President's Message

Good day everyone,

I hope you are all enjoying this wonderful fall we have been having. I just wanted to take a moment to check in with you and say thanks to so many. I understand that try-outs and team formation is a stressful process for everyone. We at the CAC have tried our best to make sure our process is fair and transparent to the players and families. In November you will receive a short survey asking you how tryouts and team start up has gone for you. This information is important to us as we sit down and discuss how things went for us as a club, and your feedback is vital.

I remain committed to ensuring we are regarded as the premier athletic club in Edmonton and that we are providing the best possible experience for our athletes and families. I hope that your child has shared some good comments and stories about their coaches, trainers, managers, enhanced technology in the classroom and that they are proud to be a Canadian.

As we celebrate 85 years of commitment to elite sport in Edmonton, we will continue to grow and evolve with the changing landscape of hockey. We are excited to be hosting a fun family afternoon of skating and fellowship Sunday December 18th.

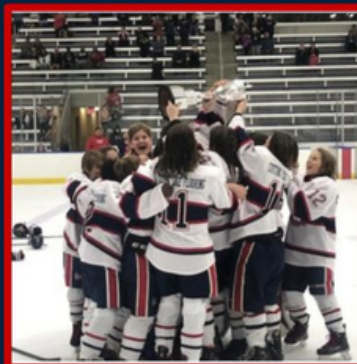

Finally, I want to thank you for your patience and support, and thank the

coaches, hockey administrators, registrar and CAC personnel at the rink during try-outs. Special thanks to our trainers for making sure everyone was safe and our ice allocator who made sure we had all of our ice requirements met. We have a great club and we are very happy you are with us this year. All the best for a great season. Please do not hesitate to reach out if you have any questions or concerns.

Sincerely,
