey at three years old when his Grandpa took him skating for the first time. His family moved to Edmonton in 2014, where he joined SWAT Hockey and has been fortunate to play on very successful teams and develop some great friends in that organization. Esc has been described as a "200 foot" player with a good work ethic. His favorite NHL team is the Chicago Blackhawks and his favorite player is Jonathan Toews, whom he met and told, "in a few years I am going to

play in the Brick Tournament just like you did". Outside of hockey, Esc enjoys speed-swimming, water polo, lacrosse, mountain biking, cooking, sketching and reading books on sports personalities. He is an active fundraiser and supporter of the Stollery Children's Hospital, has a big heart and a matching appetite. Esc would like to thank his coaches (past and present) and his family for helping make hockey a fun and positive experience for him. Being a part of Team Brick Alberta is a privilege and dream come true.

EDWARD CAPSTICK #1

Edward was born and raised in St. Albert. He wanted to be a goalie since he was 4 when he would come home from preschool every day with the knees ripped from his pants from playing goal in road hockey. He started playing hockey in St. Albert when he was 6 and had a chance to play goal. Observers quickly noted his natural talent for the position and the enthusiasm he brought to it. Edward would like to thank Vito and Tracy Gallo for their encouragement to play goalie full time and introducing him to spring hockey and the dream of playing in the Brick tournament. He would also like to thank Coach Steve Serdachny for recognizing and supporting him over the last three years. Edward has been very fortunate to work with Goalie Coach Ian Gordon for the last three years. Ian's,

and his son Pressley's, support and belief in him has been instrumental in his development. Last winter Edward played for the Atom AA St. Albert Barons where they won the Edmonton Minor Hockey Week Championship. He would like to thank his winter coaches, especially Paul Roberts and Darcy Arnold for their tremendous support and pushing him to become a better goalie. When Edward is not playing goalie, he likes to play soccer, swim and read. His favorite hockey team is the Edmonton Oilers and his favorite goalies are Henrik Lundqvist, Ben Bishop and Carey Price. Edward would also like to thank his parents and his big sister Joanna for all their unconditional support.

GRAYSON NIEHAUS #87

Grayson was born on January 14, 2006 and surprised us all with a very early arrival! He donned his first pair of hockey skates at the age of 18 months and ditched the skate trainers shortly thereafter when he was determined to skate like the bigger kids at the rink. It was rare to ever see Grayson without a mini stick in hand and fair to say that he ate, breathed, and dreamed the sport (& still does!). Grayson started with the Hockey Tips for Tots Program when he was still too young to enroll with his hometown hockey association. At the age of 4 he made the tier one initiation team with the Spruce Grove Minor Hockey Association, the first of his age to do so.

Grayson currently plays with SGMHA on the Atom AA team during the winter season and prior to making Team Brick Alberta for this his super novice year, played his spring seasons as an under-age player with the 2005 Junior Eagles Selects. Grayson also plays lacrosse and enjoys the challenge of almost any and every sport. His grit and passion for all things athletic is what drives him and his love of the comradery makes him a team player. Grayson is honored to play for Team Brick Alberta and is grateful for the opportunity to represent his province in the 2016 Brick Invitational Tournament.

FINN MCLAUGHLIN #4

Finn was born on Feb 28, 2006 and lives in Canmore, Alberta. He plays minor hockey for the Canmore Eagles and is proud to represent the small rural hockey associations of Alberta. Finn is thankful for the great coaches and teammates that he's had the opportunity to learn from and play with. Finn has always loved playing defence and his favourite player is PK Subban. Living in a mountain town, he enjoys mountain biking, skiing and climbing as well as soccer and lacrosse. But above all,

he loves playing hockey. He is grateful for the support of his parents and his grandparents for helping him achieve his goal. Through his hard work and dedication he hopes to be a role model for his brother Will. Finn would like to thank coaches Steve, Dan and Travis for their teaching and giving him this unique opportunity. It has been Finn's dream for a long time to play in the Brick tournament and he is eager to represent Team Brick Alberta.
