Welcome to the 2017 edition of the Brick Invitational...

Ever since January of 1990 when Bill Comrie met with a few of his executives at the Brick Warehouse Corporation, we have been at West Edmonton Mall, showcasing the best hockey talent in North America for hockey players aged nine and ten. The concept of a summer tournament for this age group was truly unique and our goal was to create a Tournament in a venue that would set the standard for hockey tournaments around the world. We will always endeavor to keep Bill's vision of providing young athletes the best possible opportunity to display their skills amongst the top athletes in the world, while at the same time sharing a summer holiday with their relatives and hopefully gathering new friends from cities all over North America. Many of us on the Hockey Committee have seen our little babies grow into adults during the time this amazing summer event has taken place. As volunteers, we thank our families for the support they have given us while we organize and plan each year for The Brick Invitational. It really has been an honor to be part of an event that has achieved worldwide attention. Since 1990 we have

witnessed some of the best hockey players in the world embark upon their future professional careers. We have also seen hundreds and hundreds of players play in the Canadian Hockey League, Canadian and American Colleges and Universities and become outstanding citizens and contributors to our society. One can only imagine the future skill and talent of this year's players. On behalf of our entire committee including Andy Wigston, Trevor McGrandle, Tracy Jansen, Russell Loga, Dion Dragich, Dave Galeschuk, Lauren Styles, Sonny Sekhon, Chelsey Butt and Gene Loga I thank everyone for their support as volunteers, sponsors, players and coaches. We have an outstanding group of volunteers ready to treat you to an experience of a lifetime. Enjoy everything this Tournament has to offer and support these amazing athletes as they meet one of their biggest hockey challenges to date... The Brick Cup

Kindest regards,

Craig R. Styles—Tournament Chairman

TEAM BRICK ALBERTA

The 2017 edition of Team Brick Alberta comprises of 20 exceptional Athletes from all over Alberta. Their journey to get to this point started on January the 2nd 2017 in Chestemere, Alberta where the top 80 prospects competed in an evaluation camp. The staff then journeyed north to Spruce Grove where we held the top 80 prospects camps on January the 4th 2017. After deep deliberation the staff identified the top 44 players based on the two camps and we held a combine in Penhold Alberta March 24-26th

2017. The combine consisted of: off-ice testing, team practices, skill practices, team building and games. The combine gave the staff the ability to evaluate the players in all environments that we feel are conducive to build a successful team. That brings us to this exceptional group of athletes you see today that were successful through the process. Our team motto is Row the Boat (One Goal One Direction). We wish all the teams good luck in the 2017 Brick Invitational.

FAVOURITE HOCKEY MEMORY:

My favorite hockey memory is when my dad was teaching me how to skate on the backyard rink. I was probably 3 yrs old but I remember how fun it was to finally learn how to skate and keep up with the rest of my brothers and sisters.

Tournament Rules

- 1 Playing rules will be those used during the regular season in Edmonton in accordance with the Hockey Canada Rulebook.
- 2 Any team unable to commence play within five (5) minutes after scheduled starting time will forfeit that game and the opposing team will be awarded a 5-0 score.
- 3 Any protests must be made known prior to five (5) minutes after the game in question. A written account must be submitted to the Tournament Director no later than one (1) hour after the game on the forms provided. "The decision of the tournament committee is final!"
- 4 Any player who receives a match penalty (i.e., intent to injure) will be suspended for the duration of the game. Further action will be determined pending a review by the Tournament Committee immediately following that particular game.
- 5 Any minor penalty coupled with an automatic game misconduct in the Hockey Canada Rulebook will be assessed as a minor penalty plus a 10 minute misconduct penalty. A substitute player is required to serve the minor penalty.
- 6 Any player or team official who receives a second major penalty, or second misconduct penalty, or a match game misconduct, or a gross misconduct penalty, shall be suspended from further play in the tournament.
- 7 All major penalties are subject to review by the Tournament Committee immediately following that particular game.
- 8 Non-contact! Body contact fouls will be strictly enforced.
- 9 Neck Protection must be worn by all players.
- 10 Home team will wear their lighter jersey, if there is an issue with jersey colours the visiting team must change.
- 11 The Tournament will be comprised of players born on or after January 1, 2007.
- 12 All games will utilize registered hockey league game officials.

Round Robin Format

- 1 Round Robin format will consist of fourteen teams in two conferences.
- 2 Round Robin games will consist of two (2) twelve minute and one (1) fifteen minute stop-time periods. In the event of a tie the teams will play two (2) two minute sudden victory overtime periods. The first period will be 3 on 3, the second period will be 2 on 2, if still tied, there will be a 3 player shootout, which will continue with additional shooters, until a winner is declared. In the event of any non-offsetting penalties remaining at the end of regulation time, overtime play will continue with the addition of one player until the first stoppage of play following expiry or all carry-over penalties. Penalties incurred during overtime play will result in the addition of one skater for the power-play team. At no time will a team have fewer than 3 skaters during the first overtime period, and no less than 2 skaters during the second overtime period.
- 3 Three (3) points will be awarded for a regulation time win, two (2) points will be awarded for an overtime win, one (1) point will be awarded for an overtime loss, and zero (0) points will be awarded for a regulation time loss.

Round Robin Tie-Breaking Procedure

In the event of a tie after completion of Round Robin play, the three teams within each division, that will be declared Division Finalist and advance to the playoffs, shall be determined as follows:

- a)** Most points in Round Robin play;
- b)** In case of a tie between two teams, the team having won the game between each other will advance;
- c)** If still tied, the team with the best +/- (goals for – goals against) during full Round Robin play will advance;
- d)** If still tied, the team with the fewest goals against during full Round Robin play will advance;
- e)** If still tied, the team with the most goals during full Round Robin play will advance;
- f)** If still tied, the team with the fewest penalty minutes during full Round Robin play will advance;
- g)** If still tied, then a single flip of a coin by the Tournament Director will determine the team to advance.

NOTE: In the event of a 3, 4 or 5 way tie in step 'a' above, head-to-head points among the tied teams shall determine the top team to advance. If no team advances, apply steps 'c' through 'g' until one team advances. Continue this head-to-head points process with any remaining teams until all finalists are selected.

Playoff Format

- 1** All Quarter-Final and Semi-Final games will be the same format as the Round Robin games except that in the case of a tie.
- 2** The Final game will consist of three (3) fifteen minute stop time periods. Overtime will be played in the event of a tie. For the final game the home team will be determined by a coin toss by the Tournament Director.
- 3** In the event of a tie after the end of regulation play, one ten-minute sudden-victory overtime period will be played. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
- 4** In the event of a tie after the end of the sudden-victory overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden-victory overtime.
- 5** In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden-victory overtime period.
- 6** In the event of a tie after this two minute sudden-victory overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-victory overtime period.
- 7** In the event of a tie after the end of this two minute sudden-victory overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot out, the team with the most goals wins.
- 8** If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player shall come around a second time for a penalty shot until the complete team roster excluding goal keeper has been used.

Awards

- 1 Each game will feature 1st, 2nd and 3rd star trophies.
- 2 Each member of the **Final #1** and **Final #2** teams in a losing effort will receive a semi-finalist trophy.

Three Star Awards

- 2 Players who contribute to the scoring with goals and assists.
- 3 Players who exhibit good sportsmanship.
- 4 Goalies should be recognized equally with the other players due to the uniqueness of their position, as well as their contributions to points 1, 2, and 3 above. Sports celebrities, media celebrities and tournament sponsors will select the **Three Stars** from each game and present the trophies at center ice at the completion of the game.

Top Scorer

The Tournament **Top Scorer** award will be given to the player who accumulates the most points at the end of Round Robin play. If there is a tie for the most points, the player with the most goals will win.

If still tied, then the winner will be the one with the least penalty minutes. In the event that we are still tied, this award will be decided by a coin toss by the Tournament Director.

Most Valuable Player Award

The **Most Valuable Player** for the Tournament will be selected by the Tournament Committee based on the player's ability, scoring, sportsmanship and value to his team during the Round Robin play only.

The top scorer is not eligible for the tournament **MVP**.
