

2024 Donation Request: BVRA Pre-Season Ringette Tournament

The Bonivital Ringette Association is excited to announce our annual pre-season ringette tournament, scheduled for October 14th-20th, 2024, at the Jonathan Toews Sports Complex. This event is the largest ringette tournament in Manitoba, welcoming approximately 650 athletes from 43 teams across Canada. It promotes team bonding, sportsmanship, and provides an excellent opportunity for athletes to prepare for the upcoming season.

We are seeking your support through monetary sponsorship at the Silver, Gold, or Platinum levels, as well as contributions in the form of silent auction prizes, gift certificates, or player bags/ref room snacks. Each sponsorship level offers distinct benefits:

Platinum Sponsorship:

- Prominent listing on Platinum sponsor banners in each rink
- Largest-sized logo on the overall tournament banner in the main hall
- Individual recognition on social media
- Acknowledgment on our website: www.bvraringette.ca

Gold Sponsorship:

- Medium-sized logo on the overall tournament banner in the main hall
- Group recognition as Gold sponsors on social media
- Acknowledgment on our website: www.bvraringette.ca

Silver Sponsorship:

- Small-sized logo on the overall tournament banner in the main hall
- Acknowledgment on our website: www.bvraringette.ca

All funds raised from the BVRA pre-season tournament directly support our association. These contributions aid in program development, provincial and national player assistance, scholarship programs, funding for those in need, team equipment, coach training, special events, and more.

This tournament's success relies on the generosity of sponsors like you and the dedication of our volunteers. Your involvement would significantly benefit the playing career of our athletes and the increase the quality of the programming we offer.

If you or your company would like to support us, please contact me at the email or phone number below.

Sincerely,

Levon Kearney
President, Bonivital Ringette Association
