

Calgary District Lacrosse Association Monthly Board Meeting

Date: April 6, 2021

Time 7:00 PM

Location: Via Videoconference

1. Call to Order - 7:00pm

2. Team Declaration Meeting

It was agreed by the board to move the teams meeting to May 3rd given the current uncertainty of when we might start the season, or if we will be able to start a season at all.

Clubs are prepared to run in house programs to the end of May and start a short season in June should the opportunity present itself. It is noted that Rockyview has stated that we will likely be running in house programs until the end of June with no possibility of games before the summer

3. Field Development Program

Running field program was not supported by the board. If we are to run such a program, it's better to just have the players join a local field club.

4. Scheduling

The board supports starting a season, or at least scheduling some games if at all possible before the end of June. This question will be revisited at the May Board of Directors meeting.
