WELCOME TO THE 2022 EDITION OF THE BRICK INVITATIONAL...

Ever since January of 1990 when Bill Comrie met with a few of his executives at the Brick Warehouse Corporation, we have been at West Edmonton Mall, showcasing the best hockey talent in North America for hockey players aged nine and ten. The concept of a summer tournament for this age group was truly unique and our goal was to create a tournament in a venue that would set the standard for hockey tournaments around the world. We will always endeavour to keep Bill's vision of providing young athletes the best possible opportunity to display their skills amongst the top athletes in the world, while at the same time sharing a summer holiday with their relatives and hopefully gathering new friends from cities all over North America. Many of us on the Hockey Committee have seen our little babies grow into adults during the time this amazing summer event has taken place. As volunteers, we thank our families for the support they have given us while we organize and plan each year for The Brick Invitational. It really has been an honour to be part of an event that has achieved worldwide attention. Since 1990 we have witnessed some of the best hockey players in the world embark upon their future professional careers. We have also seen hundreds and hundreds of players play in the Canadian Hockey League, Canadian and American Colleges and Universities and become outstanding citizens and contributors to our society. One can only imagine the future skill and talent of this year's players. On behalf of our entire committee including Andy Wigston, Trevor McGrandle, Tracy Jansen, Russell Loga, Lauren Styles, Sonny Sekhon, Ken Thrasher, Zach Turner, and Dion Dragich, I thank everyone for their support as volunteers, sponsors, players and coaches. We have an outstanding group of volunteers ready to treat you to an experience of a lifetime. Enjoy everything this Tournament has to offer and support these amazing athletes as they meet one of their biggest hockey challenges to date... The Brick Cup.

Kindest regards,

Craig Styles, Tournament Chairman

The Brick Invitational Hockey Tournament acknowledges that we are located on Treaty 6 territory, and respects the histories, languages, and cultures of First Nations, Métis, Inuit, and all First Peoples of Canada, whose presence continues to enrich our vibrant community.

The 2022 edition of Team Brick Alberta is comprised of 18 exceptional 2012 birth year athletes from all over Alberta. Their journey to get to this point was a long one after numerous cancelations starting in July 2021 at KC arena in Edmonton, Alberta where the top 120 prospects competed in an evaluation camp. The process was delayed at that point due to COVID but the resiliency of the tournament staff and families got us through to today. After the long delay the staff then identified a list of the top 50 players for our final combine evaluation at West Edmonton Mall in late March 2022. After deep deliberation in the war room the staff identified the top 18 players to be part of Team Brick Alberta. The combine consisted of small area games, team practices skill practices, positional practices, team building and games. The combine gave the staff the ability to evaluate the players in all environments that we feel are conducive to build a successful team. That brings us to this exceptional group of athletes you see today that were successful through the process. Our team moto is Row the Boat (One Goal One Direction). We wish all the teams good luck in the 2022 Brick Invitational.

The CCM Chicago Brick teams are so excited to be back to the prestigious Brick Invitational Tournament this summer. The tournament organizers deserve a wealth of recognition for making such a substantial event take place with two birth years this summer. Our 2010's missed out amidst the global climate and we know they would have fared quite well after winning 6 events over the past two spring/summer seasons. We were also proud to see three former Chicago players suit up this past season for their first NHL experiences (Cole Caufield, Alex Turcotte, and Jack Drury). It is from this foundation that a new crop of CCM Chicago players are chomping at the bit to take part. Our players, coaches and parents wish everyone in this year's Brick Tournament the best of luck. We thank the organizers, sponsors & volunteers for over three decades of making this such an incredible event on and off the ice.

The 2022 editions of the CT Jr. Rangers, also known as CJR, were chosen in April and May after several months of competitive tryouts. Being the last charter from the United States to win the Brick Tournament, we have set the bar high for our young athletes, and they are cherishing the opportunity to compete for a championship. CJR would like to thank the Brick Tournament Committee for their continued support and inclusion of the organization in this prestigious tournament. Our players come from some of the top Elite Youth Hockey organizations on the East Coast. This year will undoubtedly be unique with back-to-back events. The team has been practicing and training throughout the spring and participating in some pre-Brick tournaments. The opportunity to play in the best youth hockey tournament in the world has both motivated and excited the players. CJR is looking forward to participating in 2 World-Class Brick tournaments and taking part in a once-in-a-lifetime experience in Edmonton. The CT Jr. Rangers would like to thank the organizers, volunteers, and sponsors for making the Brick experience one that both birth years will remember forever. Best of luck to all the 2022 Brick tournament doubleheader participants, and LETS GO RANGERS! #LGR

Western Selects Hockey is glad to be back on the ice in the West Edmonton Mall once again with all of the other charter member organizations. Much appreciation extended to the Brick Tournament organizers and sponsors for this 33rd year of Brick Hockey action. Good luck to all teams attending the greatest youth hockey event ever created.

We are proud to present Team Minnesota for the 2022 Brick Invitational Hockey Tournament. Team Minnesota and the Minnesota Blades have participated in this iconic hockey tournament for more than fifteen years. Since the start of 2022, the Team Minnesota coaching staff has worked endlessly to put together a team that represents the high level of talent and character expectations of playing in the prestigious Brick Hockey Tournament. The coaching staff, players, parents, and the Team Minnesota organization would like to thank the Brick Hockey Tournament volunteers and organizers for their hard work to provide these young players with the opportunity to be a part of something extraordinary and for providing memories that will last a lifetime. Team Minnesota is dedicating their 2022 season to John Arko. John founded the Minnesota Blades as a non-profit youth hockey program in 1989. Over the next 30 years, he built the Blades into one of the strongest youth hockey organizations in North America, with alumni including 200 NHL players and hundreds more NCAA Division 1 players.

It is with great pride and joy that the Montreal Meltdown organisation has accepted to undertake the responsibility of forming the Montreal Canadiens to represent the province of Quebec.

It has been a long two years wait to return to Edmonton and compete at the Brick Invitational. Our organization has always represented the symbol of fairness and respect to everyone and will continue to respect our set standards. We would like to thank the Brick Invitational tournament organisers, Craig Styles, Andy Wigston, Dion Dragich and all the other volunteers for the confidence in our organisation.

It is a dream come true for our young hockey players to represent the province of Quebec at the Brick Invitational; we are prepared to live "Memories that Last a Lifetime" during the week in Edmonton.

We will make every effort to represent our province to the best of our abilities and look forward to meeting players and coaches from other districts to build long term friendships with everyone.

Our team will be participating at the Toronto Invitational and the Montreal Meltdown this season.

Thank you

The Toronto Bulldogs Hockey Club is very excited to send two (2) very talented groups of elite hockey players born in 2011 and 2012 from across the Province of Ontario to the Annual Brick Invitational Super Novice Hockey Tournament. In a very short period of time, these amazing talented young men have created a special bond that they will cherish for many years after the Brick experience. These young athletes are hoping to continue the success of many of our past teams/players and look forward to playing on the big stage at The West Edmonton Mall. The Bulldogs will be enjoying their 29th anniversary this year and that would not have been possible without the amazing past and present families that have never stopped supporting our programs. The Toronto Bulldogs players, families, coaches and The Lamacchia family would like to extend a special thanks to Craig, Andy and ALL of the amazing Brick committee staff for continuing to work so diligently to make this experience so special for these kids. Every participant in the BRICK Tournament is a WINNER!

We are excited to get back to Edmonton on the normal schedule with the 2012 birth year. The team is comprised of players from Pittsburgh (9), Philadelphia (3), Columbus (1) and then 3 import players from Ontario. Coach Edwards commented: "The group skates well, works hard and has two solid goaltenders. We plan to push this group out of their comfort zone prior to the event with 10+ games against other Brick teams to learn how to compete at this level. The team should put some pressure on other teams offensively with a good low game and depth especially at the center ice position. The defenders are all mobile and skilled. If the group plays hard defensively we will be a tough team to compete against."

The Brick Invitational Hockey Tournament prides itself in providing one of the most respected tournaments in the world and to do so, we hold ourselves to high standards of conduct and professional behaviour.

These standards of behaviour are the cornerstone for a respectful and inclusive environment that we believe can support all athletes in becoming the best they can be. It is our expectation that our committee members, officials, volunteers and vendors demonstrate these positive behaviours every day and we ask the same of our players, parents and team management.

Failure to adhere to the Tournament's Code of Conduct may result in the expulsion of players from the current year's tournament and may further include a formal team review prior to acceptance into the following years' tournament.

Player Code of Conduct (with parental support):

- I will adhere to the rules of hockey, and the rules and policies set by The Brick Invitational Hockey Tournament.
- I will follow and display the principles of good sportsmanship.
- I will behave in a respectful manner towards my teammates, my coaches, opposing players, opposing coaches, team officials, referees, and all participants of the Tournament and West Edmonton Mall.
- I will not make derogatory comments directed towards anyone's race, ethnic origin, religion, gender and/or sexual orientation. I understand that there is a zero-tolerance policy for these types of comments and I may be disqualified from playing in the Tournament.
- I will conduct myself in a safe and responsible manner during games, practices, and any other Tournament activities.
- I will be on time and prepared to play in all games and practices as scheduled by the Brick Invitational Hockey Tournament.

TOURNAMENT RULES

1. Playing rules will be those used during the regular season in Edmonton in accordance with the Hockey Canada Rulebook.
2. Any team unable to commence play within five (5) minutes after scheduled starting time will forfeit that game and the opposing team will be awarded a 5-0 score.
3. Any protests must be made known within five (5) minutes after the game in question. A written account must be submitted to the Tournament Director no later than one (1) hour after the game on the forms provided. "The decision of the tournament committee is final!"
4. Any player who receives a match penalty (i.e. intent to injure) will be suspended for the duration of the game. Further action will be determined pending a review by the Tournament Committee immediately following that particular game.
5. Any minor penalty coupled with an automatic game misconduct in the Hockey Canada Rulebook will be assessed as a minor penalty plus a 10 minute misconduct penalty. A substitute player is required to serve the minor penalty.
6. Any player or team official who receives a second major penalty, or second misconduct penalty, or a match game misconduct, or a gross misconduct penalty, shall be suspended from further play in the tournament.
7. All major penalties are subject to review by the Tournament Committee immediately following that particular game.
8. Non-contact! Body contact fouls will be strictly enforced.
9. Neck protection must be worn by all players.
10. Home team will wear their lighter jersey; if there is an issue with jersey colours the visiting team must change.
11. The Tournament will be comprised of players born on or after January 1, 2012.
12. All games will utilize registered hockey league game officials.

ROUND ROBIN FORMAT

1. Round Robin format will consist of fourteen teams in two conferences.
2. Round Robin games will consist of two (2) twelve minute periods and one (1) fifteen minute stop-time period. In the event of a tie the teams will play two (2) two-minute sudden victory overtime periods. The first period will be 3 on 3, the second period will be 2 on 2, if still tied, there will be a 3 player shootout, which will continue with additional shooters, until a winner is declared.
Overtime play will commence with the addition of one skater for the power play team. Penalties incurred during overtime play will result in the addition of one skater for the power-play team. At no time will a team have fewer than 3 skaters during the first overtime period, and no less than 2 skaters during the second overtime period.
3. Three (3) points will be awarded for a regulation time win, two (2) points will be awarded for an overtime win, one (1) point will be awarded for an overtime loss, and zero (0) points will be awarded for a regulation time loss.
4. The top three (3) teams in each conference, based on total points during round robin play, will advance to the playoffs.

ROUND ROBIN TIE-BREAKING PROCEDURE

In the event of a tie after completion of Round Robin play, the advancing team(s) shall be determined as follows:

- a. In the case of a tie between two teams, the team having won the game between each other will qualify for the Playoff Round;
- b. If still tied, the team with the higher Goal Differential (Goals For minus Goals Against) will qualify for the Playoff Round;
- c. If still tied, the team with the higher Goals For during full Round Robin Play will qualify for the Playoff Round;
- d. If still tied, the team with fewest penalty minutes during full Round Robin Play will qualify for the Playoff Round;
- e. If still tied, then a single flip of a coin by the Tournament Director will determine which team will qualify for the Playoff Round.

NOTE: In the event of a 3, 4 or 5 way tie at the end of Round Robin play, head-to-head points among the tied teams shall determine the top team to advance. If no team advances, apply steps 'b' through 'e' until one team advances. Continue with the head-to-head process with any remaining teams until all advancing team are selected.

PLAYOFF FORMAT

1. All Quarter-Final and Semi-Final games will be the same format as the Round Robin games except in the case of a tie.
2. The Final game will consist of three (3) fifteen minute stop time periods. Overtime will be played in the event of a tie. For the final game the home team will be determined by a coin toss by the Tournament Chairman.
3. In the event of a tie after the end of regulation play, one ten-minute sudden-victory overtime period will be played. Play will end as soon as one of the teams scores and barring dispute, the team will be declared the winner.
4. In the event of a tie after the end of the sudden-victory overtime period, one player, not the goal keeper, will be removed from each team and each team will play with five players for two minutes sudden-victory overtime.
5. In the event of a tie after the two minute period, an additional player will be removed from each team and each team will play with four players for a two minute sudden-victory overtime period.
6. In the event of a tie after this two minute sudden-victory overtime period, an additional player will be removed from each team and each team will play with three players for a two minute sudden-victory overtime period.
7. In the event of a tie after the end of this two minute sudden-victory overtime period, each team will select five shooters and each player will take one shot alternating from team to team. Upon completion of the five player shoot out, the team with the most goals wins.
8. If still tied, the procedure will be repeated with five different players and so on until a winner is declared. No player shall come around a second time for a penalty shot until the complete team roster excluding goal keeper has been used.

IN MEMORIAM

Igor Nikulin 1961-2020

Igor Nikulin, 18 year veteran coach at the Brick Tournament passed away after a six year battle with Parkinson's Disease.

He was an icon in Southern California whose coaching highlights included three USA Hockey National Championship titles and three gold medals at the Quebec Pee wee Tournament.

Igor had a brilliant coaching mind with a contagious passion for the game and helped many players advance to the ranks of Juniors, D1, and professional hockey.

Igor loved coaching at the Edmonton Brick Tournament.

Rest in Peace

Rob & Grace Zittlau

In October 2020, the Brick Invitational Hockey Committee was heartbroken to hear of the passing of Rob and Grace Zittlau.

Rob was the heart of our Brick Hockey video team for several years. He always had new exciting ideas to elevate our video production.

His talent, passion and commitment to our tournament will be greatly missed.

We are sending all our love to his family and friends, and the entire minor sports community in Edmonton.

Rest in Peace

OUR NHL ALUMNI
