CANADIAN ATHLETIC CLUB HISTORY

In 1937, a group of sports-minded community league members recognized the need to give athletes from schools and community leagues a more competitive environment in which to develop their athletic talents. From this idea, the Canadian Athletic Club was formed.

The Canadian Athletic Club can reflect on many achievements over the past 74 years and we thank the group of gentlemen who formed our club and laid the foundation for a dynamic and premier athletic organization. The founding members were Ralph Blackmer and Bob Murdock.

Beginning in 1937, when we had one hockey team, the club has been involved in baseball, soccer, boxing and lacrosse.

Baseball: From 1942 until 1963, baseball teams playing under the CAC banner competed in Bantam, Midget, Juvenile and Junior leagues in Edmonton.

Soccer: In 1950, the Canadian Athletic Club organized a six team Midget soccer league. A Junior team competed in the city league.

Boxing: In 1956, the Canadian Athletic Club along with the Jasper Place Boxing Club formed a boxing club with 24 boxers competing in various weight categories.

Lacrosse: The club has assisted the West Edmonton Lacrosse Association by sponsoring a midget team.

Hockey: The Canadian Athletic Club offers a complete program from U13 to U18. The present program consists of three U13AA, two U15AA, one U15AAA, one U16AA, one U16AAA, one U18AA and one U18AAA teams. Over the years CAC teams have captured over 50 City and Provincial championships. During the 1950's and 1960's our club was affiliated with the Chicago Blackhawks and the Detroit Red Wings.

BAA/U15AA Sponsor since 2018

RETURN TO HOCKEY PLAN

Hockey Edmonton has posted all of the currently available Return to Play information on their website - hockeyedmonton.ca - make sure you check it out! The plan is constantly evolving as directed by Alberta Health Services, the City of Edmonton, and Hockey Alberta, and their website is frequently updated.

The key points:

1. Do your daily COVID-19 screening questions for your player and any spectators prior to coming to the rink.
2. If you are feeling unwell, **PLEASE STAY HOME.**
3. Follow the guidelines posted at the arena.
 - a. Physical Distancing - maintain 2 m physical distancing
 - b. Wash your hands / use hand sanitizer frequently
 - c. Wear your mask

If we all work together and do our part, hopefully we can keep this hockey season going for the kids!
