

AA Angels Annual Report 2023-2024

The BVRA Angels hosted teams at U14, U16 and U19 this year.

The U14 Angels had a very competitive season. They went to tournaments in Saskatoon and Richmond BC. They took home gold in BC and finished the season in first place. At Provincials they took home silver and represented the Angels at Westerns. At Westerns, the Angels goalie, Kaylee Robbins, was selected an all star.

The U16 and U19 Angels both attended tournaments in Edmonton and Montreal. At Provincials they both finished second and went to Nationals representing the Angels. At Nationals both Angels teams competed hard with the U19 team making it to the consolation semi finals. Individually the U16 Angels goalie Megan Pellaers won the U16 goalie skills competition. On the U19 team, Camry Wilkes, tied for the tournament lead in goal scoring with 16 goals in 8 games.

The Angels teams this year gave back to the community by volunteering with various charitable organizations such as Agape Table.

The teams also supported many of the other ringette teams by assisting at practices for teams R4U, and U10 and U12 teams from BVRA.

Tryouts have recently been completed for the 2024/25 season. The Angels will once again be hosting U14, U16 and U19. Thanks to all those who tried out and congratulations to all athletes selected to play Angels for the upcoming season.

A big thank you to all athletes, coaches and families who come together each year to make the Angels program so successful.

Adrienne Au and Craig Holmes (AA Co-Convenors)
