Strathmore Civic Centre, Strathmore, AB

President: Doug Durbano

Vice-President: Dennis Beaudion

Vice-President: Brian Monkman

Governor-in-Chief: Jamie Steer

Past-President: James Parks

Secretary: Terry Siverson

Vice-President: Tim Arnold

Treasurer: Shannon Chilvers

Web Administrator: Jodi Christensen

MEETING CALLED TO ORDER AT 7:37 PM.

ABSENT ASSOCIATIONS: Fort Macleod, Siksika

Motion to approve minutes from September 9, 2013 by Medicine Hat, seconded by High Country. Carried.

Doug welcomed everyone, the introduction of the League Executive and then the Governors followed stating which association they were with and their respective position with that association.

Governor's Report: Jamie Steer

- Jamie discussed Governors assigning briefly and that a meeting was going to be had right after the team Declarations for Governor Training.

Team Declarations: Jamie S. and Jodi C.

- Jodi presented and Jamie discussed with the attendees the team declarations for each division and Tier.

Generally the intent is to place teams by tier and then by geography whenever possible especially for the Novice, Atom and Pee Wee Divisions. See attached pages for Team Declarations and Tiering Round Placements.

Coffee Break - 15 minutes taken to allow for other CAHL Business

Hockey Alberta Report: Danny Povaschuk -

- The season is moving along well.
- Cuts from “AA” hockey has been an issue. Some shopping for another tryout spot has been happening. Local Associations need to tell them no more attempts after they are cut the first time.
- Ghost Teams - Danny identified situations where they could be used to manage too many players for one team but not enough for two.
- New player Affiliation rule discussed. Please see the Hockey Alberta Bulletin.
- Coaching Clinics and Coaching Qualifications were reviewed.

Referee Report: Dave Coles - (Doug Durbano reported - Dave was double booked unable to attend)

- To date - no Officials complaints
- Except for a couple of Associations the number of Official’s are down again this season, expect a large number of two man Ref Systems this year.

Treasurer’s Report: Shannon Chilvers -as of October 7, 2013

Current Account Balance:	\$15,193.88
Total Expenses to date:	\$4,219.50
Total Revenue to date:	\$0.00
Term Account (T-Bill):	\$33,460.50

- Score books and game report books were handed out and each association gets one scorebook per team and each association gets one report book. If you need more let Shannon know they are available and they are charged to you at \$15.00 per book.

Old Business:

- Review the CAHL Reminder Bulletin # 13-01 Unbalanced Competition. Concerns were discussed with all Members as there are several concerns around teams and players playing at inappropriate levels. A letter or bulletin was handed out addressing these concerns and warning what will happen if the CAHL Executive has to deal with these situations.

Please be aware when tiering your teams that they are declared appropriately. A reminder for the stronger members may want to consider having multiple Tier 1 teams instead of having a team that runs away with a tier. It is critical that the tiering process is not compromised.

- Discussed Outstanding Suspensions - List seems pretty short and the Directors were told to double check in case someone still has a suspension to serve.

New Business:

- Female League Information - It has been decided that it is not possible to make the Female League happen for the 2013 - 2014 season.
- Doug discussed the requests that Jodi is still receiving concerning the need for her to schedule around teams wanting to go to tournaments. Another discussion was held regarding tournaments that associations plan in advance, the CAHL will no longer schedule around tournaments, the team managers will need to work together to make these happen smoother. This will not be happening and if any team fails to meet their commitments please see the regulations for the fines they will be at risk of being charged.
- Doug discussed Jodi's time availability with the members to try and have everyone understand that we have to be more respectful with your requests.
- Drop Clock and Flood Associations review was completed and will be posted on the website when everyone gets back to Terry.
- Rule reminder bulletins on Drop Clock procedures, Flooding procedures and Unbalanced Competition were reviewed
- By-laws and Regulations review. James Parks and Terry Siverson have volunteered to complete this review and Jason Vincent from Cochrane will be helping out with it. More info to follow. No changes are intended without following the CAHL change standards at the AGM.

Motion to adjourn the meeting made by Drumheller, seconded by Lethbridge.

Meeting adjourned at 9:53 pm.

Next meeting is November 12th, 2013

Attachment notes:

- Most divisions were adjusted or created geographically where sufficient team numbers were available. More emphasis on geographic splits in Novice, Atom, Peewee from T3 down.
- Some divisions were altered by asking for volunteers to move up or down to start off a reasonable tiering round schedule. Those who agreed are hi-lighted yellow.
- Teams with Ghost Teams are hi-lighted in light Blue.
- Midget Tier 2 was collapsed into Tier 3 due to insufficient teams
- Midget Tier 6 was collapsed into Tier 5 due to insufficient teams

CAHL 2013 -2014 Team Declarations: Jamie S. and Jodi C.
