

# CENTRAL ALBERTA HOCKEY LEAGUE

## MEETING MINUTES

November 12, 2013

Strathmore Civic Centre, Strathmore, AB

President: Doug Durbano

Vice-President: Dennis Beaudion

Vice-President: Brian Monkman

Governor-in-Chief: Jamie Steer

Past-President: James Parks

Secretary: Terry Siverson

Vice-President: Tim Arnold

Treasurer: Shannon Chilvers

Web Administrator: Jodi Christensen

MEETING CALLED TO ORDER AT 7:46 PM.

ABSENT ASSOCIATIONS: None

Doug expressed sincere condolences from the Central Alberta hockey League and all Directors to the Moritz Family of Olds on the recent loss of their Mother and Grandfather in a tragic vehicle accident. A moment of silence was observed by those present in condolence of the tragic loss.

### **Governor's Report: Jamie Steer**

- Doug discussed Governors and the tiering meeting process. Governors were divided into tiers and sent to other rooms to make the recommendations for the Directors on placement of teams. They separated from the Directors meeting for this portion of the meeting.

Motion to approve minutes from October 7th, 2013 by Cremona, seconded by Hanna. Carried.

### **Hockey Alberta Report: Danny Povaschuk -**

- The season is moving along well.
- We are seeing some bids come in for Provincial Hosting from Zone 6, not heard anything from Zone 5.
- Complaints being sent in about Coaching and Team certifications. Coaching Clinics and Coaching Qualifications were reviewed.
- In Zone 6 there are over 460 non-compliant players for Respect in Sport Parent certification. More work to do but getting better.

There was no report from Hockey Alberta Zone 5 at this meeting.

## Treasurer's Report: Shannon Chilvers -as of November 12, 2013

Current Account Balance:	\$ 13,986.48
Total Expenses to date:	\$ 11,696.40
Total Revenue to date:	\$ 6,604.00
Term Account (T-Bill):	\$ 33,493.50

### Additional Notes of interest:

- Invoices are all outstanding that were sent out earlier in the month. The following associations have outstanding invoices:

Airdrie, Bassano, Canmore, Carstairs, Claresholm, Cochrane, Crossfield, Didsbury, Duchess, Foothills, Fort McLeod, Hanna, Hussar, Indus, Medicine Hat, Nanton, RMAA, Siksika, Taber and Vulcan - these are all due tonight.

- Score books and game report books were handed out and each association gets one scorebook per team and each association gets one report book.

It is critical that your Ref's have these books as well in each rink. It can mean a big difference in proper documentation or not as the back of the game sheet really does not help.

If you need more let Shannon know they are available and they are charged to you at \$15.00 per book.

Motion to approve the Treasurer's report by Brooks, seconded by Drumheller. Carried.

### Old Business:

- James updated the Directors on the CAHL Document review that is ongoing by James, Terry and Jason from Cochrane, a meeting is scheduled for next week, more information to follow.
- Tournament requests for Jodi to accommodate - Doug made it clear that we would not be accepting any tournament requests as it messes the schedule creation and we no longer will do it. No exceptions the CAHL does not want to do the Team Managers jobs for any teams.

### New Business:

- A formal request from Taber to remove the Atom T5 from the CAHL as the parents are concerned about the travel. The Executive approved the removal of the team to help them out.
- Hockey Alberta formally requested we rescind the supplemental Head Contact Rule. That has been completed as requested. Their rationale was that since it is not a Hockey Canada rule we cannot enforce it. We are disappointed in this as we all feel it was appropriate and it was an approved Notice of Motion originally. Hopefully this will move forward in the Hockey Canada rule review at the end of this season.
- Reminder - - Make sure that your association has Game Report Books available in every rink you use for your Ref's.
- Jodi discussed that Data Entry People are doing a great job this year, it is a noticeable improvement over last year. They also must be aware of the following:
  - SMP points will be added to the website once the regular season starts
  - Do not add Players or Coaches ever, only add AP when they play. Editing a player is still allowed.
  - You cannot make changes to a submitted game, get a hold of the Governor and Jodi.

- Jodi discussed there is an IPAD app coming for live remote scoring from the rink to the website, more work ongoing on this but you will see it soon.
- Some discussion around unbalanced competition and unique situations during the tiering round. The following was information for the Directors:
  - Concerns around NT1 Lethbridge being too strong for the Novice Level was discussed at a separate meeting tonight. It was decided that this team will be playing in Atom this year to manage this situation.
  - Brooks has an AT6 girls team made up of about ½ Novice age players that was not doing well in their tier, it was decided that they would move as well to a place more suited to their skill level in Novice.
- Bad Weather Conflicts were discussed again. Doug made it clear that the League will not tell you that you must travel to games, but the CAHL and its representatives may not say the game is cancelled either. As adults local to the situation it is up to them to decide if it is safe or not. Please use good judgement and allow time to travel safely in the winter conditions. Please let Doug know immediately if anyone threatens you that you have to travel for league activities.
- Midget age players driving themselves to out of town games - There is no Hockey Canada or Hockey Alberta rules that apply to this situation. This must be managed locally by each association. Discussion was had around vehicle insurance situations, liabilities, injuries, possible injuries and the impacts of Alberta's GDL license requirements.
- Schedules - Jodi will try and have them all out by Tuesday of next week. The First two weekends will appear first and then the rest will come out.
  - Do not bug Jodi while this process is happening and be aware in the first two weekend she does not try and make road trips happen. Be ready to play two games each weekend.
  - Do not attempt a game change the first weekend of the regular season. It is not allowed.
  - If teams want to play someone in their tier on the retiering weekend let Jodi know and she will schedule it to help you out.
- Tiering cross-over games were discussed. One instance where no one would travel to a Bantam game in Medicine Hat. The Governor should have escalated that, when you are assigned a cross over game it is not optional. You need to play that game.
- Doug discussed a situation where a midget team travelled and when they arrived there were no Ref's. In these situation the Hockey Canada Rule is that the two team Captains will become the Ref's and the game will be played.

**Coffee Break** - 15 minutes taken to allow for other CAHL Business

**Referee Report: Dave Coles** - (Dave was unable to attend Brian reported for him)

- There have been a number of emails, phone calls and questions from Coaches and Parents; they should not be contacting the Ref's.
- Reminder from Dave as well- - Make sure that your association has Game Report Books available in every rink you use for your Ref's.

## **Final Tiering Placements**

Jamie Steers - Governor in Chief with the help of the lead Governors and Jodi C. presented the regular season Tiers to the Directors. Lots of discussion was had and each Director had a chance to make a case for any movement of the teams. See the section at the end of the minutes with the results.

Motion to adjourn the meeting made by Vulcan, seconded by Brooks.

Meeting adjourned at 23:32 pm.

**Next meeting is December 2nd, 2013 if required - more details to follow**

### **Attachment notes October 7th:**

- Most divisions were adjusted or created geographically where sufficient team numbers were available. More emphasis on geographic splits in Novice, Atom, Pee wee from T3 down.
- Some divisions were altered by asking for volunteers to move up or down to start off a reasonable tiering round schedule. Those who agreed are hi-lighted yellow.
- Teams with Ghost Teams are hi-lighted in light Blue.
- Midget Tier 2 was collapsed into Tier 3 due to insufficient teams
- Midget Tier 6 was collapsed into Tier 5 due to insufficient teams

### **Attachment notes November 12th:**

- Most divisions were adjusted or created geographically where sufficient team numbers were available. More emphasis on geographic splits in Novice, Atom, Pee wee from T3 down.
- Not all split tiers will playoff against each other at the end of the year. More details to follow.
- Each Division/Tier was presented by Governors and the Directors provided input into the team placements

**CAHL 2013 -2014 Team Declarations, Tiering Placement and Final Placement:**
