📅 BVRA Held its second annual Year End Banquet at the Caboto Center. Was another huge success this year

I am filled with immense pride in what this board and association has achieved this year. Our collective efforts have brought significant progress and numerous successes to our organization and to this great sport. It has been an honor to serve as the president of this association.

However, after careful consideration I have decided to step down from my position. This was not an easy decision, but it is necessary for me at this time. I am confident that the strong foundation we have built will continue to thrive under new leadership.

I look forward to witnessing the continued growth and success of our association.
