welcome to the 2018 edition of the brick invitational...

Ever since January of 1990 when Bill Comrie met with a few of his executives at the Brick Warehouse Corporation, we have been at West Edmonton Mall, showcasing the best hockey talent in North America for hockey players aged nine and ten. The concept of a summer tournament for this age group was truly unique and our goal was to create a Tournament in a venue that would set the standard for hockey tournaments around the world. We will always endeavour to keep Bill's vision of providing young athletes the best possible opportunity to display their skills amongst the top athletes in the world, while at the same time sharing a summer holiday with their relatives and hopefully gathering new friends from cities all over North America. Many of us on the Hockey Committee have seen our little babies grow into adults during the time this amazing summer event has taken place. As volunteers, we thank our families for the support they have given us while we organize and plan each year for The Brick Invitational. It really has been an honour to be part of an event that has achieved worldwide attention. Since 1990 we have witnessed some of the best hockey players in the world embark upon their future professional careers. We have also seen hundreds and hundreds of players play in the Canadian Hockey League, Canadian and American Colleges and Universities and become outstanding citizens and contributors to our society. One can only imagine the future skill and talent of this year's players. On behalf of our entire committee including Andy Wigston, Trevor McGrandle, Tracy Jansen, Russell Loga, Lauren Styles, Sonny Sekhon, Chelsey Butt and Gene Loga, I thank everyone for their support as volunteers, sponsors, players and coaches. We have an outstanding group of volunteers ready to treat you to an experience of a lifetime. Enjoy everything this Tournament has to offer and support these amazing athletes as they meet one of their biggest hockey challenges to date... The Brick Cup.

Kindest regards,

Craig R. Styles

Their journey to get to this point started on January the 2nd 2018 in Chestemere, Alberta where the top 64 prospects competed in an evaluation camp. The staff then journeyed north to Spruce Grove, AB where we held the top 64 prospects camps on January the 2nd 2018. After deep deliberation in the war room the staff identified the top 54 players based on the two camps and we held a combine in Penhold, AB March 23rd-25th 2018, The combine consisted of small area games, Team practices, skill practices, positional practices, team building and games. The combine gave the staff the ability to evaluate the players in all environments that we feel are conducive to build a successful team. That brings us to this exceptional group of athletes you see today that were successful through the process. Our team moto is Row the Boat (One Goal One Direction). We wish all the teams good luck in the 2018 Brick Invitational.

The Chicago Blackhawks have supported the Illinois entry in the Brick Invitational since 2009. This NHL Club along with our organizer, 200x85 LLC remain one of the most respected and competitive hockey development programs in Illinois. Currently, 80 past alumni have played D1 College Hockey, 36 went through the US National Development Program and 52 are playing in the NHL/AHL Pro Level. It is from this foundation that this year's Chicago Jr Blackhawks Brick Team is built. Our players, coaches and parents wish everyone in this year's Brick Tournament the best of luck. We thank the organizers, sponsors & volunteers for their help in making this such a wonderful event.

The 2018 edition of the CT JR Rangers, also known as CJR, was chosen in March after several months of competitive tryouts. Being the last charter from the United States to win the Brick Tournament, we have set the bar high for our young athletes and they are cherishing the opportunity to compete for a championship. CJR would like to thank the Brick Competition Committee for their continued support and inclusion of the organization in this prestigious tournament.

Our players come from some of the top Elite AAA Youth Hockey organizations on the East Coast. CJR is focused on both fielding the best team possible to represent the region and on player development. The team has been practicing and training throughout the spring along with participating in some of the top pre-Brick tournaments.

The opportunity to play in the best youth hockey tournament in the world has both motivated and excited the players. The players are looking forward to participating in the Brick tournament and taking part in a once in a lifetime experience in Edmonton. The CT JR Rangers would like to thank the organizers, volunteers and sponsors for making the Brick experience one that our players will remember forever.

tournament rules

- Playing rules will be those used during the regular season in Edmonton in accordance with the Hockey Canada Rulebook.
- 2. Any team unable to commence play within five (5) minutes after scheduled starting time will forfeit that game and the opposing team will be awarded a 5-0 score.
- 3. Any protests must be made known prior to five (5) minutes after the game in question. A written account must be submitted to the Tournament Director no later than one (1) hour after the game on the forms provided. "The decision of the tournament committee is final!"
- 4. Any player who receives a match penalty (i.e., intent to injure) will be suspended for the duration of the game. Further action will be determined pending a review by the Tournament Committee immediately following that particular game.
- Any minor penalty coupled with an automatic game misconduct in the Hockey Canada Rulebook will be assessed
 as a minor penalty plus a 10 minute misconduct penalty. A substitute player is required to serve the minor
 penalty.
- 6. Any player or team official who receives a second major penalty, or second misconduct penalty, or a match game misconduct, or a gross misconduct penalty, shall be suspended from further play in the tournament.
- All major penalties are subject to review by the Tournament Committee immediately following that particular game.
- 8. Non-contact! Body contact fouls will be strictly enforced.
- 9. Neck protection must be worn by all players.
- 10. Home team will wear their lighter jersey; if there is an issue with jersey colours the visiting team must change.
- 11. The Tournament will be comprised of players born on or after January 1, 2008.
- 12. All games will utilize registered hockey league game officials.

round robin format

- Round Robin format will consist of fourteen teams in two conferences.
- Round Robin games will consist of two (2) twelve minute periods and one (1) fifteen minute stop-time period. In
 the event of a tie the teams will play two (2) two-minute sudden victory overtime periods. The first period will
 be 3 on 3, the second period will be 2 on 2, if still tied, there will be a 3 player shootout, which will continue with
 additional shooters, until a winner is declared.
 - Overtime play will commence with the addition of one skater for the power play team. Penalties incurred during overtime play will result in the addition of one skater for the power-play team. At no time will a team have fewer than 3 skaters during the first overtime period, and no less than 2 skaters during the second overtime period.
- 3. Three (3) points will be awarded for a regulation time win, two (2) points will be awarded for an overtime win, one (1) point will be awarded for an overtime loss, and zero (0) points will be awarded for a regulation time loss.
- 4. The top three (3) teams in each conference, based on total points during round robin play, will advance to the playoffs.

round robin tie-breaking procedure

In the event of a tie after completion of Round Robin play, the advancing team(s) shall be determined as follows:

- a. In the case of a tie between two teams, the team having won the game between each other will qualify for the Playoff Round;
- b. If still tied, the team with the higher Goal Differential (Goals For minus Goals Against) will qualify for the Playoff Round;
- c. If still tied, the team with the higher Goals For during full Round Robin Play will qualify for the Playoff Round;
- d. If still tied, the team with fewest penalty minutes during full Round Robin Play will qualify for the Playoff Round;
- e. If still tied, then a single flip of a coin by the Tournament Director will determine which team will qualify for the Playoff Round.

NOTE: In the event of a 3, 4 or 5 way tie at the end of Round Robin play, head-to-head points among the tied teams shall determine the top team to advance. If no team advances, apply steps 'b' through 'e' until one team advances. Continue with the head-to-head process with any remaining teams until all advancing team are selected.

playoff format

- 1. All Quarter-Final and Semi-Final games will be the same format as the Round Robin games except in the case of a tie.
- 2. The Final game will consist of three (3) fifteen minute stop time periods. Overtime will be played in the event of a tie. For the final game the home team will be determined by a coin toss by the Tournament Director.
- 3. In the event of a tie after the end of regulation play, one ten-minute sudden-victory overtime period will be played. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
- 4. In the event of a tie after the end of the sudden-victory overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden-victory overtime.
- 5. In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden-victory overtime period.
- 6. In the event of a tie after this two minute sudden-victory overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-victory overtime period.
- 7. In the event of a tie after the end of this two minute sudden-victory overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot out, the team with the most goals wins.
- 8. If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player shall come around a second time for a penalty shot until the complete team roster excluding goal keeper has been used.
