

Mixed Nationals Criteria (revised April 4, 2022)

- Each Province/territory must comply with the criteria set out by the Canadian Broomball Federation
- A player must be registered within their own province/territory as a coed player.
- Players who are registered as Elite within their own province/territory are considered to be of Elite status. Teams are eligible to carry a maximum of 3 elite Men players (there is no maximum on the number of Elite women).
- Juvenile players are permitted to play in the Mixed division as long as they are not participating at the Juvenile Nationals in the current year. They must be at least 16 years of age to participate.
- Players can't participate in 2 categories in the same National Championship in the same playing season.
- **Replacement teams based on geography**, plus the host team are eligible to play, with the addition of the Defending Champions.
- There must be a minimum of 3 Provinces/Territories attending with a minimum of 4 teams participating. This would include the Host.
