Important Notes

- This procedure shall be followed in sequence until the tie is broken (i.e. one team is eliminated from the tie). Once one team is eliminated from the tie, the procedure reverts back to (a) above.
- This procedure, in most cases, will declare the team in the HIGHEST position. However, in some cases, the procedure will declare the LOWEST position between tied teams, and that team shall be dropped from the tie breaking procedure (i.e. the top two teams remain tied). In these cases, the procedure shall also revert back to (a) above in order to break the tie between those teams which remain tied.

Shoot out Rules

2. Visiting team takes a penalty shot, starting from center ice.
