

# Summer Updates

Hello BMHA members,

I hope you have been enjoying your summer, hard to believe it is half over and hockey is around the corner. Our BMH board members have been working hard on season planning as our off-season winds down and we approach camps, tryouts and evaluations.

It is with excitement I formally announce that our application to Hockey Alberta for the U11 HADP program has been accepted. We are currently accepting coaching resumes and player registrations for players wishing to try-out for the team. The idea behind this U11 team is to run a similar structure as the "Elite Stream" AA/AAA programs, giving players a chance to further develop their skills and prepare them for U13AA programs. Tryouts will begin in September so please register early if you wish to participate. Head over to [www.brooksminorhockey.com](http://www.brooksminorhockey.com) for coaching applications and registration forms.

Brad Tobler  
President  
Brooks Minor Hockey Association

## U15 Governor Needed

The U15 group still needs a governor. This division will not run unless we have someone step up and we are getting deep into the offseason planning. These players need and deserve a voice on the BMH board. Please contact [president@brooksminorhockey.com](mailto:president@brooksminorhockey.com) if you are interested in making this a great season for the kids.

## HA Super Skills Camp

HA and the Brooks Bandits are teaming up to bring a Supers Skills camp to Brooks, August 19 and 20 for 2010-2017 born players.

Details at:

[2022 Hockey Alberta - Brooks Bandits Minor Hockey Camp | August 19 - Aug 20, 2022 at Centennial Regional Arena - Brooks](#)

## Ref Clinics

Ref Clinics are scheduled for August 28 and October 2<sup>nd</sup>. First year junior refs received free referee jersey and whistle. You can register through HCR 3.0 once the clinics are loaded in their system

Female Hockey

## Player Development

Happy to announce we will again this season be offering additional player development sessions throughout the year for players, goalies and coaches. These sessions will cover Power skating, Passing, Shooting for players, Power skating, Angles, Puck handling and Butterfly Basics for goalies.

Thanks goes out to our player/coach development group, Shaun Smith and Shawn Webb for the work they put in organizing these sessions.

## UP COMING EVENTS

August 28 - Ref Clinic

TBD - U15/U18 Checking Clinic

September 12 - Unevaluated Skates Begin

September 17/18 - Evaluations Begin

September 24/25 - Evaluations

September 25 - Coach Clinic Goaltending

October 2 - Ref Clinic

Nov 17/18 - Casino Fundraiser

.....more to come

## RECOGNITION

My thanks go out to the BMH board members who spend many hours of their summer planning and organizing our up coming season. With out this groups effort there wouldn't be hockey in Brooks. If you see one of our board members remember, a thank you goes a long way, and costs nothing.
