App User Guide FOR REFEREES!

Setting Up Your User Profile

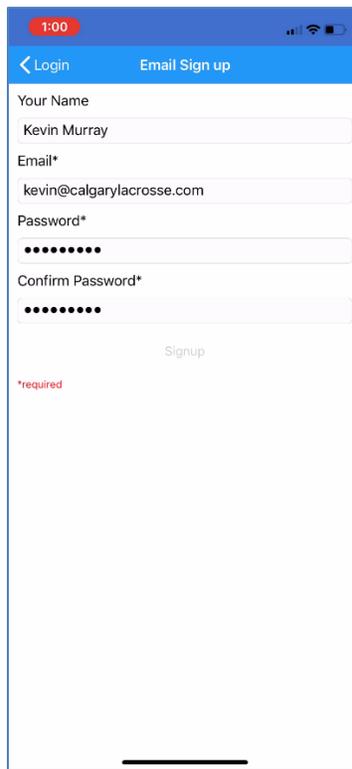

If you already have an account, please skip to step 4.

Step 1 - When you first open the App, you will be taken to the USER PROFILE setup screen. You have 3 ways to setup your user profile:

1. Use your FaceBook profile
2. Use your Google profile
3. Setup a customer user account using an email address

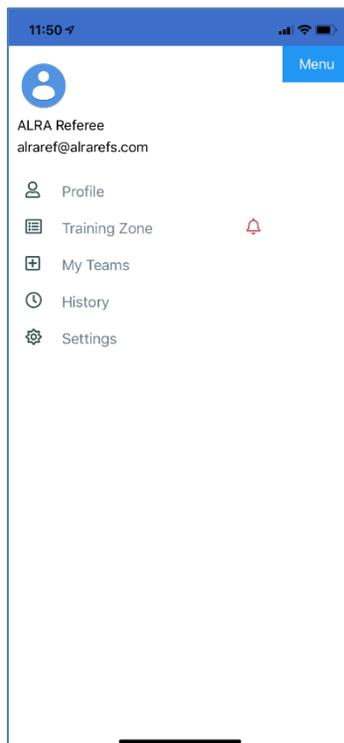

Step 2 - Select the User Profile method of your choice and complete the User Details sign up form.

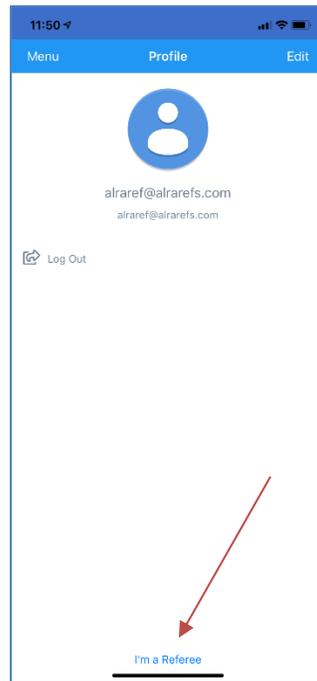

The screenshot shows a mobile application interface for "Email Sign up". At the top, there is a blue header with a back arrow and the text "Login" and "Email Sign up". Below the header, the form contains the following fields: "Your Name" with the value "Kevin Murray", "Email*" with the value "kevin@calgarylacrosse.com", "Password*" with masked characters, and "Confirm Password*" with masked characters. A "Signup" button is located below the form. A red asterisk and the word "required" are visible below the form fields.

Step 3 - You will now be asked to ADD A TEAM to your profile. **Do not add a team unless you are a parent of a player on a team. Click on the MENU to get this screen and then click on PROFILE.**

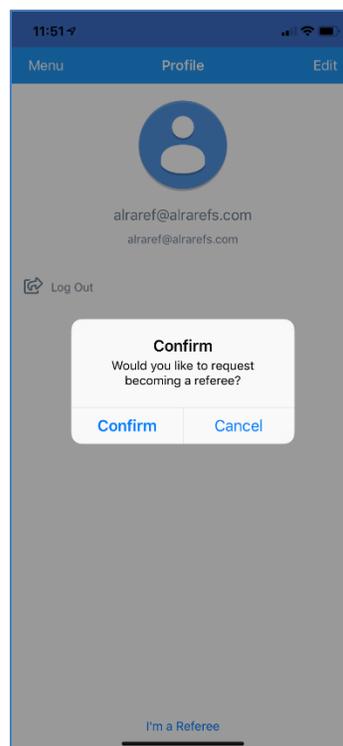

The screenshot shows a mobile application interface for a user profile menu. At the top, there is a blue header with the time "11:50" and a "Menu" button. Below the header, there is a profile card for "ALRA Referee" with the email "alraref@alrarefs.com". Below the profile card, there is a list of menu items: "Profile", "Training Zone" (with a red bell icon), "My Teams", "History", and "Settings".

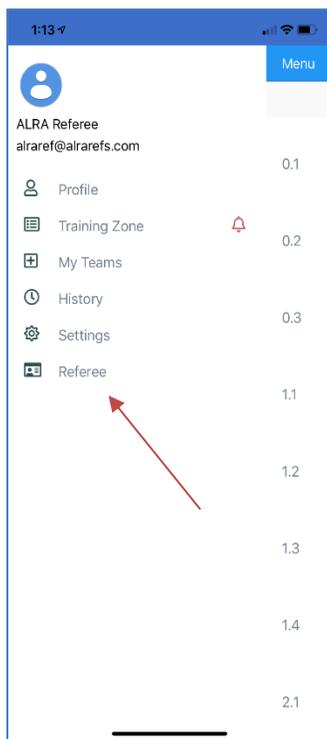

Step 4 - On the PROFILE menu item, at the very bottom, you will see a link to **I'M A REFEREE**. Tap on this link.

Step 5 - When you tap on this link, it sends a 'request for you to be approved as a referee'. You will see this confirmation.

Step 6 - Once you have confirmed your request, you will need to wait 6-12 hours for the request to be approved. Once your request is approved, you will see a new REFEREE section under the Menu.

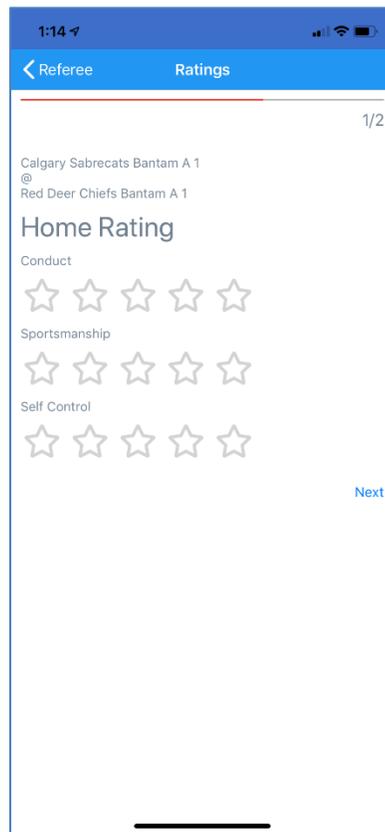

Step 7 - When you click on the REFEREE menu item, you will see a list of games you can rate. These games will only appear for 24 hours so you need to enter your ratings within 24 hours of your game.

Step 8 - Just tap on the game you reffed and enter your ratings for each team.

There are separate ratings for each team. You are providing ratings for:

- Conduct – did the team follow the code of conduct
- Sportsmanship – did the team show good sportsmanship
- Self Control – did each team control their emotions

Once you have finished your rating you can close the program until your next game.

We hope you enjoy using the What Not To Yell App!
