# WELCOME TO THE 2019 EDITION OF THE BRICK INVITATIONAL...

Ever since January of 1990 when Bill Comrie met with a few of his executives at the Brick Warehouse Corporation, we have been at West Edmonton Mall, showcasing the best hockey talent in North America for hockey players aged nine and ten. The concept of a summer tournament for this age group was truly unique and our goal was to create a tournament in a venue that would set the standard for hockey tournaments around the world. We will always endeavour to keep Bill’s vision of providing young athletes the best possible opportunity to display their skills amongst the top athletes in the world, while at the same time sharing a summer holiday with their relatives and hopefully gathering new friends from cities all over North America. Many of us on the Hockey Committee have seen our little babies grow into adults during the time this amazing summer event has taken place. As volunteers, we thank our families for the support they have given us while we organize and plan each year for The Brick Invitational. It really has been an honour to be part of an event that has achieved worldwide attention. Since 1990 we have witnessed some of the best hockey players in the world embark upon their future professional careers. We have also seen hundreds and hundreds of players play in the Canadian Hockey League, Canadian and American Colleges and Universities and become outstanding citizens and contributors to our society. One can only imagine the future skill and talent of this year’s players. On behalf of our entire committee including Andy Wigston, Trevor McGrandle, Tracy Jansen, Russell Loga, Lauren Styles, Sonny Sekhon, Chelsey Butt, Ken Thrasher, Sanjay Sakar, Zach Turner, Dion Dragich and Gene Loga, I thank everyone for their support as volunteers, sponsors, players and coaches. We have an outstanding group of volunteers ready to treat you to an experience of a lifetime. Enjoy everything this Tournament has to offer and support these amazing athletes as they meet one of their biggest hockey challenges to date... The Brick Cup.

Kindest regards,

Craig Styles, Tournament Chairman

The 2019 edition of Team Brick Alberta comprises of 16 exceptional Athletes from all over Alberta. Their journey to get to this point started the weekend of December 22nd and 23rd, 2018 in Red Deer, Alberta where the top 130 prospects from Alberta competed in a provincial evaluation camp. We then journeyed North to Edmonton AB where we held the top 56 Combine Camp March 29th to March 31st 2019 at West Edmonton Mall. The combine consisted of small area games, Team practices, skill practices, positional practices, team building and games. The combine gave the staff the ability to evaluate the players in all environments that we feel are conducive to build a successful team. That process brings us to this exceptional group of athletes you see today. Our team moto is Row the Boat (One Goal One Direction). We wish all the teams good luck in the 2019 Brick Invitational.

The Chicago Blackhawks have supported the Illinois entry in the Brick Invitational since 2009. This NHL Club along with our organizer, 200x85 LLC remain one of the most respected and competitive hockey development programs in Illinois. Currently, 80 past alumni have played D1 College Hockey, 36 went through the US National Development Program and 52 are playing in the NHL/AHL Pro Level. It is from this foundation that this year’s Chicago Jr Blackhawks Brick Team is built. Our players, coaches and parents wish everyone in this year’s Brick Tournament the best of luck. We thank the organizers, sponsors & volunteers for their help in making this such a wonderful event.

The 2019 edition of the CT JR Rangers, also known as CJR, was chosen in March after several months of competitive tryouts. Being the last charter from the United States to win the Brick Tournament, we have set the bar high for our young athletes and they are cherishing the opportunity to compete for a championship. CJR would like to thank the Brick Competition Committee for their continued support and inclusion of the organization in this prestigious tournament. Our players come from some of the top Elite AAA Youth Hockey organizations on the East Coast. This year is unique in that we have 10 different youth organizations represented on our Brick team. CJR is focused on both fielding the best team possible to represent the region and on player development. The team has been practicing and training throughout the spring along with participating in some of the top pre-Brick tournaments. The opportunity to play in the best youth hockey tournament in the world has both motivated and excited the players. The players are looking forward to participating in the Brick tournament and taking part in a once in a lifetime experience in Edmonton. The CT JR Rangers would like to thank the organizers, volunteers and sponsors for making the Brick experience one that our players will remember forever. Best of luck to all the participants in the 2019 Brick tournament and LET’S GO RANGERS! #LGR

Thirty years ago the first Brick team from Los Angeles, California arrived in Edmonton. Since then, our program has competed as LA Jr. Kings, Anaheim Jr. Ducks, LA Selects, California Brick and now the Western Selects are here in Edmonton to celebrate three decades of the Brick Invitational Hockey Tournament. Players from USA’s Pacific and Rocky Mountain Districts attended evaluation camps in their home region and advanced to a main tryout camp in December to make the team. We dedicate this 30th anniversary tournament appearance to long time California Brick Coach and friend, Igor Nikulin. Our players, coaches, and parents wish to thank the Brick Tournament organizers, volunteer staff, sponsors, and the City of Edmonton for their continued effort in hosting the greatest youth hockey tournament in the world. Happy 30th Anniversary to the Brick Tournament. Good luck to all participants. Play hard!

The 2019 Team Pennsylvania was selected in February of 2019. Each player went through an extensive identification and evaluation process which began in August of 2018. The final roster was determined at a selection camp at Pegula Ice Arena in State College, Pennsylvania. The team spent the spring competing in two pre-Brick Tournaments: the 2019 Pro Hockey Bauer Spring Shootout in Toronto in May 2019 and the CCHA North American Spring Showcase in June 2019, along with a series of practices in Pittsburgh, Penn State University and an exhibition series against Detroit Brick. We would like to thank our sponsors - the Pittsburgh Penguins Foundation and Philadelphia Flyers - for providing us with this unique opportunity. The Toronto Pro Hockey Brick Team is excited to compete in the 2019 Brick Invitational in Edmonton. This year's team is made up of talented and dedicated players from across Ontario, including the Greater Toronto Area, Whitby, and Ottawa. The Pro Hockey Development Team began its evaluation process back in August 2018. With so many great players to watch and evaluate, the final team was selected in March 2019. The season officially started on April 13th, at the first team practice. Since then, The Pro Hockey Brick team has practiced every weekend, and have continued to evolve as a team. The first test of the season was the Bauer Spring Shootout tournament. The team was challenged over 7 games by some formidable opponents, and won the tournament, fittingly in a shootout! The players are excited to continue their preparation for the Brick Invitational, and are extremely proud to have earned the privilege to represent Toronto Pro Hockey in Edmonton!

Thank you to The Brick Invitational Hockey Tournament Committee and all those who have worked so hard to make this event special. We wish everyone the best of luck in Edmonton.

## Player and Spectator Code of Conduct

The Brick Invitational Hockey Tournament prides itself in providing one of the most respected tournaments in the world and to do so, we hold ourselves to high standards of conduct and professional behaviour.

These standards of behaviour are the cornerstone for a respectful and inclusive environment that we believe can support all athletes in becoming the best they can be. It is our expectation that our committee members, officials, volunteers and vendors demonstrate these positive behaviours every day and we ask the same of our players, parents and team management.

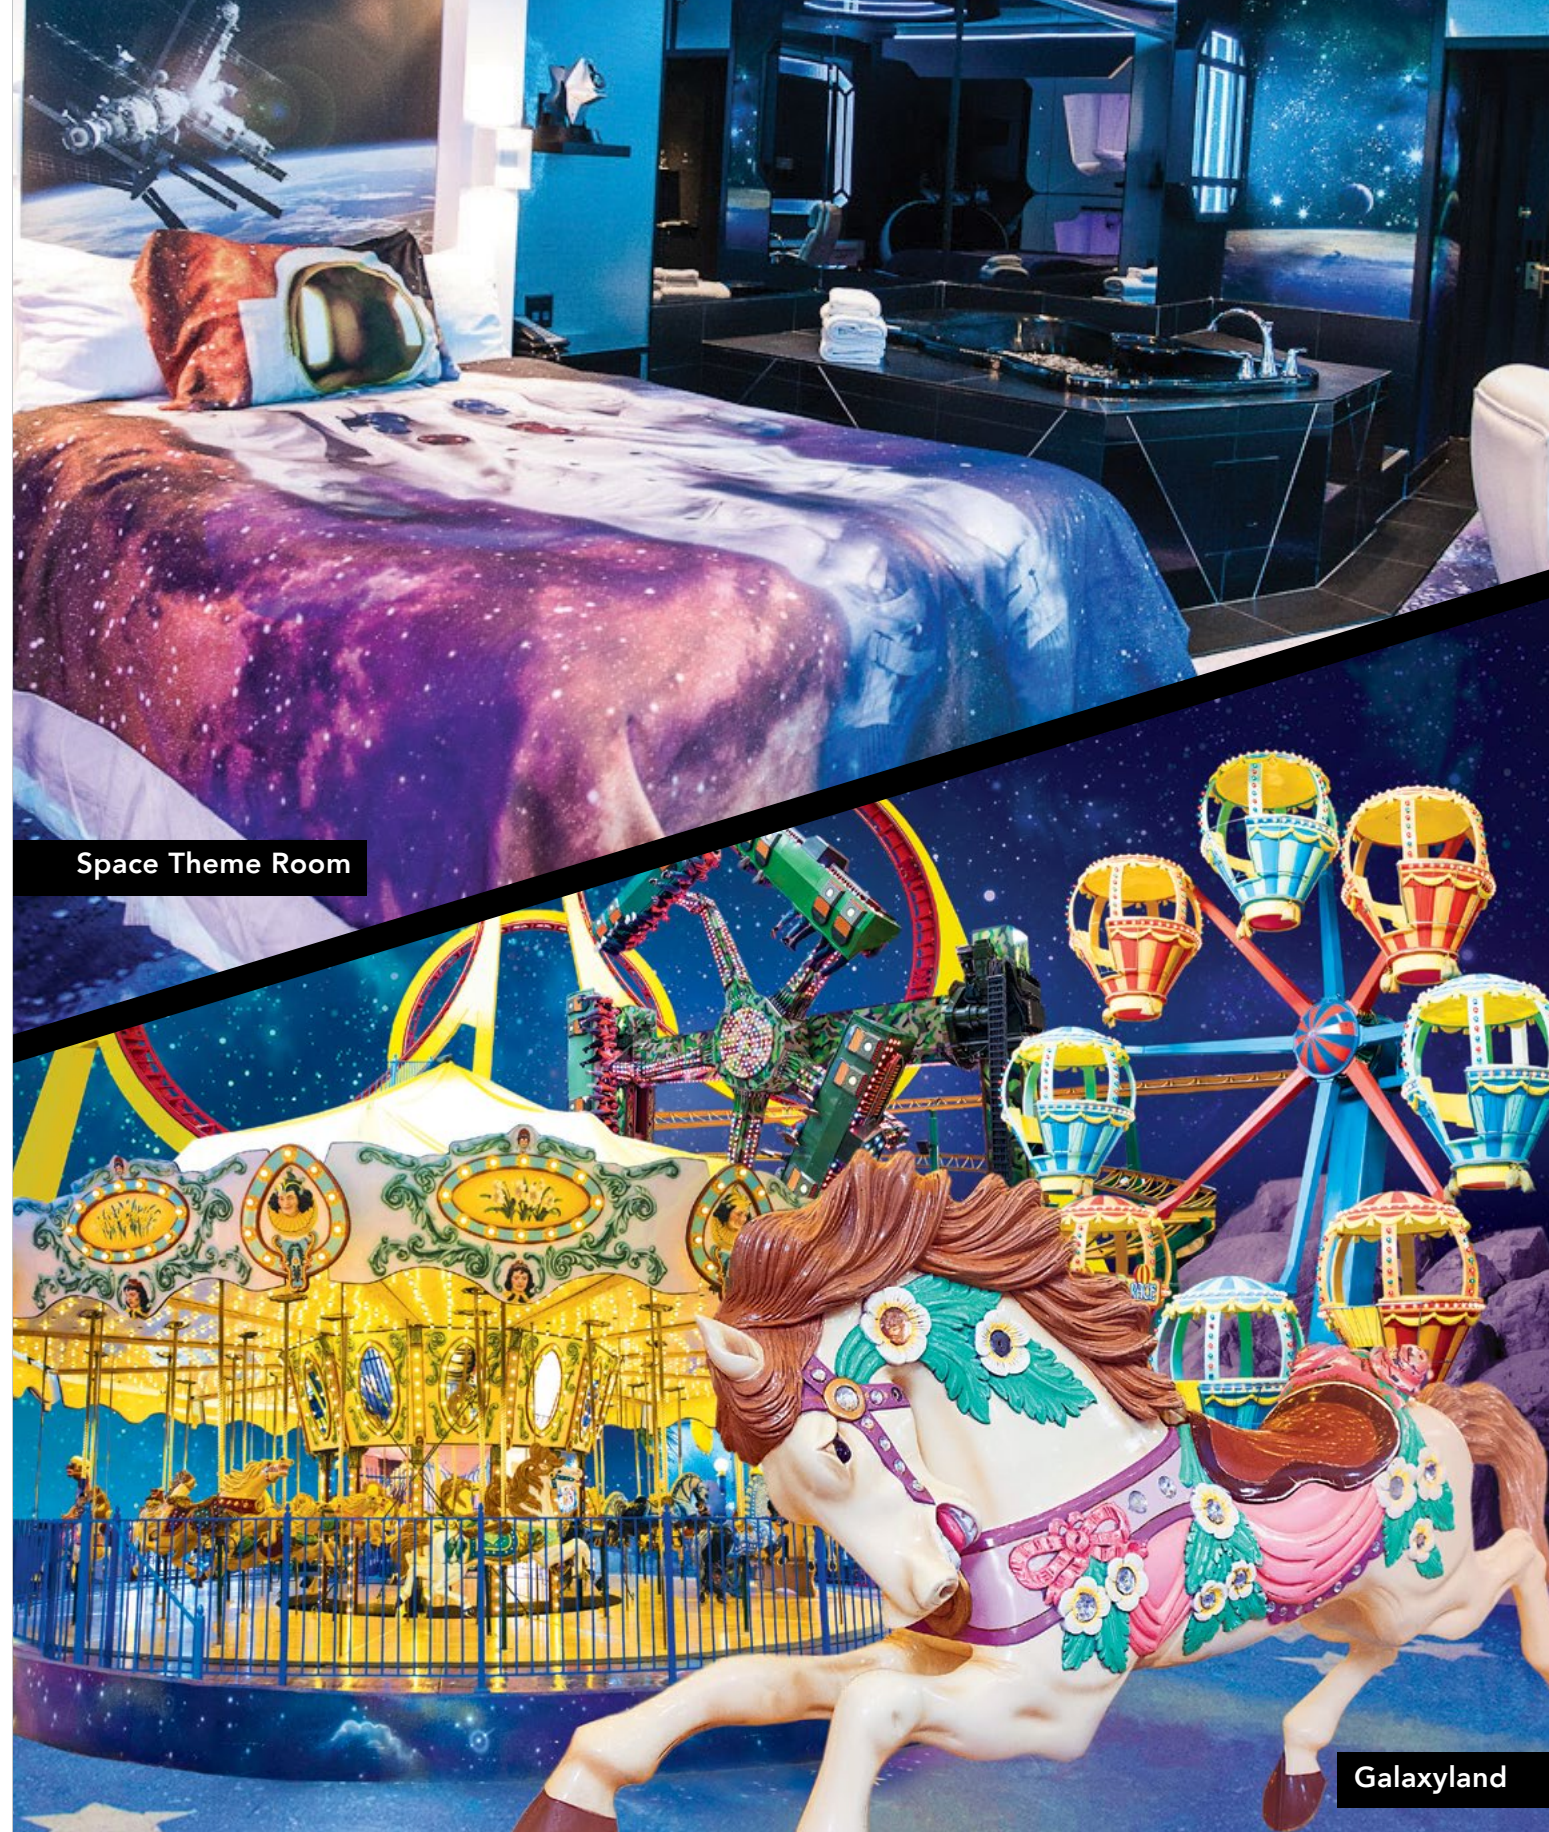

Failure to adhere to the Tournament's Code of Conduct may result in the expulsion of players from the current year's tournament and may further include a formal team review prior to acceptance into the following years' tournament.

### Player Code of Conduct (with parental support):

- I will adhere to the rules of hockey, and the rules and policies set by The Brick Invitational Hockey Tournament.
- I will follow and display the principles of good sportsmanship.
- I will behave in a respectful manner towards my teammates, my coaches, opposing players, opposing coaches, team officials, referees, and all participants of the Tournament and West Edmonton Mall.
- I will not make derogatory comments directed towards anyone's race, ethnic origin, religion, gender and/or sexual orientation. I understand that there is a zero-tolerance policy for these types of comments and I may be disqualified from playing in the Tournament.
- I will conduct myself in a safe and responsible manner during games, practices, and any other Tournament activities.
- I will be on time and prepared to play in all games and practices as scheduled by the Brick Invitational Hockey Tournament.
- I will not conduct myself in any manner nor partake in any activities that would bring ill repute and/or disrespect to my team, my family, the Tournament and/or West Edmonton Mall.

### Spectator Code of Conduct:

- I will refrain from excessively negative vocal criticism of players, opposing players, all coaches, all team officials, referees, and all participants of the Brick Invitational Hockey Tournament and West Edmonton Mall. This includes comments that are deemed to be insulting, humiliating, hurtful, intimidating, degrading, malicious and/or offensive. Should a situation arise where I feel criticism is required and justified, I will offer this in a manner that is done through the proper channels via a tournament official, and it will be done in a respectful manner.
- I will not conduct myself in any manner nor partake in any activities that would bring ill repute and/or disrespect to my team, family, the Tournament and/or West Edmonton Mall. This includes smoking, excessive consumption of alcohol and/or the use of banned substances while participating as a spectator of the Tournament or at Tournament sponsored events. I understand that West Edmonton Mall security personnel will remove patrons from any mall event where behaviour is deemed to be disruptive to others.

## ROUND ROBIN FORMAT

1. Round Robin format will consist of fourteen teams in two conferences.
2. Round Robin games will consist of two (2) twelve minute periods and one (1) fifteen minute stop-time period. In the event of a tie the teams will play two (2) two-minute sudden victory overtime periods. The first period will be 3 on 3, the second period will be 2 on 2, if still tied, there will be a 3 player shootout, which will continue with additional shooters, until a winner is declared.  
Overtime play will commence with the addition of one skater for the power play team. Penalties incurred during overtime play will result in the addition of one skater for the power-play team. At no time will a team have fewer than 3 skaters during the first overtime period, and no less than 2 skaters during the second overtime period.
3. Three (3) points will be awarded for a regulation time win, two (2) points will be awarded for an overtime win, one (1) point will be awarded for an overtime loss, and zero (0) points will be awarded for a regulation time loss.
4. The top three (3) teams in each conference, based on total points during round robin play, will advance to the playoffs.

ROUND ROBIN TIE-BREAKING PROCEDURE

- In the event of a tie after completion of Round Robin play, the advancing team(s) shall be determined as follows:
- a. In the case of a tie between two teams, the team having won the game between each other will qualify for the Playoff Round;
  - b. If still tied, the team with the higher Goal Differential (Goals For minus Goals Against) will qualify for the Playoff Round;
  - c. If still tied, the team with the higher Goals For during full Round Robin Play will qualify for the Playoff Round;
  - d. If still tied, the team with fewest penalty minutes during full Round Robin Play will qualify for the Playoff Round;
  - e. If still tied, then a single flip of a coin by the Tournament Director will determine which team will qualify for the Playoff Round.

**NOTE:** In the event of a 3, 4 or 5 way tie at the end of Round Robin play, head-to-head points among the tied teams shall determine the top team to advance. If no team advances, apply steps ‘b’ through ‘e’ until one team advances. Continue with the head-to-head process with any remaining teams until all advancing team are selected.

PLAYOFF FORMAT

- 1. All Quarter-Final and Semi-Final games will be the same format as the Round Robin games except in the case of a tie.
- 2. The Final game will consist of three (3) fifteen minute stop time periods. Overtime will be played in the event of a tie. For the final game the home team will be determined by a coin toss by the Tournament Chairman.
- 3. In the event of a tie after the end of regulation play, one ten-minute sudden-victory overtime period will be played. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
- 4. In the event of a tie after the end of the sudden-victory overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden-victory overtime.
- 5. In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden-victory overtime period.
- 6. In the event of a tie after this two minute sudden-victory overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-victory overtime period.
- 7. In the event of a tie after the end of this two minute sudden-victory overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot out, the team with the most goals wins.
- 8. If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player shall come around a second time for a penalty shot until the complete team roster excluding goal keeper has been used.

THE BRICK INVITATIONAL HOCKEY TOURNAMENT IS IN ITS 30TH YEAR.

This is a truly amazing accomplishment at any level of competition and it is something we are very proud of. Quite simply, this tournament would not still be functioning without an amazing group of volunteers behind the scenes driving the tournament forward.

Here are some interesting facts about the level of dedication of our volunteers:

- During game play there are no less than 10 volunteers around the ice making sure that the product is world class, including those below ice level making sure our statistics, live video and other information is accurate and available worldwide.
- There are volunteers roaming through the crowd to present a first-hand look and experience of what it’s like being at the tournament through our social media lenses.
- There are assigned Team Representatives at ice level committed to making sure that the teams enjoy a world class experience from start to finish and making sure that the players have their own super fan.
- There are off ice officials (goal judges, timekeepers and scorekeepers) ensuring the player’s experience is as close an experience as we can create to that of an NHL game.

We have been blessed to have had amazing support from our volunteers since our inception. Some of our volunteers have been with the tournament since day one and have given many weeks of their valuable personal time over the past 30 years in support of our tournament. We are in their debt. Whether you have volunteered for 30 years or are brand new this year, please know that you are making a difference in a week that these athletes will never forget and that the Tournament Committee is beyond grateful for your contribution.

The Tournament Committee would like to thank the following for their support this year and in years past.

Sincerely,

Sonny Sekhon
