

Masters' Nationals Criteria

- Each province/territory must comply with the criteria set out by the Canadian Broomball Federation.
- A player must be registered within their own province/territory and must meet the age eligibility criteria as set out in the Rulebook.
- Players can't participate in more than one category in the same National Championship in the same playing season.
- Replacement teams based on geography, plus the host team are eligible to play, with the addition of the Defending Champions.
- There must be a minimum of three (3) provinces/territories attending with a minimum of four (4) teams participating. This would include the host.
