

Oakridge Arena COVID Guidelines

- dressing room access ½ hour before your time slot; teams have been coming up to an hour ahead of schedule and hanging out in the lobby which is a situation we want to avoid

- We still have the city of Calgary Masking bylaw, so everyone must wear masks to enter and exit the facility and spectators must wear masks at all times.

So we are requesting your help in getting participants and spectators to mask up and ask the spectators try to socially distance or at least not congregate in large groups, and not to arrive any earlier than ½ hour prior to their floor time.
