

## **Acadia Arena**

The entrances & exits are clearly marked, there are sanitizing stations at all entrances with basic information regarding Covid procedure to help minimize the spread. We also have contact tracing form for parents/spectators only.

### **Facility Protocols:**

Kids and parents must wear masks and social distance in the change rooms and stands and while walking around

Spectators in stands and round the boards are okay but only 1/3 capacity (max 93 people)

While in practice or game play, return to unrestricted play, no masks or social distancing required on the benches or playing surface.

Parents and kids should minimize / limit amount of time standing around in the arena before and after play.

ARC staff will be cleaning / sanitizing dressing rooms between play.
